to Cart right now **World War II Love Stories** Gill Paul, Andrew Roberts, 2014 The Second World War played havoc with millions of lives and all over the world lovers were pulled apart often just as their stories together were beginning World War II Love Stories tells the tales of 14 very different couples Some celebrate the everyday encounter like that of US Private Hudson Turner who spotted a pretty girl looking out of an upstairs window while he was on shore leave in New Zealand and called to her to come down and talk to him Others are more dramatic like the story of Violette and Etienne Szabo after he was killed at El Alamein she became a spy in Occupied France ultimately dying for the cause Whatever their final outcome every story is both atmospheric and profoundly moving celebrating the human spirit at times of its greatest trial **Thanks for the Memories** Jane Mersky Leder, 2006-09-30 Thanks for the Memories destroys the historical myth that young men and women went about the business of war and stayed on the straight and narrow path Rather World War II provided new opportunities for sexual experimentation for hasty marriages for flourishing prostitution and for love connections that have stood the test of time Young men in the military far away from family and home did things they might never have done Young women many of whom went to work for the first time experienced a freedom and independence most women had never known Because of the war courtships were cut short couples married more quickly than normal and husbands and wives were often separated for several years Despite attempts to get back to normal after the war and the apparent togetherness of the 1950s World War II had set change in motion heralding the second wave of the women's liberation movement The collective consciousness of World War II revolved around the virtues of bravery sacrifice and commitment Members of The Greatest Generation toed political and social lines in hopes of winning the war They fell into lockstep asking very few questions and breaking few social and sexual mores Or did they In fact World War II was like all wars a time of sexual experimentation and a general loosening of morals It was a time of conflicting emotions and conflicting messages a time of great sacrifice and a time of discovery when some groups especially woman experienced a relaxing of bonds that had kept them in check Thanks For The Memories Love Sex and World War II the true story of how the World War II generation responded to the passions of war and how those passions changed their lives and the relationships between the sexes forever But this book is more than that As Jane Mersky Leder writes Thanks for the Memories opens the hearts and memories of a generation that is dying by one estimate at the rate of more than 1 000 a day It exposes the sexual and romantic escapades of The Greatest Generation and underscores how those four war years revolutionized relationships including those between gays and how it helped set the stage for the second wave of the women's liberation movement Many who never thought their stories mattered Leder writes now feel the pull of limited time and the importance of leaving an accurate account for their children and grandchildren of what it was like to be a young man or young woman during World War II This is their collective story **World War II Love Stories** Gill Paul, 2014 **War Bonds** Cindy Hval, 2015-02-10 A look at love during World War II that celebrates not only the personal sacrifices these couples made to serve their country but also their devotion to one

another San Francisco Book Review America's World War II is most often told through the stories of its great battles when an entire generation of our young men was suddenly thrust across the oceans to represent the New World in deadly combat against the great powers of the Old On sea in the air and on land our boys fought against totalitarian powers that threatened to overturn the American ideal of liberty for every individual even civilization itself But while often forgotten America's women participated too On the home front they were more than willing to share in the hardships of wartime and in countless cases they fairly lived and breathed with support for our troops overseas Whether working in factories or taking care of families rationing or volunteering their unflagging support contributed more to our victories than has ever been told Young people have been falling in love since time began but romance during a global conflagration brought a unique set of challenges The uncertainty of the time led to an abundance of couples marrying quickly after brief courtships Others grew closer through intermittent correspondence in which the soldier was often censored by officers yet true longing from both sides invariably came through It was the worst time of all to try to have a relationship yet amazingly thousands of couples created lifelong bonds From blind dates to whirlwind romances to long separations War Bonds highlights stories of couples who met or married during WWII Each of the thirty stories begins