Aki,2017-01-24 My Heart After Esther could be considered a philosophy of love in the skin of a romance novel or a romance novel in the skin of a philosophy of love but it is ultimately a story about love and philosophy in a way that romances the two In this work of literary meta fiction two stories are interwoven into one The first story is about the translator of the second story Gustav Z Itohahn and his love for the author and his work he is translating the mysterious pseudo philosopher Jorge Manuel Belmarez In the second story we read Itohahn s presentation of Belmarez s story of love which dares to challenge every idea of love and marriage from the vow till death do we part to the old courtly love edict that marriage is no proper defense against love This new take on philosophical fiction may somehow find itself in the memory of its readers as more than an experiment in story telling but truly an experiment in challenging our deepest ideas and beliefs **A Child of Love** Margaret Grant,1904 Love in a mist, a drama in blank verse Keningale Robert Cook,1882 **The Complete Concordance to Shakspeare: Being a Verval Index to All the Passages in the Dramatic Works of the Poet.
