Love And Death In Kathmandu A Strange Tale Of Royal Murder:

Love and Death in Kathmandu Amy Willesee, Mark Whittaker, 2004-07 A riveting investigation of a devastating crime the full story of the June 2001 massacre of Nepal's royal family by the heir to the throne *Love and Death in Kathmandu* Amy Willesee, Mark Whittaker, 2014-05-27 On June 1 2001 the heir to the Nepalese throne Crown Prince Dipendra donned military fatigues armed himself with automatic weapons walked in on a quiet family gathering and without a word mowed his family down before turning a gun on himself But Dipendra did not die immediately and while lying in a coma was declared king He was now a living god Award winning journalists Amy Willesee and Mark Whittaker set out to understand what could have led to such a devastating tragedy one that fascinated and appalled the world Exploring Kathmandu and other parts of the kingdom they conducted exhaustive interviews with everyone from Maoist guerillas to members and friends of the royal family gaining insight into the people involved in and the events behind the massacre At the heart of the story is the love affair between Dipendra and the beautiful aristocrat Devyani Rana whom he was forbidden to marry Culminating their portrait of Nepal is a chilling reconstruction of the events of that fatal day As conspiracy theories circulate and rebels threaten to topple the monarchy the future of this small Himalayan kingdom promises to be as tumultuous as its past Revealing a country where the twenty first century mingles uneasily with the fourteenth *Love and Death in Kathmandu* is both an enlightening portrait of a place that is a world apart and a riveting investigation of an incredible crime **Three Plays of Maureen Hunter** Hunter, Maureen, 2003 Book is clean and tight No writing in text Like New **Demoting Vishnu** Anne T. Mocko, 2016 This book examines how public ritual once placed kings at the privileged apex of Nepal's government and how in the 21st century those same rituals stopped serving the king and turned instead to authorize party based politicians Ritual upheaval undermined the institutional logic of monarchy and demonstrated that kingship was contingent dispensable *Famous Assassinations in World History* Michael Newton, 2014-04-17 Representing a unique reference tool for readers interested in history criminology or terrorism this book provides the most complete and up to date coverage of assassinations of key figures throughout history and around the world Effecting the death of a political figure a leader of a nation or a public figure usually captures people's attention But how often is assassination effective to achieve the larger objective beyond the death of the targeted individual *Famous Assassinations in World History* An Encyclopedia offers more than 200 entries on assassinations of all kinds that will allow readers to grasp the often complex motivating factors behind each event and better understand historical and contemporary social unrest Each entry identifies the assassination target and summarizes that person's significance discusses the person's assassination including the factors that led up to it and its political and cultural contexts and explains the powerful effects of the assassination in world history The encyclopedia also includes various sidebars that spotlight relevant individuals groups and movements and present intriguing factoids such as the final disposition of notorious assassins weapons and various films and novels that were inspired by famous

assassinations In addition 23 primary source documents provide accounts of assassinations throughout world history

Courtly Indian Women in Late Imperial India Angma Dey Jhala, 2015-10-06 Examines the political worldview of courtly and royal women in India during the late colonial and post Independence period This book offers a history of the zenana which served as the women's courts or female quarters of the palace where women lived behind pardah in seclusion

Attention and Alienation Aarushi Bhandari, 2025-07-22 The worldwide spread of the internet has revolutionized communication at a harrowing cost the relentless commodification of attention Algorithm driven capitalism extracts profit from not only physical bodies but also the emotional and creative labor of internet users This economic system alienates us from our inmost selves and gives us only a gnawing longing that cannot be satiated a spiraling collective mental health crisis The exchange is deeply unequal we pay attention and receive alienation Aarushi Bhandari offers a new way to understand the political economy of attention combining quantitative analysis and personal narrative to critique the role of information and communications technologies in global society Ranging across levels from international development policy to online social movements through individual internet users she examines how these technologies have fostered a host of unequal exchanges Pervasive inequalities between richer and poorer countries between progressive social movements and the reactions against them and between technological elites and the online population now reinforce one another with far reaching consequences Along the way Bhandari shares her own journey as a chronically online millennial woman growing up among the Kathmandu elite in a dominant caste Hindu family during the Nepali Civil War A bold and incisive critical analysis Attention and Alienation also considers how to reclaim the potential of the internet and design new systems that prioritize collective well being