with a World War II era song title and concludes with a look at wartime couples in their twilight as well as when they were so hopeful and young and determined to save the world Illustrated with photographs from the 1940s as well as current ones of each couple War Bonds offers readers a glimpse of bygone days as well as a poignant glimpse of our own During history's greatest war it was no time to start a relationship But many among our young men and women did so regardless and in this book we see how amazingly the war bonds of that World War II generation so frequently endured Love and War Oneta McCarthy, 2008-09-24 This is a love story but it is also a story of World War II It is the story of a young man who had just turned 20 years of age and felt it his duty to answer the call of his country and volunteer for the army of the United States It is the story of his emotions and frustrations his love for the young woman who loved and waited for him to come home and his experiences as he grew into a mature soldier who witnessed the horrors and devastation of war and saw the results of the Holocaust atrocities *World War II Love Stories* Gill Paul, Andrew Roberts, 2014 This tells the stories of 14 couples brought together by war They are love stories that transcend continents and cultures offering a profoundly moving insight into the personal lives of those caught up in the global conflict Jacket **Royal Love Stories** Gill Paul, 2015-01-12 Historically many royal marriages have represented the unions of dynasties with true engagements of the heart notable for their rarity Yet royal couples could fall in love and this book is full of surprises from the undying love that the last Tsar of Russia Nicholas II felt for his Tsarina to the unlikely love that flourished between Louis XVI and Marie Antoinette Amongst them too are less happy loves of Crown Prince Rudolph for his 17 year old lover Countess Mary Vetsera or in the 1940s of the Prince of Sweden refused consent to marry the girl he loved she only became his princess over 30 years later Bringing the reader right up to modern times and touching absorbing

and tragic by turns these stories bring the glamour and the contradictions of royalty vividly to life **Cal and Jo** Jeff Callender,2015-03-21 The true story of a young couple who meet fall in love and become engaged during the uncertain days of World War II Cal Jo is based on 85 letters written in the early and mid 1940s by Cal when he was in training overseas and back home again From very different backgrounds their relationship faces seemingly insurmountable obstacles and Cal's letters lovingly express how deeply he misses Jo He has no idea when he will see her again and plans for marriage give him hope and purpose throughout the war Yet his dream is unexpectedly shattered when he finally returns This story is a remarkable display of resolute determination in the face of grim historic events and a parade of personal challenges Providing stirring inspiration and uplifting encouragement Cal and Jo are two ordinary people whose relationship does not have an easy start yet who choose to be together through one of history's darkest hours **An Imperialist Love Story** Amira Jarmakani,2015-07-31 A curious figure stalks the pages of a distinct subset of mass market romance novels aptly called desert romances Animalistic yet sensitive dark and attractive the desert prince or sheikh emanates manliness and raw sexual power In the years since September 11 2001 the sheikh character has steadily risen in popularity in romance novels even while depictions of Arab masculinity as backward and violent in nature have dominated the cultural landscape An Imperialist Love Story contributes to the broader conversation about the legacy of orientalist representations of Arabs in Western popular culture Combining close readings of novels discursive analysis of blogs and forums and interviews with authors Jarmakani explores popular investments in the war on terror by examining the collisions between fantasy and reality in desert romances Focusing on issues of security freedom and liberal multiculturalism she foregrounds the role that desire plays in contemporary formations of U S imperialism Drawing on transnational feminist theory and cultural studies An Imperialist Love Story offers a radical reinterpretation of the war on terror demonstrating romance to be a powerful framework for understanding how it works and how it perseveres **World War II in Literature for Youth** Patricia Hachten Wee,Robert James Wee,2004-11-10 This comprehensive volume provides a wealth of information with annotated listings of more than 3 500 titles a broad sampling of books on the war years 1939 1945 Includes both fiction and nonfiction works about all aspects of the war Professional resources for educators aligned to the educational standards for social studies technical references periodicals and electronic resources a directory of WWII museums memorials and other institutions and topics for exploration complement this excellent library and classroom resource **We are Going to be Lucky** Leo Miller,Diana F.
