Victorian Yankees at Queen Victoria's Court Stanley Weintraub,2011-04 Little seems to have changed since Queen Victoria s day in the instant magnetism of British royalty across the Atlantic Ocean yet for the first generations liberated by revolution the British Isles and its sovereigns seemed as remote as the moon In the young nation Americans who were little interested in the sons and daughters of their last king George III developed a love hate relationship with Victoria his granddaughter that lasted for all her sixty four years on the throne ending only with her death in the first weeks of the twentieth century Victoria s long reign encompassed much of the time in which the young United States was growing up The responses of Americans toward Victoria reveal not only what they thought of her and her husband as a person and a monarch but reflect their own ambitions confidence smugness insecurities and sense of loss Parting from England brought a surge of pride but it also carried with it an unanticipated price American encounters with Queen Victoria as person and as symbol evoke the costs of relinquishing a history a tradition a ceremonial texture The brash bewildered and beguiled Americans in these pages from lion tamer Isaac Van Amburgh Barnum s midget Tom Thumb and sharpshooter Annie Oakley to literary lions like Nathaniel Hawthorne Mark Twain and Henry James evince not only another dimension of the remote woman who might have been their queen but what Americans were like and what they thought they were like in her time

Getting About Bill Meehan,2023-04-18 Well known as a political commentator and the author of sixteen novels William F Buckley Jr was also a superb chronicler of travel Getting About gathers more than one hundred of his articles about journeys by boat train or plane representing a lifetime of adventure around the world from Annapolis to Zurich from the Azores to the Virgin Islands An elegant jet setter with a flair for literary journalism Buckley had few rivals in the art of travel writing He took first place in the Magazine Article on Foreign Travel category in the Lowell Thomas Travel Journalism Competition for eight pieces written while Concordeing around the world in 1989 A master storyteller he adeptly wove devices of fiction together with reportage to craft entertaining pieces full of exuberance and authority Being a Bach aficionado he composed his sentences for a well tuned ear Buckley s talent for arranging a mise en scene stands out in accounts of riding the Orient Express skiing at Alta or vacationing at Barbuda Though himself a central character in the story he never dominates it He wrote candidly about travel misadventures as when his sixty foot schooner broke down in the Bahamas and was towed to Miami by a Coast Guard cutter or when a malfunctioning compass landed his

boat on a rocky shoal off Rhode Island and the Coast Guard said Sorry we can't help you He also took a gimlet eye to the travel industry and a discriminating palate to airline food suggesting that airports sell a really good box lunch with celery root moulade fresh figs and a nice Bordeaux Getting About is pure enjoyment but it also broadens the significance of Buckley's oeuvre Along with Bill Meehan's illuminating introduction this delightful collection helps preserve Buckley's legacy as his centenary in 2025 approaches
