

The Illegitimate Path

When the illegitimate path is the only path, it is the only path. It is the only path that leads to the end of the road. It is the only path that leads to the end of the road. It is the only path that leads to the end of the road.

It is the only path that leads to the end of the road. It is the only path that leads to the end of the road. It is the only path that leads to the end of the road. It is the only path that leads to the end of the road. It is the only path that leads to the end of the road.
