Love And God:

Falling in Love with God Bob Hostetler, 2014-06-30 Every human heart longs to love and be loved And every heart is unfulfilled until it falls in love with God Why does anyone want to fall in love With anyone Perhaps it is because we instinctively recognize that love is the most pleasurable of all human sensations Love makes us feel good It satisfies our deepest needs And if falling in love with another human being can do all of those things how much more powerful could it be to fall in love with God FALLING IN LOVE WITH GOD answers that question Drawing from the ancient love story of Hosea a prophet whose life and prophecy map how to fall in love with God this book will fulfill the desires of all who long for a different or deeper relationship with God This thoroughly biblical book will help and bless readers who long to love God with all their hearts but just aren't sure why they don't if they could or how it happens *Treatise on the Love of God* St. Francis de Sales, 2013-08-20 Treatise on the Love of God is a manual intended to help believers strengthen their devotion to God De Sales describes his project by saying it is truly my intention to represent simply and naively without art still more without false colours the history of the birth progress decay operations properties advantages and excellences of divine love The Treatise is divided into twelve books The first four books explain the nature of the human soul and provide the history of divine love Book Five explores the two principle exercises of love namely sacred complacency and benevolence Books Six and Seven discuss the importance of practicing love through prayer while Books Eight and Nine express the importance of submitting to God's will The final three books are devoted to exploring the practical importance of God's holy love in our lives De Sales Treatise is a captivating depiction of love The Love of God Christopher W. Morgan, 2016-09-30 Our understanding of the love of God has been tragically distorted The comfortable sentimentalized version we commonly encounter today is far from the biblical depiction of God's love Featuring contributions from well known evangelical scholars this multi disciplinary study presents the biblical view of the love of God from the perspectives of systematic theology biblical theology apologetics pastoral theology and ethics The contributors including D A Carson Andreas J Kstenberger Raymond C Ortlund Jr Robert L Plummer and many others address a variety of issues related to how God's love is expressed in the Old and New Testaments the Trinity apologetics Christian living social justice and more This addition to the Theology in Community series will promote clear sound thinking about what Scripture means when it declares that God is love Part of the Theology in Community series *God of Love and God of Judgement* Stephen K. Moroney, 2009-07-06 How can a God of love also be a God of judgment If God loves everyone what is the point of judgment Does God change from being wrathful in the Old Testament to loving in the New Testament Can we discern God's judgments in current events such as hurricanes and personal tragedies Is it ever right for humans to judge These are not just daunting issues for theologians to ponder They are urgent questions for everyone Our answers profoundly affect how we relate to God and how we live with one another Coming to grips with these issues is vital for our spiritual journeys Many people today emphasize God's love and downplay his

judgment The problem with this approach is that God's judgment is taught in Scripture from the beginning of Genesis to the end of Revelation and it is a core part of the gospel preached by Jesus and his apostles There are problems at the other end of the spectrum too when we believe in a God of judgment who is not also a God of love It is impossible for us to find spiritual peace when we live in constant dread of God pictured as a harsh judge whom we can never please This book calls us to embrace a more full biblical image of God one that joins his love and judgment together Additionally the book shows that as those who are made in God's image we can fuse love and judgment together constructively in our own daily lives *Love, God* Deborah J. Simmons-Roslak, Linda J. Orber, 2018-10-03 Take a Moment to Listen Come gentle child come rest in my heart for I am here deep within your own If you can still yourself just for a moment you can hear me whisper your name You can hear me whisper the depth of my eternal love for you in this moment and always Let me quiet your frightened mind and hold your unsettled heart for I will give you peace the very moment you ask Let me fill your heart with my love and wrap my arms around you in absolute tenderness and grace In that moment you will know with certainty that I am forever with you Love God This book is an invitation to God's loving presence It is an invitation to deepen your relationship with God It includes a quote from a spiritual leader commentary a Bible quote and a guided meditation It also includes a moment to fully imagine God speaking directly to your own heart This gives you an invitation to learn to turn to his love and presence throughout the day and into the evening As you open your heart you will learn again and again that God is there with you You are never alone

To Love as God Loves Roberta C. Bondi, 1987 Being a Christian means learning to love with God's love But God's love is not a warm feeling in the pit of the stomach It has definite characteristics we learn in the course of our life in the behavior and teaching of the early monastics as we ponder over what we can say about God as God deals with us and finally as we model our own lives on what we have learned

