

## Prayer over the Offerings

Grant, we pray, O Lord,  
that, as promised by your Son,  
the Holy Spirit may reveal to us more  
abundantly  
the hidden mystery of this sacrifice  
and graciously lead us into all truth.  
Through Christ our Lord.  
**ALL: Amen.**

**Vatican II on Church-State Relations** M. Y. Ciftci, 2024-04-17 Should religion and politics be kept apart What should be the relationship between the church and the state M Y Ciftci answers these questions by studying the most important event in the recent history of the Catholic Church The Second Vatican Council 1962 65 The book provides a new interpretation of the Council s teaching on church state relations to better appreciate its flaws and need for reform By paying attention to the often overlooked importance given by the Council to the lay apostolate it reveals how the Council did not reform as is often thought but retained a flawed conception of the laity s role in politics It then proposes a new framework for understanding church state relations using the ressourcement method of returning to scripture and tradition and by a critical dialogue with Oliver O Donovan and various Protestant biblical scholars of the Powers in the New Testament Ciftci shows how fruitful an self consciously ecumenical approach can be for political theology As most ressourcement theologians have overlooked political issues and since ecumenical theology rarely touches on issues of church state relations this work makes an original contribution to the ressourcement project and to ecumenism

*Eternity*□*Path of the Inner Life* □□□,2025-03-10 We live on earth as if sailing at sea This book points out how we may find a  
 harbor for our souls to rest anchoring in God so that our lives are connected to Him sure and steadfast and one which enter  
 within the veil and enter into eternity Now we have a great hope not only to draw near to God but to dwell in Him tasting a  
 glimpse of heaven *CHURCH AND MONEY* ISAIAH MACWEALTH, The subject of church finances church financing  
 pastors and financial integrity has become a major discourse on every major social media platform leaving people in three  
 categories Those who believe and adhere strongly to church funding Those who are totally against church funding and  
 capitalizing ministry and Those who are not really sure of where to stand because of the confusing rhetoric I have always  
 been a lover of the truth and what I hate most in life is not the devil or demons or sin but half truth because that does more  
 damage than any devil or any demon God loves a cheerful giver The only problem God has with a giver is not whether he  
 gave 10% or 20% or more it is whether he is cheerful in his giving So I don t think we should be fighting those who have  
 gotten the revelation to give huge amounts and let that be our problem We should not be trying to discourage people from  
 doing what God loves for giving to better lives expand the kingdom and cater properly for those who propagate the Gospel  
 Instead if there is anything to discuss it should be about how we can be more cheerful about our giving Therefore in this book  
 I have thought to share with you simple reasons from scriptures about giving especially in the area of offerings and tithes and  
 to help those of you who may be confused not because you do not want to give but because you are finding a good reason to

do so I want to lend you my understanding as one who is not arguing or discussing about the subject but as one who has walked in the reality of giving laying down everything that I had and having God replace and multiply them I have seen giving work in my life and in the lives of people all around me If you read this book with sincerity and openness of heart line upon line and precept upon precept steadily from one chapter to the other whether or not you have some struggles along the way I believe that at the end of the discourse you would not only be learned on the subject but be able to teach others also

CHURCH ADMINISTRATION AND FINANCES ISIAIAH MACWEALTH, 2025-05-21 Without money one cannot effectively carry out ministry as money is the physical blood of ministry Yet as important as it is for all transactions money is also a tool for evil transactions Thus the problem of money is one that pastors have to deal with because you can neither do without it nor love it We expatiate on the spirituality required in handling church money and how to deal with the money may pose to the growth of your church in it you would learn about The money vehicle The spirituality of church income Biblical structure for church money managing church money growing of your church finances
