Midwinter Day takes us from awakening and emerging from dreams through the whole day morning afternoon evening night to dreams again a plain introduction to modes of love and reason Then to end I guess with love a method to this winter season Now I ve said this love it s all I can remember Of Midwinter Day the twenty second of December **Joseph and Judith, Or, A Bundle of Old Love Letters** Edward Cary Bass,1906 **The Wolves of Midwinter** Anne Rice,2013-10-15 NATIONAL BESTSELLER The tale of The Wolf Gift continues It is winter at Nideck Point and for Reuben Golding now infused with the Wolf Gift this promises to be a season like no other Oak fires burn in the stately flickering hearths and the community organizes its annual celebration of music and pageantry Reuben is preparing to honor an ancient Midwinter festival with his fellow Morphenkinder a secret gathering that takes place deep within the verdant recesses of the surrounding forests However Reuben is soon distracted by a ghost Tormented imploring and unable to speak it haunts the halls of the great mansion drawing him toward a strange netherworld of new spirits or ageless ones And as the swirl of Nideck s preparations reaches a fever pitch they reveal their own dark magical powers **A Midwinter's Tail** Lili Hayward,2023-10-12 A wonderful tale of love loss and community with folklore and magic I adored it LIZ FENWICK A town in need An extraordinary cat A season for miracles It s nearly Christmas and committed Londoner Mina Kestle is close to signing a deal that will make her career and give her everything she s ever wanted And then she receives a mysterious letter in the post along with an ancient key sent by her long estranged godfather Davy Penhallow is an artist who lives on the tiny Cornish island of Morgelyn with only his pet cat Murr for company Mina hasn t seen or heard from him in decades but now it seems he wants her to look after his cottage and his cat while he recovers from a stroke in hospital Mina doesn t know why Davy has written after all these years but she intends to do what s right sort out the cottage and the cat and then get back to London in time for her career saving meeting before everything she s built comes crashing down around her But the more time Mina spends in the cottage looking after Murr and remembering the magic of Cornish folklore the harder it becomes for her to tear herself away And when she discovers that a set of ruthless property developers are coming for Morgelyn she realises she might be the only one who can stand in their way to save the island Davy s cottage and Murr s home As Christmas draws ever closer and echoes of the past her own and the island s wash up in her memory Mina begins to unravel a generation of secrets and discover what it is she has truly always wanted The perfect magical read to cosy up with on chilly winter nights WINNER of The Fantasy Hive s Short and Sweet award 2023 *Legends of Life and Other Poems* Bertha Elsberg Oppenheim,1921 **Collected Poems** Alfred Edgar Coppard,1928 Coriolis S.R. Osborn,2024-11-27 3 AM interruption of dreams awaken to admire the hovering moon framed perfectly in the window square yellow world of silent night aglow of Autumn s nocturnal light beaming thru the room streaming thru the dreaming Invasion of the make believe I run back to reality which though seems to be no less real Startled by the departure from the haven of magical creation where I am you and you are me and kitty is all three And beyond the other side of night you walk softly in the gentle part of morn by

the brook adjacent to your nook and to the sky you look for the source of music in the moon for you a translucent spoon which fed the pulsing rumble of a boom to you And back across the ocean s gulf which the corpus shan t not cross I stare into the yellow moon and stream the pulsing of the boom that is the beating of my heart scant contained by the little room Just as much a dream are you as that from which I d awoken too soon so fight for the concrete feel of the solid real when your soundless tune filled my room crosscurrents from that streaming moon Your subtle Self I entertained in collaboration of the heart where words unspoken your poesy tokens currency I received with a thunderous start Busy space of little room awash with yellow moon Magnanimous thoughts penned by hand I yet heard spoken from your lips which as if to steal your breath that thru them healed a thousand times I softly kissed in some alternate land where we had not missed And I held you close your head upon my shoulder your warm hot hand I held with mine so that what words I whispered in your ear would not fail a response dear of your spoken poesy seer that d burnish from our moments near nearly soundlessly come of your sweet lips
