Luke Lea of Tennessee Mary Louise Lea Tidwell,1993 *The Von Ruck Treatment for Tuberculosis* Luke Lea,1916

The Trial of the Kaiser William A. Schabas,2018-10-18 In the immediate aftermath of the armistice that ended the First World War the Allied nations of Britain France and Italy agreed to put the fallen German Emperor Kaiser Wilhelm II on trial in what would be the first ever international criminal tribunal In Britain Lloyd George campaigned for re election on the slogan hang the Kaiser but the Italians had only lukewarm support for a trial and there was outright resistance from the United States During the Peace Conference international lawyers gathered for the first time to debate international criminal justice They recommended trial of the Kaiser by an international tribunal for war crimes and the Americans relented agreeing to a trial for a supreme offence against international morality However the Kaiser had fled to the Netherlands where he obtained asylum and though the Allies threatened a range of measures if the former Emperor was not surrendered the Dutch refused and the demands were dropped in March 1920 This book from renowned legal scholar William A Schabas sheds light on perhaps the most important international trial that never was Schabas draws on numerous primary sources hitherto unexamined in published work including transcripts which vividly illuminate this period of international law making As such he has written a book which constitutes a history of the very beginnings of international criminal justice a history which has never before been fully told **Confederate Veteran** ,1929 *The National Magazine* ,1910 *Senator Kenneth McKellar* Ray Hill,2025-06-10 Kenneth McKellar may have been born in Reconstruction era Alabama but for most of his life he was a Tennessean through and through After graduating from the University of Alabama with bachelor s master s and law degrees McKellar traveled to Memphis for what he expected to be a brief visit with his brothers That visit was the genesis of a lifelong career and permanent home in West Tennessee After successfully practicing law in Memphis Kenneth McKellar kicked off his political career in the US House of Representatives in 1911 where he served until 1917 before becoming a US senator In his new biography of McKellar Ray Hill traces the political career of Tennessee s longest serving senator and paints a colorful nuanced portrait of the senator s character and convictions He chronicles McKellar s decades long political contributions to Tennessee and the United States as a whole from the beginnings of the Boss Crump political machine to McKellar s historic victory as the first popularly elected US senator from Tennessee in 1916 Hill offers a balanced account of McKellar s forty two years in office exploring his early Democratic successes under Woodrow Wilson and Franklin D Roosevelt his steadfast support for the Tennessee Valley Authority and his fierce unwavering commitment to Tennessee and its people As the only full length biography of McKellar to date Hill s meticulously researched volume fills a significant gap in scholarship shedding new light on the life and career of one of Tennessee s most prominent political figures Drawing on articles from more than one hundred US newspapers on McKellar s life and politics this biography will not only appeal to both scholars and students of US political science but also offer a captivating story to all who love Tennessee and the state s
