Prefontaine,2015-11-27 Interviewer Why do you love quotes Author Everybody loves quotes don t they Words are what we
use to think and the best quotes are the most effective way to express those thoughts Interviewer Are these quotes any use
Author They have lots of uses They can order our thoughts expressing an idea that we haven t managed to put into words
before They can be used in conversation or communications to succinctly express what you are trying to say People often use
them in speeches to provide amusement and to get across the point they are trying to make more effectively People also use
quotes to provide inspiration or motivate them to do a task which they are finding difficult If you can capture why you are
doing something in a single phrase then it can help you give purpose to what you are doing In addition there is the personal
kudos of providing succinct wisdom if you can find the right time to use them People may not mistake you for Albert Einstein
or Oscar Wilde but some of the magic dust will rub off Interviewer How do you pick quotes Author There are plenty to choose
from People are saying things all the time some more memorably than others Often I see quote books that are little more
than a collection of words When I am going through quotes I will often get one that zings and really resonates It could be
funny it could be inspirational it could be anything but what it has done is express something in a way that stops you and
makes you think That is what I have tried to collect in The Big Book of Quotes I hope that some will resonate with the readers
