Silent Thoughts Angus Dike,2013-09-26 Gods word stretches as a parapet from the eternal past across the present into eternity Christ has journeyed between the times In His word He instructs and by His spirit He guides us into the age to come Beyond space and time well above the realms of human language and thinking God speaks and what He says none can annul The word of God is so meaningfully structured and arranged such that one cannot add subtract or change one verse one word one chapter or book without impairing on the harmony and meaning of the whole By the word our hearts are assayed our deeds are graded and words are judged The underlining structure forms and functions of the universe are based on the word of God the eternal emblem crest and seal on all creation Everything is controlled from the centre the scientist calls it the nucleus but I call it the word the centre and source of all life The Holy Spirit is the glue that holds the bits and pieces of the scriptures together if we neglect Him the scriptures will fall apart The Christian is limited not by his physical abilities or lack of it but by his spiritual insights and revelations his knowledge of Gods word and will Never look down to test the ground before obeying the voice of God if you are willing to take the risk God will confirm His word with great testimonies Each verse each chapter and book of the bible is a complete whole yet a part in a larger whole and must be interpreted in line with the larger whole the Bible Never allow yourself to become a slave to the tyrants the errand sons of hell Use the sword of the spirit the word of life

My only worst fear is being forced out of this grave that I live in Back into the life that I hide A past that I reminisce it was
always bad choices Bad choices Bad choices And now it's consequences Consequences Consequences Now I stand behind
steel bars and barbed wire fences Facing a five year sentence I've been criminalized And given a label as unstable They've
taken my youth and given me but a second chance at bail As I stand before the judge he asks me do you think this is proper
justice But it's kinda hard to think about that when I'm staring at my mother through a wood and glass booth Twelve years
old cuffed and shackled her tears hit me like bullets I'm breathless Can hardly catch my breath to plead guilty But what
innocence do I have left Guilty is the verdict Pleading otherwise would just be reckless But never mind that my face says it all
The judge knows I'm guilty It doesn't take 21 questions from the jury to detect this Live once die twice When you're already
dead inside Living is just a sacrifice *Messages from Heaven* Joann Baumann, 2008-02