Why We Should Love God? George L. Miller, 2015-06-12 *I Love Him, I Love Him Not, I FINALLY LOVE HIM* Laurie Russell, 2013-07-01 As a missionary preparing for a Bible study Laurie Russell was troubled and began to doubt her love for God Upon sharing her concern with colleagues she was met with shock blank stares and trite promises that all would be well Russell set off to reunite with God and find answers to the hard honest questions that had separated her from God In *I Finally Love Him* Russell tackles questions such as How can I love a God who allows natural disasters and terrorism Why does serving Him leave me busy and burned out instead of energetic and joyful What does it mean to love God Throughout her rediscovery Russell shares raw transparent stories that will have you laughing one moment and crying the next Whether you're struggling in your faith or have a rock solid love for God *I Finally Love Him* promises to bring you another step closer on your journey to knowing understanding and truly loving God

Overcoming Degradation Through the Love and Brilliance of God Jerry Davis,2010-12-27 The truth is we are all just a little bit crazy in some areas of our life to a whole lot of crazy Being miss directed is one of the things mankind has in common as the various forms of insanity work the same way in every one of us We've all been programmed to unknowingly believe in a host of lies and it's our belief in the need to uphold the lies that do us in There are laws that pertain to the universe These laws cannot be broken without creating diverse consequences With every action there is an opposite reaction of effect And where do the decisions we make come from They generally come from our minds The question then becomes Whose controlling the mind If your mind is at work and in agreement with you then you would rightly say you are controlling your mind But if you occasionally find that your mind is working against you then you should consider you are not solely in control Jesus referred to Satan as the father of lies I intend to show how the workings of evil are constructed through the placement of lies and how these lies in combination are at work to disrupt our lives I will show how the longest and greatest lie is packaged and how the six major steps that makes up a combined package works powerfully against you Then I will show how the effects from the lies get all mixed in with the pain you experience and how the end results can be devastating This book is about our need for revelation and offers the reader an opportunity to begin a personal journey with life as it truly is This is a lifelong journey in Spirit and truth and it begins with your full recognition of the need for having God working continuously in your life *How To: Love God Successfully* John Nolan,2020-01-01 This teaching focusses on what Jesus taught was the greatest commandment of all Harmony of the Acts of the Apostles and

Happiness Edmond Holmes,1919 **I LOVE GOD, NOW WHAT? Book I Days 1 - 91** Steve Haines,2025-08-21 Like any professional Pastors can be busy people Often the demands upon their time are myriad The time when I first came to accept Christ as my Lord was wonderful beyond measure Although my Pastor was eager to introduce me to Christ he was not as intimately available to guide me in the aftermath of that wonderful moment You see having accepted Christ as Savior guarantees the blessing of eternity with Christ but the new believer still has the rest of his or her life to negotiate There are lots of things to learn but in big churches people can get lost in the crowd and fall through the cracks and in small churches well there is only so much a small staff can do So I stumbled around for a long time very gradually figuring out how to navigate the world and still hold to my faith in Christ I remember thinking There has to be a better way than this These discussions are part commentary part history part blessing and part questioning There s a little bit of everything I ve put considerable thought into writing these things and I want you to get some benefit some blessing from them Think about what you read You might be provoked to irritation or to curiosity or to laughter Try to apply the thoughts to your life But the bottom line is if you don t read you won t benefit This first book that you are holding tries to answer some basic questions Why should I fear God Why should I trust Him Who am I in Christ What is the nature of sin Following books talk about the Jewish Festivals and their profound meaning about God s Constitution Matthew chapters 5 7 about God s manifested love what it means to be Grafted In to God s family how to know Jesus and what it means to abide in Christ I hope you stick around to the end Every life has its ups and downs and after several cycles of this I was fed up and began to look for answers I found this crazy new church which was meeting in a hotel conference room I remember people all around me speaking in these strange indecipherable ways people falling down on the floor and generally acting nuts I remember thinking Why am I here God had a plan but I was not awake to it But I stayed out of curiosity if nothing else and eventually God began to draw me in Since then God has led me on a wonderful journey Where once I had a sort of vague notion of God He used personal struggle to draw me closer to him Where once I looked at everything from a performance oriented point of view He taught me the true value of the love of Christ Where once I had to be doing things for Christ He taught me the value of resting in the presence of Christ I want people to understand these things I want everyone to experience the intimate presence of Christ in their lives I want everyone to see real time answers to prayer as I have I want people to understand that humble submission to God is the answer to every struggle every problem and every stress
