Igwe, 2014-01-27 Crowds of people follow Jesus Christ for different reasons Many follow Him because they want Him to solve their problems They stop following Him once their problems are solved or not solved Only a few follow Him out of genuine love and total surrender to His lordship and salvation Following Jesus Christ is written to groom disciples who will deny themselves take up their cross daily and follow Jesus Christ all the way seek first the kingdom of God and His righteousness develop personal relationship with the Lord and enjoy the ministry of the Holy Spirit thereby living victoriously every day **Loving One Another** Gene A. God's Guide to Freedom Carl Barrett, 2023-04-13 In a society where so many people feel helpless and hopeless they need to grasp onto someone who will release them from the bondage preventing them from attaining the beautiful things God has in store So often we don't know how to fight our spiritual battles leading to a weakened and defeated spirit This state of delusion and confusion is only the work of a dark force that's keeping people shackled in chains and suppressing their glorious life of liberty in Jesus Christ We all long for a life full of peace purpose and a plan that will lead to a glorious journey with the presence of our Lord every step of the way The reality of believing in Jesus obeying his word and knowing the truth brings spiritual freedom And such a privilege includes freedom from the bondage of falsehood For his truth sets us free This forty day devotional guide through Exodus will show us times of being in bondage to a stage of deliverance to wandering in the wilderness and how to rely on the strength and guidance of an Almighty God And that's where spiritual freedom comes to the surface in our intentional lives Evangelism through the Local Church Michael Green, 2023-09-28 A comprehensive guide to practical evangelism its biblical basis theological backbone and current practice Michael Green draws from a lifetime's experience in this seminal work on the theory and practice of evangelism Green shows how the good news of Christ is communicated most effectively through the local church This comprehensive resource includes a primer on Christian apologetics and concrete suggestions for congregations and individuals sharing the gospel Green challenges the hang ups which so often accompany the very mention of evangelism His classic work will continue to inspire new generations of evangelists **His Guide to Evangelism** Paul E. Little, 1977 **Guide for the Christian Perplexed** Thomas P. Power, 2012-01-13 Thoughtful Christians are legitimately perplexed by a number of issues relating to the church's belief and practice They are perplexed partly because they recognize that the issues themselves are thorny and partly because they are not sure how to test the mutually inconsistent theories and explanations affirmed by diverse voices speaking with equal

assurance Most Christians find relatively little occasion or encouragement to address their perplexities with intellectual candor and integrity If they dare to acknowledge their theological perplexities at all they are too often told that these perplexities are unimportant or that they can be answered very simply or that they should be left to the experts Guide for the Christian Perplexed written by members of the faculty of Wycliffe College Toronto aims to explore a diversity of issues and questions to do with our knowledge of Jesus the meaning of suffering the function of doctrine the understanding of Scripture the place of other religions the challenge of atheism the pleasures and complications of sexuality the nature of worship the way to evangelize our understanding who our neighbor is locally and globally the diversities of spirituality Here you will find thoughtful reflections and answers to the questions around these issues A study guide is included for individual and group use
