This brilliant book offers us both the science and practice of how self-kindness is the secret sauce of fulfillment, transformation, and joy. Lorin Roche, meditation teacher and author of *The Radiance Sutras*. Many of us yearn to feel a greater sense of inner calm, ease, joy, and purpose. We have tried meditation and found it too difficult. We judge ourselves for being no good at emptying our minds as if one ever could, or compare ourselves with yogis who seem to have it all together. We live in a steady state of not good enough. It does not have to be this way. In *Good Morning I Love You* Dr. Shauna Shapiro brings alive the brain science behind why we feel the way we do about ourselves, each other, and the world, and explains why we get stuck in thinking that doesn't serve us. It turns out that we are hardwired to be self-critical and negative. And this negativity is constantly undermining our experience of life. It is never too late to rewire your brain for positivity, for calm, clarity, and joy. Writes Dr. Shapiro, "I know this is possible because I experienced it." Best of all, you can begin wherever you are. In short, lively chapters laced with science, wisdom, and story, Shapiro, one of the leading scientists studying the effects of mindfulness on the brain, shows us that acting with kindness and compassion toward ourselves is the key. With her roadmap to guide you, including her signature *Good Morning I Love You* practice in which you deliberately greet yourself each day with these simple words, you can change your brain's circuitry and steady yourself in feelings of deep calm, clarity, and joy. For good. **The Strength of Love** Kate Garraway, 2024-08-13 Healing from Heartbreak with Love and Purpose. much love can give you during periods of loss confusion and desperation Take a leap of faith into a hopeful future Grief made the present harder and the next chapter of Kate s life uncertain That is why The Strength of Love is not only about the comfort that love provides it also describes how that love can bring you the strength of optimism Inside you ll learn how to find the light when the heartbreak comes back And with beautiful words of affirmation you too will discover that love may not heal all wounds but it will keep you strong and resilient when you need it most Follow Kate s journey and what she discovered about love and grief including Ways your body reacts after losing a loved one How grief is not temporary but a piece of your identity What people don t say about the dark side of mourning Why bereavement is an ongoing process If you are looking for a death of a loved one book such as Conscious Grieving In Love or Sex After Grief then The Strength of Love is the perfect book for you
