Love Cafe:

Second Chances at the Little Love Café Lucy Mitchell, 2024-08-01 From the author of *The Car Share* Her broken heart is bad for business but can a partnership with her first love save the day If she's honest Alice has stopped believing in the power of love Finding your fiancé in bed with a woman he met during his bachelor party will do that So when Alice's first love Noah the one who got away reappears in her seaside hometown after more than twenty years the cynical single mom doesn't know how to feel However when Alice and Noah are left in charge of The Little Love Café while the owner goes abroad her jaded attitude has a negative effect on the business And soon the heartbreakcafé threatens to start trending She's on a sure path to self destruction a family feud is brewing and the café is in peril Can anyone help them turn things around Or is The Little Love Café doomed to close its doors for a final time Praise for Lucy Mitchell Mitchell's writing is deliciously funny and has so much heart Sandy Barker author of *One Summer in Santorini* **Love, Coffee, and Revolution** Stefanie

Leder, 2025-06-10 Deftly weaving romance action and humor with a quest for integrity in an unjust world *Love Coffee and Revolution* is a timely and relatable coming of age novel Dee Blum has a plan Or rather her parents do Graduate college Go to law school Become a divorce attorney Be successful But Dee wants more more purpose more passion more than checking off someone else's boxes So when she lands a surprise gig leading eco tours of coffee farms in Costa Rica she bolts leaving behind everything she's ever known in search of a fresh start What she finds is both intoxicating and overwhelming lush coffee farms a little too much freedom and two very different men Adrián is charming sexy and politically all wrong Matias is a visionary change maker who sets her heart and mind on fire She's drawn to both and utterly confused Which one will fit the future that's just starting to come into focus Just as Dee starts to feel semicapable navigating a new culture a new language and a new job she's wildly underqualified for she uncovers a truth she can't ignore Some of the ethical coffee farms are hiding dark secrets ones that threaten the environment and the very farmers they claim to support In over her head but not alone Dee finds unexpected allies in Professor Ramirez a legendary academic with a storied past and Tom's an entrepreneurial sixteen year old whose unshakable optimism might be exactly what she needs With their help Dee sets out to uncover just how deep the corruption goes and what if anything they can do to stop it Now Dee must ask herself How far will she go for justice For love And for the life she actually wants Café Passion Ellé Bell, 2013-09-23 There he was and I saw

him dark rich handsome standing so close leaning into me against the bathroom door His dreamy gaze met mine and he flashed an irresistible smile He took my breath away and my goodness smelled so good I breathed him in Coffee I gasped Where have you been I have been waiting for you He leaned even closer to me I felt his steamy breath caress my neck This book is actually a love manuscript An incredible against the odds love story of the two most unsuspecting of lovers my coffee and me From that innocent first luring glance when our eyes met our romantic adventures sensual encounters and every thought and feeling in between is a part of this home spun love tapestry Coffee lovers everywhere will relate and eventually I
