

A family portrait set in a classic, dimly lit room with dark wood paneling and heavy red curtains. A man in a dark blue suit stands behind a woman and two children. The woman is seated, holding a doll, while a young girl sits to her left. The scene is intimate and warm.

Love Or Nothing:

The Early Days of Faith and Love; Or, the Soul Arising to Newness of Life Mary Ann Serrett BARBER, 1847 **Love or Perish [Expanded Edition]** Dr. Smiley Blanton, 2017-07-31 The New York Times called this famous guide to a more rewarding life sound and solid the product of a richly furnished mind a book of wisdom Written by one of America's most distinguished psychiatrists Dr Smiley Blanton it has already found its way into some 200 000 American homes Hundreds of readers have written to the author saying they were helped inspired and wanted more In response to these letters Dr Blanton added an enormously valuable new section showing how men and women of all ages can give themselves a second chance at happiness this section titled On Making a Fresh Start is included in this Expanded Edition which was first published in 1957 I believe that it is possible to achieve an emotional change with the insight developed through books Books can make a change in one's philosophy and attitude toward life That is why so many books of the world are so deeply cherished It is in this hope that I write in an effort to bring to people the hard won truths of my observation over many years of life and during more than forty years of practice in psychiatry Dr Smiley Blanton Introduction **Total Worship** Lucky L. Selepe, 2015-02-27 Lucky Selepe expounds the valiant power of worship and how you can voluntarily provoke the active presence of God even during overwhelmingly stressful situations He goes beyond worship in song and outlines significant elements and practical examples of acts of worship He shows how worship is the deepest level of communion with God In Total Worship you can Learn how to create an atmosphere of worship See the invisible God Learn how you can practice the presence of God Understand how you were designed to worship and much more **Eugene O'Neill's Creative Struggle** Doris Alexander, 2010-11 In Eugene O'Neill's Creative Struggle Doris Alexander gives us a new kind of inside biography that begins where the others leave off It follows O'Neill through the door into his writing room to give a blow by blow account of how he fought out in his plays his great life battles love against hate doubt against belief life against death to an ever expanding understanding It presents a new kind of criticism showing how O'Neill's most intimate struggles worked their way to resolution through the drama of his plays Alexander reveals that he was engineering his own consciousness through his plays and solving his life problems while the tone imagery and richness of the plays all came out of the nexus of memories summoned up by the urgency of the problems he faced in them By the way of O'Neill this study moves toward a theory of the impulse that sets off a writer's creativity and a theory of how that impulse acts to shape a work not only in a dramatist like O'Neill but also in the case of writers in other mediums and even of painters and composers The study begins with *Desire Under the Elms* because that play's plot was consolidated by a dream that opened up the transfixing grief that precipitated the play for O'Neill and it ends with *Days Without End* when he had resolved his major emotional philosophical struggle and created within himself the voice of his final great plays Since the analysis brings to bear on the plays all of his conscious decisions ideas theories as well as the life and death struggles motivating them documenting even the final creative changes

made during rehearsals this book provides a definitive account of the nine plays analyzed in detail *Desire Under the Elms* *Marco Millions* *The Great God Brown* *Lazarus Laughed* *Strange Interlude* *Dynamo* *Mourning Becomes Electra* *Ah Wilderness* and *Days Without End* with additional analysis of plays written before and after **All for Love: Or, The World Well Lost** John Dryden,1774 **The Future of Love** John Milbank,2009-01-01 With a newly written preface relating his theology to the current global situation *The Future of Love* contains revised versions of eighteen of John Milbank's essays on theology politics religion and culture ranging from the onset of neoliberalism to its current crisis and from the British to the global context Many of the essays first appeared in obscure places and are thus not widely known Also included are Milbank's most important responses to critiques of his seminal work *Theology and Social Theory* Taken together the collection amounts to a political theology arrived at from diverse angles This work is essential reading for all concerned with the current situation of religion in the era of globalization and with the future development of Radical Orthodoxy *The Christian's Great Interest* William Guthrie,1769 **All for love or, The world well lost. A tragedy, as it is acted at the Theatre-Royal; and written in imitation of Shakespeare's stile** John Dryden,1768 *Way of Love* Norman Wirzba,2025-10-30 *Way of Love* invites readers to discover the Christian faith as a school that forms people in the practices of love Love is the heart of Christian life because believers are called to follow in the footsteps of the God who is love While attending to Scripture and the lives of saints and strugglers Wirzba shows why love is hard but also why it is necessary for the healing of our communities and world *Way of Love* is unique because it shows that love is both a practice and the key to understanding what Christian teaching is fundamentally about and why it matters for our daily lives In a time when an increasing number of people see religion as irrelevant and Christian faith as mired in rancor and hate Wirzba challenges Christians to a better way that prioritizes care and compassion for people and for the whole of creation **Is it Love... Or Merely a Sick Attachment?** Pam Reaves,2011-07 Sometimes all you need is a fresh perspective and through heart wrenching short stories and gripping news headlines author Pam Reaves unmask the devastating difference between true love and toxic relationships This isn't your grandma's love story but a modern day look at the complications of lustful love brought on by fairy tale expectations Scripted TV romances and melodramatic movie magic have jaded our society's perspective on love and helped to raise our overwhelming divorce rates Pam provides fictional examples that clearly define for readers what real love is and what just love of an idea is This straight talking style of writing will help you gain the courage to right the romantic wrongs in your life and embrace the kind of love that you deserve *The God of the Old Testament: Love or Vengeance?* G. David Bedney,2024-02-27 Have you ever wondered why in the Old Testament God wiped out an entire population in a global flood except for one family Or why when giving the land of Canaan to the children of Israel He commanded the destruction of the entire Canaanite nation Does this sound to you like a loving God or does He seem more like a vengeful tyrant or egomaniac demanding service and worship On the other hand there's the God of the New Testament Jesus the Messiah He is

