Lure And The Lore Of Language:

The Lure and the Lore of Language Hilda Attride,1994-12-01 *Lure and the Lore of Language* Attride Hilda,Valerie Davis,1990-09-01 **Consuming Agency in Fairy Tales, Childlore, and Folkliterature** Susan Honeyman,2013-04-15 In this book Honeyman looks at manifestations of youth agency and representations of agency produced for youth as depicted in fairy tales childlore and folk literature investigating the dynamic of ideological manipulation and independent resistance as it can be read or expressed in bodies first through social puppetry and then through coercive temptation our consumption replacing the more obvious strings that bind us Reading tales like Popeye Hansel Gretel and Pinocchio Honeyman concentrates on the agency of young subjects through material relations especially where food signifies the invisible strings used to control them in popular discourse and practice modeling efforts to come out from under the hegemonic handler and take control at least of their own body spaces and ultimately finding that most examples indicate less power than the ideal holds **Modern Languages** ,1925 Language, Identity and Diversity in Picturebooks Nicola Daly,2024-10-28 This book presents a range of perspectives on the way language diversity and identity are reflected in New Zealand children s literature based on the published research of Nicola Daly an associate professor in the Division of Education of the University of Waikato and her colleagues The book is organised into two sections The first section examines the use of Te Reo M ori and English in the text of New Zealand picturebooks exploring the linguistic landscape of M ori English bilingual picturebooks The second section The Pedagogical Potential of Picturebooks explores how picturebooks featuring M ori English New Zealand Sign Language NZSL and Pacific languages reflect identity and support diversity in society Research from several educational contexts ranging from kindergarten to university where picturebooks are used to support learning language and learning about language is also discussed Themes of language identity and diversity are explored throughout the two sections and brought together in the concluding chapter s discussion of the power of picturebooks This book will be of interest to scholars in children s literature and education it may also be relevant to scholars in linguistics library and information studies cultural studies and media and communication studies **The Pageant of America: The lure of the frontier, a story of race conflict, by R.H. Gabriel** Ralph Henry Gabriel,1929 *The Unraveled Plot* Aukje van Rooden,2025-10-01 Explores the connection between Jean Luc Nancy s political works on community and his works on art and literature thus providing not only a comprehensive introduction into Nancy s work but also a broader examination of the social and political role of literature What is the connection between the work of community and the work of literature And in what way is literature implied in Jean Luc Nancy s inoperative community The Unraveled Plot investigates the relation between two domains that have only separately been addressed in the reception of Nancy s work his political works on community on the one hand and his works on art and literature on the other Lucidly traversing Nancy s entire oeuvre Aukje van Rooden offers not only a comprehensive introduction into Nancy s work but also a much broader reflection on the social

and political role of literature Situating Nancy's thought within a larger philosophical tradition leading from German Romanticism to contemporary social and political theory she offers new insights with and beyond Nancy on the forming of communities and how literature can play a role

Money Without Boundaries Thomas J. Anderson, 2019-08-21 Discover how blockchain will facilitate a new currency that will transcend space and time Largely inspired by The Denationalization of Money by Friedrich Hayek *Money Without Boundaries* ideological foundation is also inspired by economists and thought leaders like Milton Friedman and Irving Fisher advancements in capital markets over the past 50 years and the convergence of old and new technologies Author Thomas J Anderson explains how blockchain acts as the filter and the glue making it all possible Compared with other currencies blockchain managed money markets are more straightforward and transparent It is easier to monitor understand and assess the quality of their full faith and credit *Money Without Boundaries* shows how not only money but also the process of borrowing and lending will evolve to be conducted in a 100% trusted secure transparent open architecture environment Anderson begins with a history of money and discusses the rise of cryptocurrency concluding with a comparison of decentralized money markets to all other alternatives *Money without Boundaries* Demonstrates how blockchain technology allows full transparency Explains how blockchain makes it possible for money to be fully commoditized Explains how this fully market based decentralized self regulating system has vast implications throughout the global financial system Shows how everyone will benefit when they have the opportunity to compete on full faith in credit If you are interested in cryptocurrency money monetary theory or understanding how the applied uses of blockchain technology will change your everyday life this is essential reading
