Roudané, 2013-12-19 Unrivalled in its coverage of recent work and writers The Methuen Drama Guide to Contemporary American Playwrights surveys and analyses the breadth vitality and development of theatrical work to emerge from America over the last fifty years This authoritative guide leads you through the work of 25 major contemporary American playwrights discussing more than 140 plays in detail Written by a team of 25 eminent international scholars each chapter provides a biographical introduction to the playwright s work a survey and concise analysis of the writer s most important plays a discussion of their style dramaturgical concerns and critical reception a bibliography of published plays and a select list of critical works Among the many Tony Obie and Pulitzer prize winning playwrights included are Sam Shepard Tony Kushner Suzan Lori Parks August Wilson Paula Vogel and Neil LaBute The abundance of work analysed enables fresh illuminating conclusions to be drawn about the development of contemporary American playwriting The Black Comedy of John Guare Gene A. Andreach, 2009-01-14 From the 1960s to the present day John Guare s plays have ranged from one act to cyclic realistic to surrealist naturalistic to experimental and tragic to comic dramas This study s approach to the cornucopia the playwright himself provided when in an interview he gave a fundamental aesthetic principle of his craft Like a person and Guare s plays develop the personal as well as the artistic self a play must be grounded in reality only then can it soar The ground is traditional theatre with characters no matter how larger than life they can be and plot no matter how illogical it can be The soaring is in interrupting the action with monological narratives and musical interludes bringing characters back from the dead and having the action take hairpin turns into a mixture of genres and styles modes and tones In verbal and visual images the flight invokes works by authors as varied as Aeschylus and Whitman Dante and Feydeau Verdi and Romberg

Soaring from ground to new ground the theatre creates the transmission of the American heritage in *Lake Hollywood* an idealism corrupted by a fraudulent American Dream in *Lydie Breeze* and the recovery of the past in *A Few Stout Individuals* As Guare said about his plays they interconnect **John Guare** Jane K.