loving and patient caring and selfless not at all like the God of the Old Testament right He even gave His life for the people He loves So how do we reconcile this picture of God as seen in the life of Jesus with the picture of God in the Old Testament Are there two different Gods Or perhaps this shows two different sides of the same God with the Old Testament displaying God's justice and vengeance toward the sinner while the New Testament shows His mercy and forgiveness In this book the author seeks to offer the reader an alternative perspective one that is biblically and historically founded in recorded Old Testament events revealing God's unconditional love for His creation throughout the Old Testament As we explore Old Testament stories it should become quite clear that the God of the Old Testament is just as loving patient and long suffering if not more so as the God of the New Testament Jesus Christ Himself As you review the evidence contained herein you may be surprised that you come to the same conclusion understanding the consistent and amazing love of God throughout the history and the future of humankind

Are You Making Love or Just Having Sex? Elliot D. Cohen, 2024-10-15 In making love one is elevated beyond the carnal desires it satisfies For the religious it is Divine for those who are not religiously inclined it is still a spiritual experience one of seamless solidarity a unity of two as one that defies mere orgasmic stimulation You don't have to make love to have sex Even strangers can be sexually attracted and have an orgasmic escapade But in the act of making love there is symbolic meaning that is felt through and through the sex act Two in love are joined in life and the sexual expression of this union is deeply felt in the sex act itself This is sexual intimacy the making of love the likes of which is rarely if ever seen outside a loving relationship There is no escape from the philosophical dimensions of such a loving relationship It is as abstract as it is concrete in the ideals that ground it There is a mystery about it a kind of transcendent experience that defies translation into words Making and being in love are thus joined at the hip Loving relationships make the bed in which true lovers sleep Unfortunately many relationships flounder or never get off the ground Just having sex may ease the tension but it then becomes a means not truly an end in itself The moment the sex act ends the couple may retreat and fall into discord It is an oasis in a barren desert that provides temporary relief a titillating temporary escape from reality This book can help you to overcome the obstacles the unlovable habits that encumber your relationship both inside and outside the bedroom It can help to create the harmonic balance between your sex life and other aspects of your personal and interpersonal relationships which are preludes to making and being in love To accomplish this it applies a five step method based on Logic Based Therapy Consultation LBTC a popular form of evidence based philosophical counseling modality First it introduces you to six types of unlovable ways of thinking and acting and helps you to identify the ones that may be sabotaging your own relationship Second it shows you how to counter these self defeating habits with certain lovable goals virtues of love Third it helps you to identify and embrace a personal love philosophy that empowers you to reach for your lovable goals Fourth it provides core philosophical ideas that are key to any successful quest for romantic love Fifth it helps you construct a behavioral plan that applies your philosophies to making constructive changes in your relationship The latter may require

making changes both inside and outside your relationship Thus this book also shows you how the problems you are having in one area of your life at work in your social life etc can affect the quality of your relationship inside and outside the bedroom and it offers guidance including self improvement exercises to overcome these impediments and attain enduring love and sexual intimacy *Trials of Love; Or Woman's Reward.
