Medical Liability Casebook:

Law and Health Care Quality, Patient Safety, and Liability Barry R. Furrow, Thomas L. Greaney, Sandra H. Johnson, Jr., Timonty Stoltzfus Jost, Robert L. Schwartz, Brietta R. Clark, Erin Fuse Brown, Elizabeth A. Pendo, 2018-08-16 This book offers a framework for studying modern quality approaches including more expansive definitions of quality in health care patient safety and the use of data driven methods for monitoring quality performance The text begins with a student friendly introduction to the way that the central concerns in health law and policy cost quality access and choice interact The next chapters cover state and federal quality control regulation including professional licensure and discipline and Medicare and Medicaid provider certification for health care organizations The book provides extensive material on liability including both medical malpractice and the liability of health care organizations and explores the impact of ERISA preemption on liability for quality failures These chapters also address the duties of informed consent and confidentiality including HIPAA and the impact of nondiscrimination obligations as a matter of quality in health care The book includes material on quality efforts within health care organizations including their relationship with health care professionals through staff privileges contracting and employment

Medical Liability and Treatment Relationships Mark A. Hall, Mary Anne Bobinski, David Orentlicher, 2008 Medical Liability and Treatment Relationships Second Edition derived from the authors well known casebook Health Care Law and Ethics Seventh Edition Is the ideal casebook for any course that concentrates on medical malpractice and liability or the relationships between patients and providers This specialized casebook like its parent book integrates public policy and legal doctrine and features clear notes that provide context smooth transitions between cases and background information Coverage includes materials based on Part I of the parent book The Provider And The Patient as well as coverage of professional licensure and regulating access to drugs materials on medical malpractice not found in the parent book Daubert v Merrell Dow Pharmaceuticals Inc Notes on forensic medicine and epidemiological evidence and a problem on practice guidelines Duquette v Superior Court on the ex parte contact rule in discovery a comprehensive web site www.healthlaw.org that provides background materials updates of important events additional relevant topics and links to other resources on the Internet New To The Second Edition Liability implications of consumer driven health care The latest information about the medical malpractice crisis Adams v Via Christi Regional Medical Center on forming a treatment relationship Medical Liability and Treatment Relationships Second Edition Is precisely the book for any course or seminar that focuses on the many aspects of medical treatment relationships or the potential for medical liability

Liability and Quality Issues in Health Care Barry R. Furrow, 1991

Liability in Medicine and Public Health Marcia Mobilia Boumil, David J. Sharpe, 2004 Because the facts are so important and interesting in medical liability litigation the authors of Boumil and Sharpe s *Liability in Medicine and Public Health* have selected cases with thorough statements of facts as well as intelligible discussions of law The authors have avoided including medical and legal horror stories instead a good many cases

illustrate commonplace situations in medical practice that lawyers have to discuss with doctors over and over The medical practitioner orientation looks at negligence informed consent bioethics and insurance through the eyes of doctors and other healthcare providers The authors are not plaintiff oriented or defendant oriented they are trying to show the interplay of lawyers and doctors in many roles This law school casebook Covers medical liability claims and allocation of liabilities Discusses treating the medical liability crisis regarding insurance Examines claims against multi Unhealed Wounds Neal C. Hogan,2003 Argues that the significant changes in malpractice are not the result of a standardization of care but the result of a host of other factors insurer demands court sensibilities and medical society politics Preface **Medical Liability** Salvatore Francis Fiscina,1991 *Medical Professionalism* Gia Merlo,Thomas D. Harter,2024 Medical Professionalism Theory Education and Practice provides a comprehensive account of three tracks of medical professionalism the conceptual the teaching and assessment and the practical in a single resource from leading experts in the field *Literature Search* National Library of Medicine (U.S.),1978 **The Medical Malpractice Survival Handbook E-Book** ACLM,2007-03-09 Reduce your risk of costly litigation Written in easy to understand language by a team of medical doctors who are also attorneys at law this handbook addresses the issues surrounding the growing incidence of medical malpractice It examines the scenarios that can result in a malpractice suit the best actions to take during the course of litigation and the most effective ways to minimize your legal liabilities Access the expert guidance of top professionals across medical and legal fields in an easy to read format Review the legal aspects of nearly every medical topic that impacts health care professionals Quickly see how to minimize your legal liabilities with the aid of Golden Rule boxes Understand the different types of malpractice suits and the physician s position and defense in each See how concepts apply to specific scenarios through abundant case studies Explore specific legal considerations for each medical specialty Medical Malpractice Jim M. Perdue,1974
