Motivating With Love A Memoir:

Motivating with Love Mary D. Nelson, 1989 My Inspirational Memoir and Thoughts Gugu Gwen Masondo, 2013-08-21

Gugu Gwen Masondo is a single parent to one son. She was rejected by her father and was raised by her distant relative of her mother's. Despite all the adversities she has faced growing up and in her journey to achieving her goals, she has conquered and has achieved her dreams because of her determination, courage, tenacity, and strong faith in God. In this book, she shares her thoughts and messages of encouragement and hope which she strongly believes were all put in her spirit by God. She has been in bondage for forty-two years and was delivered in 2011. Her writings are inspired by her life experiences and her observations. She believes God has a great purpose for her life, taking into account all the incidents she has encountered and how her life has unfolded. She has touched some lives so far, mainly on Facebook, where she started with her writings. She has no intention whatsoever of causing conflict or confusion of any kind to the reader. It is entirely up to the reader whether they use the material in a way that would be beneficial to them or not. Her main objective and hope and prayer is to see and know that somebody's life somewhere has in one way or the other changed for the better through her memoir. *Angry Love: A Book of Memoirs, Metaphors, and Colorful advice that will change your Angry Love into Laughter* Kimberly

Canada, 2012-05-09. Truly gifted, talented, strong voices, nicest, mean, girl, crazy, funny, are a few of the terms and words used to describe this first time author, Kimberly Canada. The forty-something single parent grew up in Oakland, California. Kimberly dropped out of high school to work fulltime. She finds out this wasn't the best plan she could have had. Later in her very adult life, she finds herself divorced, sick, and homeless with three kids. Her anger for her situation kicks a fiery, fierce attitude that comes out in this book. Kimberly gives you a front row seat to her deep thoughts, emotions, and hilarious times. Angry love will make you laugh, cry, think, and laugh all over again after you read her true life adventures. The hard-core advice she dishes out will inspire you to think about where you may want to make changes in your life. She will inspire you to journal and record your life. This book has resource information to help those who may be in similar situations. Once you pick up *Angry Love*, you will not be able to put it down. OMG, a work of art. I love it. You are talented. I laughed, cried, and laughed and cried. You are officially crazy. Nikitra Hypolite. Title is AWESOME. I am happy to say that you are simply amazing. You are so talented, a true poet. Raw, real, very thoughtful, and INSPIRING. Lashonda Wilson. Wilson College, Chambersburg, Pa. It's fantastic, very talented writer, your own voice, and unique style. Amy Eisenburg. University of California, Santa Barbara. Memoirs of Mercy Dionna K. Trice, 2006-06-30. *Memoirs of Mercy* offers a balm and cure for the infectious and devious pandemic called silence. Dionna Trice's willingness to break the code of silence and come clean will empower many. She dared to stand trial on the pavement of the public court for a crime she did not commit. Her willingness to allow her accusers to levy charges against her demonstrates that her only motivation is love. *Memoirs of Mercy* is a survival guide addressed to anyone who has been fatherless or suffered devastation through loss, rejection, isolation, and abandonment. It shows you how to keep the faith even

after you've done all the right things but it seems like all hell is breaking loose around you. It is to the person who feels trapped in their life's circumstances as a result of generational curses. This book is for the person who needs supernatural deliverance. Through this compelling autobiography Dionna reveals that a happily ever after is possible. A change for the better is possible. Healing is possible. Finding true love is possible. Someone can love you despite internal external imperfections. It is possible to release all of your emotional baggage. It is possible to trust again to believe again. It is possible to live and you haven't lived until you've had a relationship with God. It is possible to put on spiritual lenses and see clearly. It is possible to walk into destiny and have purpose in your life. God has restored Dionna's life after enduring prolonged seasons of emotional pain. She wants to share these memoirs with you to challenge you to identify the root causes of negative cycles in your life. Let them inspire you to prioritize what's really important. Now friend, follow Dionna as she leads you through the corridors of Memoirs of Mercy. Read excerpts at <http://www.memoirsofmercy.com/Excerpts.html>

Saving Beauty a Memoir of Love, Desire and Multiple Sclerosis Harvey A. Kaplan, 2009-10. Does love have its limits? Are couples challenged beyond what they can handle when one becomes ill? How does one cope in the face of a devastating debilitating disease that has come to steal your loved one from you? *Saving Beauty* is a deeply personal narrative of a marriage transformed by the emergence of a serious illness. Dr. Kaplan shares his touching story of loving a beautiful woman ravaged by multiple sclerosis. A tale of love, sensitivity and strength emerges from the pages as Dr. Kaplan examines the psychological and social effects of disability with the wisdom and expertise of a trained psychologist. *Saving Beauty* is not only about facing the unexpected; it is also about exploring the meaning of soul and learning how to muster courage and acceptance while dealing with life and death issues. Dr. Kaplan provides pragmatic insight into celebrating life even through the devastation and pain. *Saving Beauty* examines how circumstances good and bad shape our characters and destinies as it champions the importance of hope. These memoirs capture the redemptive power of love in the face of despair. With a surprising conclusion, the reader discovers how pain and loss can become catalysts for amazing soulful transformations. Dr. Harvey A. Kaplan is a psychotherapist who lives and practices in New York City.

Memoirs of the Life of Henriette-Sylvie de Moliere Madame de Villedieu, 2007-11-01. Known as Madame de Villedieu, Marie Catherine Desjardins ca. 1640-83 was a prolific writer who played an important role in the evolution of the early modern French novel. One of the earliest women to write for a living, she defied cultural convention by becoming an innovator and appealing to popular tastes through fiction, drama and poetry. *Memoirs of the Life of Henriette Sylvie de Moliere* is a semi-autobiographical novel that portrays an enterprising woman who writes the story of her life, a complex tale that runs counter to social expectations and novelistic conventions. A striking work, the story skillfully mixes real events from the author's life with fictional adventures. At a time when few women published, Villedieu's *Memoirs* is a significant achievement in creating a voice for the early modern woman writer. Produced while the French novel form was still in its infancy, it should be welcomed by any scholar of women's writing or the early development of the novel.
