

M.R. James

AN INFORMAL
PORTRAIT

MICHAEL COX

"Compact, informative . . . here is
perhaps all that needs to be known of James."
Anthony Powell, *Daily Telegraph*

M R James An Informal Portrait

Michael Cox

M R James An Informal Portrait:

M.R. James Michael Cox,1983 **Medieval Studies and the Ghost Stories of M. R. James** Patrick J.

Murphy,2017-02-28 Montague Rhodes James authored some of the most highly regarded ghost stories of all time classics such as *Oh Whistle and I'll Come to You My Lad* that have been adapted many times over for radio and television and have never gone out of print But while James is best known as a fiction writer and storyteller he was also a provost of King's College Cambridge and Eton College and a legendary and influential scholar whose pioneering work in the study of biblical texts and medieval manuscripts art and architecture is still relevant today In *Medieval Studies and the Ghost Stories of M R James* Patrick J Murphy argues that these twin careers are inextricably linked James's research not only informed his fiction but also reflected his anxieties about the nature of academic life and explored the delicate divide between professional university men and erratic hobbyists or antiquaries Murphy shows how detailed attention to the scholarly inspirations behind James's fiction provides considerable insight into a formative moment in medieval studies as well as into James's methods as a master stylist of understated horror During his life James often claimed that his stories were mere entertainments pleasing distractions from a life largely defined by academic discipline and restraint and readers over the years have been content to take him at his word This intriguing volume however convincingly proves otherwise *The Oxford Book of Victorian Ghost*

Stories Michael Cox,R. A. Gilbert,2003 Collection of thirty five English ghost stories written during the Victorian Era **The Meaning of Night** Michael Cox,2025-04-25 The atmosphere of *Bleak House* the sensuous thrill of *Perfume* and the mystery of *Jonathan Strange Mr Norrell* all combine in a story of murder deceit love and revenge in Victorian England After killing the red haired man I took myself off to Quinn's for an oyster supper So begins the enthralling Booklist starred review and ingenious Boston Globe story of Edward Glyver booklover scholar and murderer As a young boy Glyver always believed he was destined for greatness A chance discovery convinces him that he was right greatness does await him along with immense wealth and influence Overwhelmed by his discovery he will stop at nothing to win back a prize that he knows is rightfully his Glyver's path to reclaim his prize leads him from the depths of Victorian London with its foggy streets brothels and opium dens to *Evenwood* one of England's most beautiful and enchanting country houses and finally to a consuming love for the beautiful but enigmatic Emily Carteret His is a story of betrayal and treachery of death and delusion of ruthless obsession and ambition And at every turn driving Glyver irresistibly onward is his deadly rival the poet criminal Phoebe Rainsford Daunt *The Meaning of Night* is an enthralling novel that will captivate readers right up to its final thrilling revelation **The**

Glass of Time Michael Cox,2011-05-18 A page turning late Victorian mystery by a master *The Glass of Time* is for fans of *The Meaning of Night* and for readers new to Michael Cox alike Picking up the lives of characters from the first novel some twenty years later *The Glass of Time* begins in 1876 Nineteen year old orphan Esperanza Gorst arrives from Paris at the great country house of *Evenwood* to become lady's maid to the 26th Baroness Tansor the former Miss Emily Carteret But

Esperanza is no ordinary servant She has been sent by her guardian the mysterious Madame to uncover the secrets that her new mistress has concealed for decades and to set right a past injustice which although Esperanza does not know it is intimately linked with her own future as well as her past Gradually those secrets are revealed and with them the true identities of nearly every character for it seems that no one in Esperanza's world is who she believes them to be She finds herself enmeshed in a complicated web of intrigue deceit and murder that culminates in a devastating betrayal by those she trusted most Richly textured and elegantly told *The Glass of Time* is a completely enveloping tale of identity of the unexpected consequences of hidden truths and of what can happen when past obsessions impose themselves on an unwilling present

