Macarian Legacy The Place Of Macarius Symeon In The Eastern Christian Tradition:

The Macarian Legacy Marcus Plested, 2004-09-23 The Macarian writings are among the most important and influential works of the early Christian ascetic and mystical tradition This book offers an introduction to the work of Macarius Symeon commonly referred to as Pseudo Macarius outlining the lineaments of his teaching and the historical context of his works The book goes on to examine and re evaluate the complex question of his relationship with the Messalian tendency and to explore the nature of his theological and spiritual legacy in the later Christian tradition In so doing the book also offers substantial treatments of the work of Mark the Monk Diadochus of Photice Abba Isaiah and Maximus Confessor It stands therefore not only as an exploration of the teaching and legacy of Macarius Symeon but also as a chapter in the history of the Christian spiritual tradition

across diversity among those who seek to be faithful to Jesus Christ **Union with God in Christ** Matthew Friedman, 2017-10-26 A significant number of Muslim communities throughout the world reflect varying degrees of involvement in Islamic mysticism. What bridges are present in this context that will facilitate not only evangelism but also discipleship and community formation? Matthew Friedman guides the reader on a journey examining the response of the early Christian community to the challenges of ancient Jewish and Hellenic mysticism, focusing on the central idea of union with God in Christ. Far from finding this to be a leftover from the early Church, he discovers that this theme remained crucial into the Reformation, particularly in the writing and work of eighteenth-century figures John and Charles Wesley. Join Friedman as he explores resources for discipleship and community building that will be relevant to both scholars and practitioners alike and will be effective for witness within modern contexts of Islamic mysticism worldwide.
