Luther And His Times The Reformation From A New Perspective:

Luther and His Times Ernest George Schwiebert,1950 *Luther and his times. The reformation from a new perspective* E. G. Schwiebert, *Luther and his times* Ernest George Schwiebert,1950 **Luther and Learning** Marilyn J. Harran,1985 These essays present a unique description and analysis of Luther's relation to the learning of his time by some of the most outstanding scholars of our time The essays also persuasively demonstrate the significance of Luther's contribution to learning for today's education theology and culture **Makers of the Western Tradition** J. Kelley Sowards,1997-01-15 Through six widely adopted editions *Makers of the Western Tradition* has successfully drawn students into the study of history through a biographical approach to important facts and events In two volumes this book examines the impact of 27 key historical figures while it familiarizes students with varieties of historical sources and interpretation

Luther on Conversion Marilyn Harran,2019-06-30 What is conversion How does it come about What preparations must a person make Harran traces the evolution of Luther's views on these questions treating his early years as an Augustinian monk the beginnings of his work as a reformer and his final evangelical breakthrough during which he realized the full theological implications of his religious stance Harran studies Luther's changing interpretations of conversion in his exegetical writings on the Psalms Romans Hebrews and Galatians in sermons and letters and in early reform writings and she considers the relation of conversion to faith justification and grace concepts traditionally viewed as the cornerstones of Luther's mature theology Introducing new and compelling evidence to the heated debate about Luther's own conversion she analyzes the accuracy of his later recollections of his Tower Experience and its dating Insightful and innovative *Luther on Conversion* will be welcomed by anyone interested in Luther and in the revolution in faith that he brought about *Luther's Catholic Christology* Franz Posset,2018-08-09 *Collected Works* Vol 1 *The Two Fold Knowledge Readings on the Knowledge of Self and the Knowledge of God* Vol 2 *Pater Bernhardus Martin Luther and Bernard of Clairvaux* Vol 3 *Luther's Catholic Christology According to His Johannine Lectures of 1527* Divine Apology Brett Miller,2002-05-30 While the defense of public image in political corporate and celebrity rhetoric has been widely studied religious image repair has been largely ignored *Divine Apology* considers the unique circumstances facing religious figures in need of restoring their reputations by examining a blend of historical and contemporary defenses offered by various figures and groups The author covers apologia as advanced by the Apostle Paul Justin Martyr Martin Luther Jimmy Swaggart evangelical opponents of the Jesus Seminar and conservative leaders of the Southern Baptist Convention He concludes that strategies used for religious image repair often differ significantly from those employed by politicians corporations and other public figures In this unique volume Miller demonstrates that religious groups and individuals are as motivated as anyone else to purify their public images The issues prompting defenses however are more likely to focus on epistemological conflicts and clashes of worldviews than on inappropriate behaviors As a consequence religious apologists are more likely to associate attacks against their beliefs as

assaults against their characters This causes religious image restoration discourse to manifest itself as more transcendent than defenses in traditional situations involving laypeople Miller posits that the presence of God and religious antecedents as salient audiences as well as other factors concerning audience and context work to shape a form of apology that is characteristically religious

An Uncompromising Gospel Wade Johnston, Wade R Johnston, 2017-01-05 Martin Luther with preached and written word unleashed the unconditional and uncompromising gospel of God's love for sinners in Jesus Christ crucified and risen He exposed both man's lost condition and Christ's unfathomable love with unrelenting persistence and unmistakable clarity Bound in sin only Christ could set the sinner free and Luther held Christ before his students hearers and readers That message marked and formed his students and coworkers and yet after his death bitter disputes broke out about some of the most central aspects of his theology Debates cut to the very heart of the Reformation and this while its future hung precariously in the balance An Uncompromising Gospel highlights Luther's key theological teachings details the controversies that broke out over them after his death and provides important lessons for our own day as Christians still struggle to grasp and hold forth the love of Christ for sinners dead in trespasses and sins As Lutheranism in specific and Christianity as a whole struggle to find and articulate their identity in challenging times yet once again An Uncompromising Gospel provides helpful reminders about what the chief task and message of the church are and ought to be as it presses forward in God's grace and with the good news of Christ Jesus

Martin Luther's Understanding of God's Two Kingdoms William J. Wright, 2010 A leading Reformation scholar historically reassesses the original breadth of Luther's theology of the two kingdoms and the cultural contexts from which it emerged
