

Lie Low

To hide or avoid being seen so you will not be caught or found by someone; to keep quiet, avoid the spotlight or avoid publicity...

“We ran to the woods, hoping we could lie low for a while.”

Lying Low:

Lying Low Diane Johnson, 1998-04-01 NATIONAL BOOK AWARD FINALIST A nearly flawless performance a beautifully constructed elegantly written book delicate in its perceptions powerful in its impact New York Times The riveting story of four crucial days in the lives of four people sharing a rambling Victorian house lying low and harboring secrets not meant to be shared Theo Wait a middle aged former ballet dancer and her brother Anton have taken in two boarders beautiful Lynn who never receives mail or visitors and energetic and effusive Ouida a Brazilian student and illegal alien who won't let complicated bureaucratic wrangles and constant fear of deportation taint her vision of America as the land of opportunity A faked identity a search for one of the FBI's most wanted escaped prison convicts and a Brazilian feast that spins out of control kick the plot into high gear While each of these characters has been plagued by a sense of impending disaster the terrible thing they've all been fearing comes from an entirely unexpected direction shattering all of their lives Lay Low and Collect the Dough Harold Kraft, 2021-06-21 Harold Kraft worked two and a half years at Steam Heating Plant Then he read meters for twenty two and a half years He finished with just over fifty nine years at the meter services department This book is about many experiences during that time He was told to write about those times from family and friends Here they are The Hunter's Gonna Lay Low (한국의 미래 이야기) PART 1 Cha Eui jae, 2023-02-22 Hunter Cha Eui jae who was dispatched to seal a rift that appeared over the West Sea was flung out as he closed the rift and came to his senses in a garbage dump Feeling extreme hunger he was drawn like a zombie to a hangover soup restaurant where he realized that he had fallen into South Korea eight years in the future In this era disaster alerts notify people in advance of rift openings ASMR videos of slimes gathered from dungeons are trending and idle hunters unbox deliveries with A grade longswords in live streams Unlike the past where people trembled in fear of an impending apocalypse the future is surprisingly peaceful leaving Cha Eui jae feeling empty Since things have turned out this way why not start a second chapter of life as a part timer at a hangover soup restaurant instead of a hunter That's strange Have we met somewhere before Cha Eui jae's plan to quietly spend his remaining days as the only part time worker at the decades old hangover soup restaurant goes awry when he encounters a mysterious figure in a gas mask *Hobbesian Moral and Political Theory* Gregory S. Kavka, 2021-01-12 In recent years serious attempts have been made to systematize and develop the moral and political themes of great philosophers of the past Kant Locke Marx and the classical utilitarians all have their current defenders and are taken seriously as expositors of sound moral and political views It is the aim of this book to introduce Hobbes into this select group by presenting a plausible moral and political theory inspired by Leviathan Using the techniques of analytic philosophy and elementary game theory the author develops a Hobbesian argument that justifies the liberal State and reconciles the rights and interests of rational individuals with their obligations Hobbes's case against anarchy based on his notorious claim that life outside the political State would be a war of all against all is analyzed in detail while his endorsement of the absolutist State is traced to certain

false hypotheses about political sociology With these eliminated Hobbes s principles support a liberal redistributive or satisfactory State and a limited right of revolution Turning to normative issues the book explains Hobbes s account of morality based on enlightened self interest and shows how the Hobbesian version of social contract theory justifies the political obligations of citizens of satisfactory States **OAR Cumulative Index of Research Results** ,1967 **OAR Quarterly Index of Current Research Results** United States. Office of Aerospace Research,1967 Corruption in Low Places John Walter Black,2010-02-17 The old Western town of Greenwood is the last place to expect trouble Corruption is the sort of mess only found in the national government or in big cities In a corner of the world where everyone knows everyone else families live and do business in peace But when one honest successful entrepreneur tries to expand his endeavors he collides head on with a malignant political machine designed for its own profit draining wealth from the innocent unsuspecting city like a leech It has his fellow businessmen trapped paying through the nose just to keep the corrupt officials appeased while their community crumbles under a crooked police force The rest of his friends are running scared but his stubborn sense of justice will not let him back down Time will tell if that stubbornness will save the city or ruin him and his family **A Compendious Syriac Dictionary** Robert Payne Smith,1903 *Grade Booster ICSE Question Bank English Reader Class 7* Reena Sidhu,2025-09-16 Comprehensive support for the prescribed English Reader including summaries meanings reference to context passages and structured long short answers Designed to boost vocabulary interpretation skills and exam confidence in ICSE Class 7 English **The Present State of the United Provinces of the Low-Countries** William Aglionby,1671
