Luminous Pearl:

Opening a Mountain Steven Heine, 2004-02-26 With the growing popularity of Zen Buddhism in the West virtually everyone knows or thinks they know what a koan is a brief and baffling question or statement that cannot be solved by the logical mind and which after sustained concentration can lead to sudden enlightenment But the truth about koans is both simpler and more complicated than this In *Opening a Mountain* Steven Heine shows that koans and the questions we associate with them such as What is the sound of one hand clapping are embedded in larger narratives and belong to an ancient Buddhist tradition of encounter dialogues These dialogues feature dramatic and often inscrutable contests between masters and disciples or between masters and an array of natural and supernatural forces rouge priests wild foxes hermits wizards shapeshifters magical animals and dangerous women To establish a new monastery to open a mountain the Zen master had to tame these wild forces in regions most remote from civilization In these extraordinary encounters fingers and arms are cut off pitchers are kicked over masters appear in and interpret each other's dreams and seemingly absurd statements are shown to reveal the deepest insights Heine restores these koans to their original traditions allowing readers to see both the complex elements of Chinese culture and religion that they reflect and the role they played in Zen's transformation of local superstitions into its own teachings Offering a fresh approach to one of the most crucial elements of Zen Buddhism *Opening a Mountain* is essential reading for anyone seeking to understand the full story behind koans and the mysterious worlds they come from

Pearl Fiona Lindsay Shen, 2022-10-24 From their creation in the maw of mollusks to lustrous objects of infatuation and conflict a revealing look at pearls dark history This book is a beautifully illustrated account of pearls through millennia from fossils to contemporary jewelry Pearls are the most human of gems both miraculous and familiar Uniquely organic in origin they are as intimate as our bodies created through the same process as we grow bones and teeth They have long been described as an animal's sacrifice but until recently their retrieval often entailed the sacrifices of enslaved and indentured divers and laborers While the shimmer of the pearl has enticed Roman noblewomen Mughal princes Hollywood royalty mavericks and renegades encoded in its surface is a history of human endeavor abuse and aspiration pain locked in the layers of a gleaming gem

Wife Is Too Unruly Zhao Zhao,2020-01-13 He had become an abandoned wife He had seen terrible things but he had never seen such a miserable one Abandoned by her husband in real life and worn by an abandoned woman after her rebirth It wasn't easy for him to get back to his parents home and his parents home was also raided Even Mao Zedong was in such a terrible situation There was the dark and playful prince risking his life to help them and even that shameless ex husband coming to harass them from time to time Wen Zijun looked up at the sky and gave a long sigh Watch me turn the tables

Animated Encounters Daisy Yan Du,2019-02-28 China's role in the history of world animation has been trivialized or largely forgotten In *Animated Encounters* Daisy Yan Du addresses this omission in her study of Chinese animation and its engagement with international forces during its formative period the 1940s 1970s She introduces readers to transnational movements in early Chinese animation tracing the involvement of Japanese Soviet American Taiwanese and China's ethnic minorities at socio historical or representational levels in animated filmmaking in China Du argues that Chinese animation was international almost from its inception and that such border crossing exchanges helped make it Chinese and subsequently transform the history of world animation She highlights animated encounters and entanglements to provide an alternative to current studies of the subject characterized by a preoccupation with essentialist ideas of Chineseness and further questions the long held belief that the forty year period in question was a time of cultural isolationism for China due to constant wars and revolutions China's socialist era known for the pervasiveness of its political propaganda and suppression of the arts unexpectedly witnessed a golden age of animation Socialist collectivism reinforced by totalitarian politics and centralized state control allowed Chinese animation to prosper and flourish artistically In addition the double marginality of animation a minor art form for children coupled with its disarming qualities and intrinsic malleability and mobility granted animators and producers the double power to play with politics and transgress ideological and geographical borders while surviving censorship both at home and abroad A captivating and enlightening history *Animated Encounters* will attract scholars and students of world film and animation studies children's culture and modern Chinese history The Goddesses' Mirror David Kinsley,1989-01-01 Discusses the cultural background and meaning of ten goddesses including

Yu Chong (Novel) Vol. 1 Xue Shan Fei Hu,2024-04-09 When Li Yu falls asleep reading a webnovel about a ruthless mute tyrant falling in love with a dainty male concubine he doesn't expect to wake up inside the world of the novel especially not as a fish Li Yu soon finds himself adopted as Prince Jing's pet carp tasked by a less than helpful Magic System with preventing the prince from becoming a cruel tyrant If he can accomplish this mission Li Yu will regain his human form Yet how can he succeed from inside a fish bowl The Original Iranian Creator God "Apam Nap_t" (or Apam Naph_t?) Abolala

Soudavar,2015-08-19 A major aspect of Zoroastrianism is how they discredited existing Iranian deities and reused them in an expanded pantheon of gods subordinated to Ahura Mazda Their most difficult task was to find ways to reintegrate Apam Nap_t

Apam Naph t a deity who was perceived as the main rival to Ahura Mazd and the one who was initially branded as daeva The subtle ways by which they achieved this is a testimony to their mastery in the art of sophistry at a level seldom seen in the history of religions **Beautiful Chef Seduces the Husband** Sui He,2020-05-15 My wife I want to eat your tofu Eat your sister I was reborn into the body of a poor country girl Su Jinsi said and it s all not a big deal I have one spoon in my hand even in the world I ll be a cook I ll be the king of kitchens and I ll gain the reputation of a deity eater But that handsome man why does he always have one spoon in his mouth **Nurture** Lisa Bevere,2008-03-12 Nurture verb 1 To give tender care and protection 2 To encourage to grow develop thrive and be successful This beautifully describes what God s daughters so desperately need In this heartfelt work Lisa explains how women of all ages must awaken and restore their capacity to give and receive nurture The need for this indelible force is far more urgent than we know Is it possible we are too busy surviving to assure that the vulnerable among us thrive Are we too guarded wounded and afraid to open our lives to the nurture of others What can be done to reestablish this language of the feminine heart It is time women are healed and empowered If you have never experienced nurture this is your season Lisa s stirring message shows you how to make these vital heart connections We need each other s comfort and assurance as we define ourselves find our voice and begin to fulfill God s purpose on Earth In Lisa s own words There is such a resonance in my spirit this is in fact our season to grow develop and thrive Heaven is passionately and purposefully reconnecting with our wounded war torn earth and the people who inhabit her In this season I believe the daughters of God will prove integral agents Nurture is not expensive it is expansive The life of everyone enlarges when it is added As this happens we will cease to merely function we will indeed flourish
