Matt McCarten:

Wild Westie Hazel Phillips, 2014-07-23 Sir Bob Harvey's colourful and varied life sums up the classic give it a go Kiwi attitude. A legend of the eighties advertising world, influential political strategist, former president of the Labour Party, outspoken environmentalist, long serving mayor of Waitakere City and daring adventurer, Sir Bob has overseen and made New Zealand history. In this revealing biography of the self-proclaimed Wild Westie, journalist Hazel Phillips shares the social, political and personal events that have shaped Sir Bob's remarkable life, as well as fascinating behind-the-scenes stories from a man never far from the epicentre of New Zealand government. Also available as an eBook. What Workers Say Richard B. Freeman, Peter Boxall, Peter Haynes, 2018-09-05 This book brings together research in the United States, Canada, the United Kingdom, Ireland, Australia and New Zealand to answer a series of key questions: What opportunities do employees in Anglo-American workplaces have to voice their concerns and what do they seek? To what extent and in what contexts do workers want greater union representation? How do workers feel about employer-initiated channels of influence? What styles of engagement do they want with employers? What institutional models are more successful in giving workers the voice they seek at workplaces? What can unions, employers and public policy makers learn from these studies of representation and influence? The research is based largely on surveys that were conducted as a follow-up to the influential Worker Representation and Participation Survey (WRPS) reported in *What Workers Want*, co-authored by Richard B. Freeman and Joel Rogers in 1999 and updated in 2006. Taken together, these studies authoritatively outline workers' attitudes toward and opportunities for representation and influence in the Anglo-American workplace. They also enhance industrial relations theory and suggest strategies for unions, employers and public policy. Matt McCarten Cathy Casey, 2002 Everyone has a view of Matt McCarten: president of the Alliance, wannabe mayor of Auckland, aspiring MP, trade union leader, stutterer, pin-up boy. In public, McCarten has been variously described as ruthless, Machiavellian, manipulative, uncompromising, frank, driven, tough, honest, down-to-earth, a sensitive new-age hatchet man, a strategic genius, a ruthless operator. To his supporters on the left, he is a saint; and to those he opposes, he is a demon. The private Matt McCarten is much less well known. Matt has consistently refused to discuss his past in any detail. In this biography, Matt's story is told in his own words. And it's a heart-rending tale. This focused political fighting machine evolved from a lonely little boy shunted between orphanages and boys' homes in the Wellington region for 14 years. His story is one of survival into successful adulthood. Cathy Casey is the author of *CHANGE FOR THE BETTER: THE STORY OF GEORGINA BEYER*. She worked for a number of years as Jim Anderton's Senior Private Secretary until early 2002. She is Matt McCarten's partner. **Voters' Veto** Jack Vowles, Peter Aimer, 2013-11-01 Tracking New Zealand's transition from the first-past-the-post electoral system as used in Britain to the mixed-member proportional system as used in Germany, this analysis examines New Zealand's pivotal 2002 election through a campaign study, a post-election study and a mid-election panel. Based on surveys of more than 5,000 voters and information from candidates, the

data included profiles the campaign candidates media issues leaders electoral systems and social and political context of this key election Essays from New Zealanders and Americans analyze central issues including the outcome of the election for the National Party Labour Party New Zealand First Party and the United Future Party and the political importance of indigenous Maori voters *Natural Causes* James R. O'Connor,1998-01-01 This work shows how the policies and imperatives of business and government influence and are influenced by environment and social change It examines the power of ecological Marxist analysis for grounding economic behaviour in the real world and for formulating political strategies **Left Turn** Jonathan Boston,2000 This book looks at the campaign for the 1999 election how people voted and why and the formation of the minority centre left coalition It highlights key election issues and the leadership contest between Jenny Shipley and Helen Clark as well as the referenda on the size of Parliament and on the justice system **Political Handbook of the World 2015** Tom Lansford,2015-03-24 The Political Handbook of the World provides timely thorough and accurate political information with more in depth coverage of current political controversies than any other reference guide The updated 2015 edition will continue to be the most authoritative source for finding complete facts and analysis on each country s governmental and political makeup Compiling in one place more than 200 entries on countries and territories throughout the world this volume is renowned for its extensive coverage of all major and minor political parties and groups in each political system It also provides names of key ambassadors and international memberships of each country plus detailed profiles of more than 30 intergovernmental organizations and UN agencies And this annual update includes coverage of current events issues crises and controversies from the course of this year *New Zealand Votes* Jonathan Boston,2003 This text is accompanied by audiovisual material CD ROM **Workers in the Margins** Cybèle Locke,2012 Marginalised workers of the late twentieth century were those last hired in times of plenty and first fired in times of recession Often women Maori or people from the Pacific they were frequently unemployed and marginalised within the union movement as well as the labour force **WORKERS IN THE MARGINS** tells the story of these workers in the tumultuous years of post war New Zealand These were years characterised by massive changes in the workforce as it expanded to accommodate a growing urban Maori population and an increasing desire for women to enter paid work The world of trade unions and employment conflicts such as the 1951 waterfront lockout was vigorous and challenging As free market policies deregulated the labour market and splintered the union movement toward the end of the century Te Roopu Rawakore o Aotearoa the national unemployed and beneficiaries movement gave a new voice to workers in the margins The people of this history come to life through oral histories from the poet and boilermaker Hone Tuwhare building a palisade at Orakei through to activists Sue Bradford and Jane Stevens working with the unemployed in the 1980s and 90s Their experiences speak to the lives of many workers of the early twenty first century **New Parties in Old Party Systems** Nicole Bolleyer,2013-09 New Parties in Old Party Systems addresses a pertinent yet neglected issue in comparative party research why are some new parties that enter national

