

Robert Dallek

Author of
AN UNFINISHED LIFE: JOHN F. KENNEDY, 1917–1963

A color photograph of Lyndon B. Johnson, the 36th President of the United States. He is shown from the waist up, standing in a room with large white columns, likely the White House. He is wearing a dark suit, a white shirt, and a striped tie. His arms are crossed, and he has a serious expression. The background is slightly out of focus, showing the architectural details of the room.

Lyndon B Johnson Portrait Of A President 1 Vol Abridgement:

Lyndon B. Johnson Robert Dallek, 2004-01-08 Robert Dallek's brilliant two volume biography of Lyndon Johnson has received an avalanche of praise Michael Beschloss in The Los Angeles Times said that it succeeds brilliantly The New York Times called it rock solid and The Washington Post hailed it as invaluable And Sidney Blumenthal in The Boston Globe wrote that it was dense with astonishing incidents Now Dallek has condensed his two volume masterpiece into what is surely the finest one volume biography of Johnson available Based on years of research in over 450 manuscript collections and oral histories as well as numerous personal interviews this biography follows Johnson the human dynamo from the Texas hill country to the White House We see LBJ in the House and the Senate whirl his way through sixteen and eighteen hour days talking urging demanding reaching for influence and power in an uncommonly successful congressional career Then in the White House we see Johnson as the visionary leader who worked his will on Congress like no president before or since enacting a range of crucial legislation from Medicare and environmental protection to the most significant advances in civil rights for black Americans ever achieved And we see the depth of Johnson's private anguish as he became increasingly ensnared in Vietnam In these pages Johnson emerges as a man of towering intensity and anguished insecurity of grandiose ambition and grave self doubt a man who was brilliant crude intimidating compassionate overbearing driven A tornado in pants Gracefully written and delicately balanced this *Media Management in the Age of Lyndon B. Johnson* Benjamin W. Quail, 2022-01-01 This book looks broadly at how the contentious relationships between the media and US President Lyndon B Johnson affected the national consciousness during the turbulent period of his leadership Johnson had to deal with a particularly difficult and divisive period in American history and his relationship with the press undoubtedly contributed to an atmosphere of friction within the United States A more specific purpose of this research monograph is ultimately to shine a light on the trials and tribulations that Johnson faced as a president dealing with new forms of communication in the 1960s It aims to show the difficulties that he had in adapting a very personal style of leadership which had served him well in the Senate in the role he undertook as leader of a nation Further to this it builds on this foundation to argue that Johnson developed a reactive passive stance to dealing with the media one that ultimately contributed to a loss in popularity and status as leader a blow he never recovered from during his time in office *US Foreign Policy Decision-Making from Kennedy to Obama* A. Hybel, 2014-03-13 This book analyzes the foreign policy decision making processes of Presidents John F Kennedy Lyndon B Johnson Richard Nixon George H W Bush George W Bush and Barack Obama during military intervention by way of contemporary foreign policy decision making models FPDMS *When Things Go Wrong* Charles F. Hermann, 2012-03-12 The question of how to deal with adverse feedback to high stakes foreign policy speaks to a number of important current scenarios in international relations The esteemed contributors to this book offer explanations and illustrative case studies of critical choice points in foreign and national security policy Competing theories from several of

disciplines primarily psychology political science and management offer insights into a subject that has been very little studied in foreign policy yet is as current as today s headlines **American Book Publishing Record** ,2004 Lyndon B. Johnson Robert Dallek,2005 This superb one volume biography of Lyndon Baines Johnson is by the bestselling author of An Unfinished Life John F Kennedy 1917 1963 In the Shadow of FDR William E. Leuchtenburg,2011-03-15 A ghost has inhabited the Oval Office since 1945 the ghost of Franklin Delano Roosevelt FDR s formidable presence has cast a large shadow on the occupants of that office in the years since his death and an appreciation of his continuing influence remains essential to understanding the contemporary presidency This new edition of In the Shadow of FDR has been updated to examine the presidency of George W Bush and the first 100 days of the presidency of Barack Obama The Obama presidency is evidence not just of the continuing relevance of FDR for assessing executive power but also of the salience of FDR s name in party politics and policy formulation Annual Report of the Director of the Mint United States.
