Meditation and the Classroom Judith Simmer-Brown,Fran Grace,2011-08-01 Meditation and the Classroom inventively articulates how educators can use meditation to educate the whole student Notably a number of universities have initiated contemplative studies options and others have opened contemplative spaces This represents an attempt to address the inner

life It is also a sign of a new era one in which the United States is more spiritually diverse than ever before Examples from university classrooms and statements by students indicate benefits include increased self awareness creativity and compassion The religious studies scholars who have contributed to this book often teach about meditation but here they include reflections on how meditation has affected them and their teaching Until recently though even many religious studies professors would find sharing meditation experiences let alone teaching meditation techniques a breach of disciplinary and academic protocols The value of teaching meditation and teaching about meditation is discussed Ethical issues such as pluralism respect qualifications power and coercion and avoiding actual or perceived proselytization are also examined While methods for religious studies are emphasized the book provides valuable guidance for all those interested in this endeavor

Facing Trials: Thoughts For Meditation Cheryl Zelenka,2013-09 We must all weather the winds of adversity God warns His children that they will have trouble and hardships in life Jn 16 33 NIV The fruit birthed out of personal trials enable us to comfort others with the comfort we ourselves have been given through Christ Facing Trials Thoughts For Meditation is a devotional full of hope encouragement and instruction There are two thought provoking devotions for each of the twenty selected topics Every meditation has a scriptural foundation with plenty of ideas for personal contemplation and reflection Cheryl Zelenka knows what it is to walk through the Valley of the Shadow of Death and live to ascend the mountaintop of God Her undiagnosed brain tumor caused clinical depression for nearly ten years Ms Zelenka challenges each believer to change their negative view of trials and consider them as blessings It is through trials that we deepen our relationship and dependence on God No journey in life is without seasons of tears and sorrow but the Son shines in the valley as well as in the desert and mountaintop With each new trial we experience our personal Tree of Life buds flowers and bears fruit *Daily Meditations for Calming Your Angry Mind* Jeffrey Brantley,Wendy Millstine,2015-07-01 Anger is an intense emotion that everyone deals with but when feelings of anger spiral out of control they can get in the way of living a full and happy life In