Self-Determination & Constitution Making in Nepal Surendra Bhandari, 2014-04-28 This book systematically analyzes why constitutions do not survive in Nepal despite sixty years of constitutional history The author discusses the epistemology of ethnic federalism in Nepal and examines the challenges of nation building and post nation constitutionalism The work addresses the connection between ethnic identity right to self determination constitution making and state restructuring offering possible ways forward for Nepal Chapters consider lessons to be drawn from the past and examine reasons for the abolition of monarchy in Nepal The book highlights the major problems that the first elected Constituent Assembly CA faced in promulgating a new constitution before it was dissolved in 2012 The concept of right to self determination and its complexities at the domestic level are all explored along with ways forward to address the problem of constitutionalism ethnic federalism and democracy The author offers solutions as to how the second CA could address problems to promulgate a new constitution The book elaborates on the role that constitutionalism plays in constitution making and the survival of a constitution Scholars of politics and international studies policy makers and those with an interest in law and constitution in Asia will all find this work of interest

Nepal Krishna P. Bhattarai, 2009 The information packed volumes in this series provide comprehensive overviews of each nation's people geography history government

economy and culture while taking readers on a voyage of discovery to far away lands **The Raj Lives** Sanjay Upadhyaya, 2008 History geography religion and culture have bound Nepal and India into an extraordinary relationship While many Nepalis actively participated in India's Independence movement New Delhi too has played an important role in the political evolution of its landlocked northern neighbour These elements of affinity exacerbated by asymmetries in area and population are however responsible for the rancour underlying the uneven relationship Many Indians like most Nepalis are also exasperated by the resentment this proximity has produced Preconceived notions and outright prejudices have tightened this embrace of estrangement New Delhi's big brother act has been stifling for many Nepalis This was more pronounced when Nepal got painted red with the incessant battering of the Maoist rebels and was split between monarchy and republicanism This book takes an unconventional approach to India Nepal relations Devoid of the abstractions of the academic tomes that fill up bookshelves this volume also steers clear of the detachment of a historical account The book draws from a plethora of documents in the public record though it also relies on the author's personal experience The provocative title encapsulates the crisp message How independent India has virtually adopted British colonial policies towards Nepal By elucidating the misgivings and follies that have long constrained the relationship the book sets out to explore the inherent possibilities **Talking Book Topics**, 2006-07 **The Royal Nepal Army** Ashok K. Mehta, 2005 Very little is known about Nepal except for its beautiful mountains Still less is known about its people their poverty and underdevelopment and its fallout the Maoist uprising Even less has been heard about the Royal Nepal Army RNA till the Maoists pulled it out from its barracks Reluctantly RNA transformed from a ceremonial mainly UN peacekeeping Force into a field army struggling to find the will and wherewithal to meet the challenge posted by the Maoists The RNA is the creation of the feudal Rana and Shah rulers to whom it swears allegiance After the February 1 2005 Royal coup the King has placed center stage the RNA the symbol of his moral political and divine powers all rolled into one The Maoist war is about rolling back the feudal order establishing a multiparty democratic republic with a reformed RNA under civilian control The challenge for the RNA is in containing regaining eighty percent of land under Maoist control and winning back the people swayed by the Maoist cause With democratic institutions snuffed out this is a tall order The Maoists are unlikely to take Katmandu because their power to intimidate and terrorize is far greater than their finite military capacity In the ongoing war a stalemate has not been reached This book tells you not only the story of the Maoist uprising but also for the first time why the RNA was not used sooner to counter the Maoists The Publishers Weekly, 2004 Far Eastern Economic Review, 2004-07 Asia's premier business magazine The magazine reports on politics business economics technology and social and cultural issues throughout Asia with a particular emphasis on both Southeast Asia and China **American Book Publishing Record**, 2003 *The British National Bibliography* Arthur James Wells, 2005 **Cassette Books** Library of Congress. National Library Service for the Blind and Physically Handicapped, 2006 *South Asia*, 2006 Library Journal

,2004 *Screen International Film and TV Year Book* ,1991
