

Death Love

POETIC T

I had a relationship with death, she had a grip
on my heart. Saying I was her only one,
but I knew there were others.

That I wasn't her only one, she had an embrace
of love on others hearts. She was by my bedside
whispering what was and could have been.

Her breath is cold on my soul, does she realize the
pain in my heart. I had an affair with death,
she was by my side saying we would be together forever.

She kissed me and I vacated this place, never to see
her again. I loved her till the end, but now she has
another's heart playing his strings till death does part

Life, Love and Death in Latin Poetry Stavros Frangoulidis, Stephen J. Harrison, 2018-03-19 Inspired by Theodore Papanghelis *Propertius A Hellenistic Poet on Love and Death* 1987 this collective volume brings together seventeen contributions written by an international team of experts exploring the different ways in which Latin authors and some of their modern readers created narratives of life love and death Taken together the papers offer stimulating readings of Latin texts over many centuries examined in a variety of genres and from various perspectives poetics and authorial self fashioning intertextuality fiction and reality gender and queer studies narratological readings temporality and aesthetics genre and meta genre structures of the narrative and transgression of boundaries on the ideological and the formalistic level reception meta dramatic and feminist accounts the female voice Overall the articles offer rich insights into the handling and development of these narratives from Classical Greece through Rome up to modern English poetry *Propertius: A Hellenistic Poet on Love and Death* Theodore D. Papanghelis, 1987-05-28 The bond between love and death has long been recognised as a defining characteristic of the elegies of Propertius but scholars have rarely clarified how or to what degree Propertius differed from other love poets in associating these themes In this book Dr Papanghelis traces the radical way in which Propertius dealt with amorous and morbid fantasies in his poems He argues that the modes of erotic expression used in the elegies are fundamentally unconventional to the point that the definitions of love and death are interdependent This book offers a detailed reading of some of the most stimulating and problematic of Propertius elegies offering fresh insight on the question of the poet's sensuous temperament and the significance of the love death relationship in his works *Poems of Love and Death* Cecil Hall, 2011-06-01 Love and Death in Goethe Ellis Dye, 2004 Explores the central theme of Romantic poetry in the works of the most important German Romantic poet of all Goethe in association with his younger Romantic compatriots the Schlegels Novalis Fichte and Schelling struggled with the subject object dichotomy and tried to bridge the gap between self and other consciousness and nature His theory and practice prefigured the Romantics determination to display and interrogate the linguistic and cultural structures informing their own thinking and modes of representation what Goethe calls one's *Vorstellungsart* His work exploits subverts and supplants inherited conventions and signs demonstrating with virtuosic irony that literature is a system of texts pre texts and pre established but dynamic conceptual models Love and Death in Goethe One and Double explores Goethe's use in a wide range of his poetry and prose of the theme of *Liebestod* love and death and related embodiments of the paradox of unity in duality Ellis Dye also examines Goethe's use of other themes related to love and death the *femme fatale* the *vagina dentata* *Frau Welt* the *Lorelei* venereal disease the *Lustmord* and considers issues of selfhood and individuation as well as the possibility that the love death theme contains an implicit gender bias toward the existential fact of personal separateness *Poems* plays and novels are dealt with nevertheless as works of art not only as illustrations of an idea or as points of intersection in a system of rhetorical