parliament able to defend a niche on the national level while other fail to do so Unlike most existing studies which strongly focus on electoral short term success or particular party families this book examines the conditions for the organizational persistence and electoral sustainability of the 140 organizationally new parties that entered their national parliaments in seventeen democracies from 1968 to 2011 The book presents a new theoretical perspective on party institutionalization which considers the role of both structural and agential factors driving party evolution It thereby fills some important lacunae in current cross national research First it theorizes the interplay between structural pre conditions for party building and the choices of party founders and leaders whose interplay shapes parties institutionalization patterns crucial for their evolution before and after entering national parliament Second this approach is substantiated empirically by advanced statistical methods assessing the role of party origin for new party persistence and sustainability These analyses are combined with a wide range of in depth case studies capturing how intra organizational dynamics shape party success and failure By accounting for new parties longer term performance the study sheds light on the conditions under which the spectacular rise of new parties in advanced democracies is likely to substantively change old party systems Comparative Politics is a series for students teachers and researchers of political science that deals with contemporary government and politics Global in scope books in the series are characterised by a stress on comparative analysis and strong methodological rigour The series is published in association with the European Consortium for Political Research For more information visit www.ecprnet.eu

Voters' Victory Jack Vowles, 2013-11-01 Completes a triad of studies charting New Zealand's shift to a new MMP electoral system This volume is the story of the first MMP election in 1996 and asks the question is MMP beginning to deliver what its advocates hoped The research for the text used two different multi stage panels and featured a post election postal survey of over 2000 electors and a similar survey of election candidates from those parties securing parliamentary representation a study based on daily telephone interviews throughout the 1996 election campaign and post election re interviews

Crossing the Floor Helen Leahy, 2015-11-23 This biography of Tariana Turia sees family members iwi leaders social justice advocates and politicians share their experiences of this remarkable woman While parliament was not part of her life plan Tariana Turia was involved in many community initiatives A turning point came in 1995 when Tariana's leadership was evident in the reoccupation of Pakaitore Here was a woman with the courage to care the determination to speak up and a deep commitment to whānau Inevitably she was invited to stand in the 1996 general election In her eighteen years as an MP she advanced thinking in the disability area advocated for tobacco reform and spoke out about sexual abuse violence and racism She also led the Whānau Ora initiative In 2004 she crossed the floor leading to the birth of the Māori Party

John Key: Portrait of a Prime Minister John Roughan, 2017-01-30 New Zealand's most popular modern day Prime Minister John Key shocked many with his decision to step down from office less than a year out from a general election Rather than doing what most expected and seeking an historic fourth term Key opted to quit while his approval rating was

still high and before voters tired of him I always thought leaders overstay their welcome They just start grating with people All the things people liked about them they start not to like Key tells journalist John Roughan in this updated edition of John Key Portrait of a Prime Minister A fascinating insight into Key s early life personality and motivations Roughan s account of John Key s rise and rise examines how the twin ambitions of a boy in a state house to make a million dollars and be Prime Minister were realised beyond his dreams As popular as ever after eight years as Prime Minister Key chose to leave the job he loved and the voters who seemed certain to return him to office But as Roughan concludes it s perhaps not surprising that the instincts that served him so well as a currency trader and which also informed his approach to politics ultimately fuelled Key s unprecedented decision to retire at the height of his power

The Democratic Socialist Party Jim Percy,1994 [A Populist Exception?](#) Jack Vowles,Jennifer Curtin,2020-08-10 The spectre of populism might be an apt description for what is happening in different parts of the world but does it apply to New Zealand Immediately after New Zealand s 2017 general election populist party New Zealand First gained a pivotal role in a coalition with the Labour Party leading some international observers to suggest it represented a populist capture of the government The leader of New Zealand First Winston Peters justified his support for Labour as necessary to allow capitalism to regain its human face The new prime minister Jacinda Ardern spoke of a kinder inclusive politics This book draws on the 2017 New Zealand Election Study to uncover New Zealanders political attitudes and preferences post election Its authors ask is New Zealand now A Populist Exception Through detailed empirical analyses of how populism and authoritarianism affected vote choice opinions about immigration satisfaction with democracy and the relevance of gender and indigeneity to these issues this book finds that New Zealand politics today does not reflect the international trend toward ideological polarisation and electoral volatility The authors argue that inclusive forms of populism can be pluralist if a leader s rhetorical approach recognises the people as diverse and encompassing A Populist Exception concludes that although populism has long been a strong current in New Zealand history contemporary New Zealand exhibits a moderate form of populism with liberal and pluralist values in balance with a strong commitment to majoritarian democracy