The New Book of Snobs D.J. Taylor, 2016-10-20 Hugely enjoyable AN Wilson Sunday Times Thoughtful entertaining and enjoyable Michael Gove Book of the Week The Times Inspired by William Makepeace Thackeray the first great analyst of snobbery and his trail blazing *The Book of Snobs* 1848 D J Taylor brings us a field guide to the modern snob Short of calling someone a racist or a paedophile one of the worst charges you can lay at anybody's door in the early twenty first century is to suggest that they happen to be a snob But what constitutes snobbishness Who are the snobs and where are they to be found Are you a snob Am I What are the distinguishing marks Snobbery is in fact one of the keys to contemporary British life as vital to the backstreet family on benefits as the proprietor of the grandest stately home and an essential element of their view of who of they are and what the world might be thought to owe them *The New Book of Snobs* will take a marked interest in language the vocabulary of snobbery as exemplified in the U and Non U controversy of the 1950s being a particular field in which the phenomenon consistently makes its presence felt and alternate social analysis with sketches of groups and individuals on the Thackerayan principle Prepare to meet the Political Snob the City Snob the Technology Snob the Property Snob the Rural Snob the Literary Snob the Working class Snob the Sporting Snob the Popular Cultural Snob and the Food Snob

A Century of Theological and Religious Studies in Britain Ernest Nicholson, 2004-01-15 The essays in this volume give an account of how the agenda for theology and religious studies was set and reset throughout the twentieth century by rapid and at times cataclysmic changes wars followed by social and academic upheavals in the 1960s by new movements of thought by a bounty of archaeological discoveries and by unprecedented archival research Further new trends of study and fresh approaches existentialist Marxian postmodern have in more recent years generated new quests and horizons for reflection and research The centenary of the British Academy in 2002 has provided a most welcome opportunity for reconsidering the contribution of British scholarship to theological and religious studies in the last hundred years

Staging the Ghost Story Kelly Jones, 2025-06-29 *Staging the Ghost Story* is the first book to offer a critical appraisal of the centuries long relationship between the ghost story and the English stage The book balances a critical consideration of the ghost story in performance its history its cultural politics and its generic conventions with practical insight regarding the valency of live representations of the supernatural the challenges of embodiment and the power of storytelling Throughout it

draws upon accompanying interviews with prominent directors playwrights performers and stage designers in the industry including Mark Gatiss Robin Herford Michael Holt Danny Robins Robert Lloyd Parry Rebecca Vaughan Tajinder Singh Hayer Glen Neath Adam Z Robinson Richard Sutton Paul Voodini and Jonathan Goodwin With a focus upon the seminal elements of theatrical performance time space bodies devices and audience the book invites the elusive shadows of the ghost story to take centre stage

The Victorian Ghost Story and Theology Zoe Lehmann Imfeld, 2016-07-27 This book argues that theology is central to an understanding of the literary ghost story Victorian ghost stories have traditionally been read in the context of agnosticism as stories which reveal a society struggling with Christian orthodoxy in a new Enlightened world This book however uses theological ideas from St Augustine through to modern theologians to identify a theological journey taken by the protagonists of such stories and charts each stage of this journey through the short stories it examines It also proposes a theory of reader participation which creates an imaginary space in which modern epistemology is suspended The book studies the work of four major authors of the supernatural tale Arthur Machen M R James Sheridan Le Fanu and Henry James

Victorian Engagements with the Bible and Antiquity Simon Goldhill, Ruth Jackson Ravenscroft, 2023-10-12 A brilliant exposition of how the Bible and classical antiquity are central to the formation of Victorian self understanding

M R James An Informal Portrait Book Review: Unveiling the Magic of Language

In an electronic digital era where connections and knowledge reign supreme, the enchanting power of language has become apparent than ever. Its ability to stir emotions, provoke thought, and instigate transformation is actually remarkable. This extraordinary book, aptly titled "**M R James An Informal Portrait**," written by a very acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound affect on our existence. Throughout this critique, we will delve into the book's central themes, evaluate its unique writing style, and assess its overall influence on its readership.
