Lyrical Swords Hip Hop And Politics In The Mix:

Hip Hop's Amnesia Reiland Rabaka, 2012-05-18 What did rap music and hip hop culture inherit from the spirituals classic blues ragtime classic jazz and bebop What did rap music and hip hop culture inherit from the Black Women's Club Movement New Negro Movement Harlem Renaissance Hipster Movement and Black Muslim Movement How did black popular music and black popular culture between 1900 and the 1950s influence white youth culture especially the Lost Generation and the Beat Generation in ways that mirror rap music and hip hop culture's influence on contemporary white youth music culture and politics In *Hip Hop's Amnesia* award winning author spoken word artist and multi instrumentalist Reiland Rabaka answers these questions by rescuing and reclaiming the often overlooked early twentieth century origins and evolution of rap music and hip hop culture *Hip Hop's Amnesia* is a study about aesthetics and politics music and social movements as well as the ways in which African Americans unique history and culture has consistently led them to create musics that have served as the soundtracks for their socio political aspirations and frustrations their socio political organizations and nationally networked movements The musics of the major African American social and political movements of the 1950s 1960s and 1970s were based and ultimately built on earlier forms of African American movement music Therefore in order to really and truly understand rap music and hip hop culture we must critically examine both classical African American musics and the classical African American movements that these musics served as soundtracks for This book is primarily preoccupied with the ways in which post enslavement black popular music and black popular culture frequently served as a soundtrack for and reflected the grassroots politics of post enslavement African American social and political movements Where many Hip Hop Studies scholars have made clever allusions to the ways that rap music and hip hop culture are connected to and seem to innovatively evolve earlier forms of black popular music and black popular culture *Hip Hop's Amnesia* moves beyond anecdotes and witty allusions and earnestly endeavors a full fledged critical examination and archive informed re evaluation of hip hop's inheritance from the major African American musics and movements of the first half of the twentieth century classic blues ragtime classic jazz swing bebop the Black Women's Club Movement the New Negro Movement the Harlem Renaissance the Bebop Movement the Hipster Movement and the Black Muslim Movement

Turf War Renay Jackson, 2005 Big Ed is in prison for murder As gang leaders grapple for dominance in the power vacuum he s left behind Big Ed plots his comeback through the murder of the only person who saw his crime Though she s in the witness protection program Vanessa is still vulnerable to Big Ed s extended network of thugs as he becomes increasingly determined to beat the system and avoid trial Meanwhile Silky has to take time out from his sexual escapades to vie for leadership of the Eastside Empire as the rivalry between it and Shakey s gang grows increasingly violent Offering a gritty complex rendition of gang rivalry and drug trade on the streets of Oakland California Renay Jackson s newest novel shows off his keen storytelling abilities raw descriptive power and vivid depiction of urban reality in modern day America

Put Your Dreams First Thembisa S. Mshaka, 2009-04-23 There is a great mystique about the entertainment industry and a fervent desire in many to be part of it But what many women don t realize is that most entertainment career guides are written from the point of view of the male executive or are filled with industry and legal jargon making them difficult to read and understand Now in Put Your Dreams First Thembisa Mshaka uses her 15 years of experience in the music industry to expose the hidden truths that women need to know as they aspire toward entertainment careers such as how to avoid compromising one s self respect and the little known fact that women run a large part of the business This highly informative guide is for every woman wanting to know how to navigate the entertainment superhighway and find that job of a lifetime

Be a Father to Your Child April R. Silver, 2008-05-23 How do young black fathers relate to their children as well as to their own fathers How do they see and play their roles in both family and community These are some of the big questions this timely accessible book addresses Written by both popular commentators and those who have experienced the issues firsthand Be a Father to Your Child begins with a frank discussion of how family formation has changed since the 1960s especially for communities of color Individual selections then flesh out historical sociological and cultural contexts examining the impact of welfare child support criminal justice and employment policies on young men of color In addition to this analytical material the book presents more personal anecdotal pieces including poems and lyrics short stories and interviews that form a powerful composite portrait of the challenges facing modern communities of color and how to overcome them

Muslim Cool Su'ad Abdul Khabeer, 2016-12-06 Interviews with young Muslims in

Chicago explore the complexity of identities formed at the crossroads of Islam and hip hop This groundbreaking study of race religion and popular culture in the 21st century United States focuses on a new concept Muslim Cool Muslim Cool is a way of being an American Muslim displayed in ideas dress social activism in the hood and in complex relationships to state power Constructed through hip hop and the performance of Blackness Muslim Cool is a way of engaging with the Black American experience by both Black and non Black young Muslims that challenges racist norms in the U S as well as dominant ethnic and religious structures within American Muslim communities Drawing on over two years of ethnographic research Su ad Abdul Khabeer illuminates the ways in which young and multiethnic US Muslims draw on Blackness to construct their identities as Muslims This is a form of critical Muslim self making that builds on interconnections and intersections rather than divisions between Black and Muslim Thus by countering the notion that Blackness and the Muslim experience are fundamentally different Muslim Cool poses a critical challenge to dominant ideas that Muslims are foreign to the United States and puts Blackness at the center of the study of American Islam Yet Muslim Cool also demonstrates that connections to Blackness made through hip hop are critical and contested critical because they push back against the pervasive phenomenon of anti Blackness and contested because questions of race class gender and nationality continue to complicate self making in the United States

In-Between Identities: Signs of Islam in Contemporary American Writing John Waldmeir, 2018-09-11 For the writers and artists in In Between Identities Signs of Islam in Contemporary American Writing contemporary Muslim American identity is neither singular nor fixed Rather than dismiss the tradition in favor of more secular approaches however all of the figures here discover in Muhammad s revelation resources for affirming such uncertainty For them the Qur anic notion of a divine sign validates creation even that creativity born of contrasting if not competing assumptions about identity To develop this claim individual chapters in the book discuss Muslim faith in the work of poets Naomi Shihab Nye Kazim Ali Tyson Amir and Amir Sulaiman novelists Mohja Kahf Rabih Alameddine and Willow Wilson illustrator Sandow Birk playwright Ayad Akhtar and the online record of the 30 Mosques in 30 Days project

Islamic Traditions and Muslim Youth in Norway Christine Jacobsen, 2010-12-17 A major question regarding Islam in Europe concerns the religiosity of Muslim youth a category currently epitomizing both the fears and hopes of multicultural Europe How are Islamic traditions engaged and reworked by young people born and educated in European societies and which modes of religiosity will they shape in the future Providing an in depth ethnographic account from Norway this book engages comparative research on Islam and young Muslims from across Europe focusing on Islamic revitalization Muslim identity politics changing configurations of religious authority and the formation of gendered religious subjectivities The author discusses anthropological and other social science theorizing in order to examine religious continuities and discontinuities in a context of international migration globalization and secular modernity
