My Father Laurence Olivier Tarquin Olivier, 1993 **My Father Laurence Olivier Bca Ed** , 1992-08-27 **My Father Laurence Olivier. Spoken Word. Sound 876. 9 Audio Cassettes** Tarquin Olivier, 19?? Melting the Stone Richard Olivier, 1996 A superb account of the men's movement its ideas and virtues from the perspective of the son of Laurence Olivier Theatre and Celebrity in Britain 1660-2000 Mary Luckhurst, Jane Moody, 2005-10-18 Theatre has always been a site for selling outrage and sensation a place where public reputations are made and destroyed in spectacular ways This is the first book to investigate the construction and production of celebrity in the British theatre These exciting essays explore aspects of fame notoriety and transgression in a wide range of performers and playwrights including David Garrick Oscar Wilde Ellen Terry Laurence Olivier and Sarah Kane This pioneering volume examines the ingenious ways in which these stars have negotiated their own fame The essays also analyze the complex relationships between discourses of celebrity and questions of gender spectatorship and the operation of cultural markets Shakespeare for My Father Lynn Redgrave, William Shakespeare, 2001 The renowned actress's first foray into playwriting as family reminiscences developed into a complex funny and moving portrait of a child's longing for the love of the inscrutable daunting and charismatic Shakespearean actor who was her father Acclaimed in America and Great Britain Shakespeare for My Father weaves scenes from the Bard that delightfully coalesce with events in Ms Redgrave's young life eliciting memories of Sir Michael and engaging impressions of the celebrated stars who frequented the Redgrave's home and lives **Out of My Father's Shadow** Tanya Constantine, 2019-04-30 Though born in America Eddie Constantine is perhaps best remembered as a film actor in France and Germany playing the role of a hardboiled detective named Lemmy Caution and appearing in films by Jean Luc Godard Rainer Werner Fassbinder and Lars von Trier In the process of transitioning Constantine from the star of B movies to the epicenter of the Nouvelle Vague Jean Luc Godard reconsecrated him as the solemn and impassive star of his extraordinary film Alphaville Eddie's unruffled charm winning smile and American credentials made him virtually untouchable Europeans liked Constantine because he wasn't a pretty face he had savoir faire Constantine's daughter Tanya traveled with him throughout much of his career and this book comes from her perspective of their troubled familial relationship It is a testament to his legend that Constantine emerges from the candor of his daughter's autobiography somehow strengthened by her revelations of the compulsions and insecurities he made those closest to him suffer This book presents us with universal truths about the difficulties experienced within family relationships and takes us behind the curtain of celebrity and the fixed smiles of publicity photos in a way few books ever do I had a most unusual upbringing being the child of a celebrity My childhood was a unique situation that only people who had experienced it could comprehend My father was a superstar and singer in Europe in the 1950s and 60s He and I recorded a song called The Man and The Child that sold over a million records in France alone when I was just eleven years old thus making me a celebrity too When

superstardom set in a crazy atmosphere had overtaken our household as fame creates pressure fear of loss and resentment My father s estate became an open house to international celebrities who came to visit Despite the fame and fortune that became part of my life I ran away from home before the age of sixteen with the man who later became my first husband I have spent my entire life attempting to release the pain of my upbringing

My Life with Noel Coward Graham Payn,1996-10-31 Other men made fabulous careers out of the opportunities Noel Coward declined But Coward s inner compass charted him on his own course to greatness And when he couldn t find the destination on his maps he invented Samolo his own South Sea island complete with its own indigenous rituals and customs And of course we revisit Coward s worlds constantly in revivals of his classic plays Hay Fever Private Lives Tonight at 8 30 Design for Living and Blithe Spirit This is the definitive memoir of the private Noel Coward by the only man with the compassionate insight and first hand experience to write it Graham Payn star of many of Coward s shows shared the Master s professional and private life for thirty years When Coward kept the rest of the world at bay Payn remained at his side as confidant and friend No one else was as privy to Coward s doubts and dreams

Children of Hollywood Michelle Vogel,2005-04-13 Living in the shadow of a famous parent can have powerful effects from professional opportunities to pressure so great it leads to suicide Some children of stars are proud of their roots while others live in secrecy This is a rare look into the private lives of the children and in a few cases grandchildren of these classic Hollywood icons revealing the stresses and inspirations of living with great performers who may or may not have been great parents Some movie stars protected their offspring but others used them as publicity props or even made them into rivals Despite their unusual upbringing some of the children succeeded in the movies or elsewhere but many never lived up to the public expectations Many lost their parents whether to the extremes of the celebrity lifestyle to divorce or to their careers From the beautiful bedtime stories Harpo Marx and his wife told their four adopted children to explain where they d come from to the studded belt Bing Crosby used to punish his sons for not obeying the strict family rules this work tells the best and worst of growing up in a celebrity home Families covered include those of W C Fields the Marx Brothers Eddie Cantor Mario Lanza Ruth Hussey Jerry Lewis Douglas Fairbanks and Boris Karloff Research is drawn from interviews with celebrity offspring who also provided never before published snapshots of Hollywood legends at home
