Heroism in the New Black Poetry D.H. Melhem, 2021-12-14 D H Melhem s clear introductions and frank interviews provide insight into the contemporary social and political consciousness of six acclaimed poets Amiri Baraka Gwendolyn Brooks Jayne Cortez Haki R Madhubuti Dudley Randall and Sonia Sanchez Since the 1960s the poet hero has characterized a significant segment of Black American poetry The six poets interviewed here have participated in and shaped the vanguard of this movement Their poetry reflects the critical alternatives of African American life separatism and integration feminism and sexual identity religion and spirituality humanism and Marxism nationalism and internationalism They unite in their commitment to Black solidarity and advancement **American Haiku, Eastern Philosophies, and Modernist Poetics** Yoshinobu Hakutani, 2020-10-29 American Haiku Eastern Philosophies and Modernist Poetics traces the genesis and development of haiku in Japan as it transformed over the years and eventually made its way to the Western world Yoshinobu Hakutani analyzes the prominent Eastern philosophies expressed through haiku such as Confucianism and Zen and the aesthetic principles of yugen sabi and wabi Hakutani discusses several reinventions of haiku from Matsuo Basho s transformation of the classic haiku to Masaoka Shiki s modernist perspectives expressing subjective thoughts and feelings

and eventually to Yone Noguchi's introduction of haiku to the Western world through W B Yeats and Ezra Pound Hakutani argues that the adoption and transformation of haiku is one of the most popular East West artistic cultural and literary exchanges to have taken place in modern and postmodern times *Haiku Origins* Hugo Raines, AI, 2025-05-06 *Haiku Origins* explores the captivating evolution of haiku revealing its journey from classical Japanese poetry to a globally embraced art form Delving into literary and cultural history the book illuminates how elements like kigo seasonal word and kireji cutting word contribute to haiku's layered meanings within its concise structure Haiku's deceptively simple 5 7 5 syllable structure belies its profound artistry offering a unique vessel for capturing fleeting moments and evoking emotions The book traces haiku's roots in earlier Japanese forms like tanka and hokku highlighting its development through the works of master poets such as Basho and Issa Understanding haiku's historical context including the influence of Zen Buddhism and the Edo period is key to appreciating its significance Each chapter builds upon the last beginning with historical predecessors and culminating in an examination of haiku's global spread and impact on other art forms By analyzing original Japanese haiku and critical essays *Haiku Origins* connects to broader fields like history cultural studies and linguistics It emphasizes the dynamic interplay between form and content showing how the constraints of the structure enhance creative possibilities making it valuable to both academic readers and anyone interested in poetry or Japanese culture *The Zen Manifesto: Freedom From Oneself* Osho, 2023-03-17 It is time ripe time for a Zen manifesto The Western intelligentsia have become acquainted with Zen have also fallen in love with Zen but they are still trying to approach Zen from the mind They have not yet come to the understanding that Zen has nothing to do with mind Its tremendous job is to get you out of the prison of mind It is not an intellectual philosophy it is not a philosophy at all Nor is it a religion because it has no fictions and no lies no consolations It is a lion's roar And the greatest thing that Zen has brought into the world is freedom from oneself All the religions have been talking about dropping your ego but it is a very weird phenomenon they want you to drop your ego and the ego is just a shadow of God God is the ego of the universe and the ego is your personality Just as God is the very center of existence according to religions your ego is the center of your mind of your personality They have all been talking about dropping the ego but it cannot be dropped unless God is dropped You cannot drop a shadow or a reflection unless the source of its manifestation is destroyed ***The Columbia Book of Chinese Poetry*** Burton Watson, 1984 Important poets such as T ao Y *Wonder and Loss* Sam Meekings, 2025-10-02 A braided memoir that interweaves the author's personal journey through grief with a guide on how to write about it this book is both Sam Meekings raw account of the death of his younger brother and a step by step breakdown of the memoir writing process With a twin focus on how to heal and preserve precious memories whilst exploring the mechanics of writing about the self *Wonder and Loss* uses personal story writing theories useful strategies and detailed prompts to invite the reader to write alongside Sam on a path that is both painful and profound One of the most straightforward approaches to writing memoir put to page Sam Meekings breaks down the craft of personal

narrative into understandable steps and considerations and provides a sequence of actions and suggestions that are both practical and motivating Allowing readers to take control of their own stories this book shares references to related works as well as new theories from the worlds of neuroscience neurology psychology and creative writing translating them into processes writers can use to remember those lost and to rediscover themselves Compellingly honest and an introspective look at the transformation through grief and loss as it s written readers will learn to both honour and record the memories of those they mourn and to rediscover the person they are and can be

A History of Korea Michael J. Seth,2010-10-16 In this comprehensive yet compact book Michael J Seth surveys Korean history from Neolithic times to the present He explores the origins and development of Korean society politics and its still little known cultural heritage from their inception to the two Korean states of today Telling the remarkable story of the origins and evolution of a society that borrowed and adopted from abroad Seth describes how various tribal peoples in the peninsula came together to form one of the world s most distinctive communities He shows how this ancient culturally and ethnically homogeneous society was wrenched into the world of late nineteenth century imperialism fell victim to Japanese expansionism and then became arbitrarily divided into two opposed halves North and South after World War II Tracing the past seven decades the book explains how the two Koreas with their deeply

different political and social systems and geopolitical orientations evolved into sharply contrasting societies South Korea after an unpromising start became one of the few postcolonial developing states to enter the ranks of the first world with a globally competitive economy a democratic political system and a cosmopolitan and dynamic culture North Korea by contrast became one of the world's most totalitarian and isolated societies a nuclear power with an impoverished and famine stricken population Seth describes and analyzes the radically different and historically unprecedented trajectories of the two Koreas formerly one tight knit society Throughout he adds a rich dimension by placing Korean history into broader global perspective and by including primary readings from each era All readers looking for a balanced knowledgeable history will be richly rewarded with this clear and concise book
