Firebrands Gioia Diliberto, 2024-10-30 Guaranteed to change how you picture Prohibition this lively history turns the spotlight on four women in the immediate aftermath of winning the vote who played influential roles on all sides of the Eighteenth and Twenty First Amendments In the popular imagination the story of Prohibition in America is a story of men and male violence one full of federal agents fighting gangsters over the sale of moonshine In contrast **Firebrands** is the story of four Jazz Age dynamos all women who were forces behind the passage the enforcement the defiance and ultimately the repeal of the Eighteenth Amendment They battled each other directly and they learned to marshal clout with cowed and hypocritical legislators almost all of them men Their clash over Prohibition stands as the first significant exercise of women s political power since women gained the right to vote and their influence on the American political scene wouldn t be equaled for decades In Gioia Diliberto s fresh and timely take on this period of history we meet Ella Boole the stern and ambitious leader of the Woman s Christian Temperance Union who campaigned fiercely to introduce Prohibition and fought desperately to keep it alive We also meet Mabel Walker Willebrandt the most powerful woman in America at the time who served as the top federal prosecutor charged with enforcing Prohibition Diliberto tells the story too of silent film star Texas Guinan who ran New York speakeasies backed by the mob and showed that Prohibition was not only absurd but unenforceable And she follows Pauline Morton Sabin a glamorous Manhattan aristocrat who belatedly recognized the cascading evil in Prohibition and mobilized the movement to kill it These women led their opposing forces of Wets and Drys across a teeming landscape of bootleggers gangsters federal agents temperance fanatics and cowardly politicians many of them secret drunks Building on the momentum of suffrage they forged a path for the activists who followed during the great civil rights battles of the mid twentieth century Yet they have been largely lost to history In **Firebrands** Diliberto finally gives these dynamic figures their due creating a varied and dramatic portrait of women wielding power in politics society and popular culture **The Cat**

Forgiven But Not Forgotten! Andrea Thompson,2009-09 Forgiven but not forgotten Mabel's Journey Beloved do not avenge yourselves but rather give place to wrath for it is written Vengeance is Mine I will repay says the Lord Romans 12:19 Is it possible to forgive and forget when others intentionally hurt us The author posits that it's possible to forgive and forget if God is at the center of the rebuilding process and the following steps are practiced Praying for the ability to recognize

perpetrators motives Acknowledging that perpetrators have issues with jealousy envy sense of entitlement or whatever in your God given wisdom you determined their problem to be Asking God to renew a right spirit within perpetrators as well as ensuring that you do not possess similar characteristic Dialoguing with offenders to increase awareness of the painfulness of their actions In praying through God you are able to forgive realizing that the battle is not yours but the Lord s Accepting apologies and praying with perpetrators immediately thereafter to remove the yoke of unforgiveness Mabel is a young girl whose parents reckless decisions dealt her a cruel blow in life She embarked on a journey trying desperately to escape a dysfunctional and abusive home but the journey took her through ill treatment and neglect It was only through others that she learned to bask in droplets of mercies and at times showers of blessings Mabel practiced the art of forgiving so as to lessen the crippling weight and burden of unforgiveness but just as she thought she would triumph and master the art of forgiving and forgetting disaster struck

A Town of Mabel's Christie Wood,2013-06-27 I began to write a book about my mothers life As she descended further and further into a disease called Alzheimers my writing morphed into Why her Why this disease for her for our family It became a search to get to know a woman I had only seen as my mom before Its my story of how I handled with tenacious determination to always approach her with a smile willing to meet her wherever she was in her moment

Murder at Mabel's Motel G. A. McKevett,2021-01-26 Stella Granny Reid s youth wasn t the only thing changed by time in tiny nondescript McGill Georgia Except even back in the 1980s the Southern town still had a way of attracting downright dubious characters some with a talent for murder As quirky as McGill s residents can be they usually welcome society s oddballs and outcasts into the community with open arms But the three members of the Lone White Wolf Pack are a different story Townsfolk aren t feeling the least bit neighborly toward the gang widely believed to have orchestrated several hate crimes in the area When the group s leader Billy Ray Sonner is found dead in an abandoned motel most assume it was the result of an accidental overdose An unfortunate yet predictable end for a man who lived the way Billy did Only Stella and the sheriff have witnessed the crime scene in person and suspect something more disturbing happened in that ramshackle room While Stella wades through a flood of potential culprits one thing becomes clear this wasn t an impulsive act of revenge There s a sophisticated killer on the loose and Stella must expose deep rooted fears and dark pasts if she wants to crack a carefully planned murder and stop McGill from descending into chaos
