Project Renewal In Israel Urban Revitalization Through Partnership:

Project Renewal in Israel Paul King, 1987 Although it is too early for a final evaluation of this internationally important urban revitalization program which channelled one billion dollars into 84 distressed neighborhoods throughout Israel Project Renewal has undoubtedly improved the social welfare educational and physical condition of hundreds of thousands of Israelis as well as improving the image of many neighborhoods Co published with the Center for Jewish Community Studies Jerusalem Center for Public Affairs *Politics and Policy Implementation* Frederick A. Lazin, 2012-02-01 This book analyzes how the political system influences domestic policy implementation in Israel It shows how coalition politics party dominated ministries an independent and fragmented Jewish Agency diaspora Jewish communities powerful mayors and ethnic considerations influenced the implementation of Begin s Project Renewal a hybrid of the American War on Poverty Urban Renewal and Model Cities It also reveals how Project Renewal initiated change in Israel s political institutions and public policy system *Project Renewal in Israel* Paul King, 1987-08-18 Although it is too early for a final evaluation of this internationally important urban revitalization program which channelled one billion dollars into 84 distressed neighborhoods throughout Israel Project Renewal has undoubtedly improved the social welfare educational and physical condition of hundreds of thousands of Israelis as well as improving the image of many neighborhoods Co published with the Center for Jewish Community Studies Jerusalem Center for Public Affairs **Distant Partners** Ben W. Lappin, Morton I. Teicher, 1990 Offers an inside look at two communities half a world apart who became partners One needed aid and the other had the means to help the book chronicles their relationship in all its complexities pitfalls successes and failures This unique documentary provides a day by day blow by blow record of community development in practice It is presented in full and analyzed by the two authors one of whom was the community worker while the other was a member of the Croydon committee which was responsible for implementing the agreement Public Policy in Israel David Nachmias, Gila Menahem, 2016-02-17 An examination of the current Israeli government covering public policies such as health housing and transport The volume covers the institutional as well as the political and the bureaucratic framework within which public policies have been made and implemented *Covenant & Polity in Biblical Israel* Daniel J. Elazar, In this first volume of a trilogy Daniel J Elazar addresses political uses of the idea of covenant the tradition that has adhered to that idea and the political arrangements that flow from it Among the topics covered are covenant as a political concept the Bible as a political commentary the post biblical tradition medieval covenant theory and Jewish political culture Local Communities and the Israeli Polity Efraim Ben-Zadok, 2012-02-01 This book represents the first systematic effort to analyze the role of local communities and regions in Israel s national politics Traditionally portrayed as either elitist and highly centralized or as pluralistic with very active interest groups Israeli politics have seldom accounted for local and regional forces The authors demonstrate the growing importance of these communities in the politics of the country Their analyses are based on the

concept of spatial sector and eight sectors are covered The West Bank and Gaza Strip Arabs Israeli Arabs development towns renewal neighborhoods religious neighborhoods Gush Emunim settlements kibbutzim and moshavim and Jerusalem

Constitutionalism Daniel Judah Elazar,1990 In Israel today there is increasingly vigorous support for the framing of a constitution At the same time there is almost no recognition that in forty years Israel has acquired an almost complete set of basic laws that form a constitution The aims of this volume are threefold to inform the Israeli public and the world as to what exists and consider what still is needed in the way of a constitution to enter constitutionalism firmly on the Israeli public agenda and to learn from the American experience The author shows that Israel s constitution is more than anything else a modern adaptation of an ancient constitution Contents Israel and Models of Modern Constitutionalism The Politics of Constitution Making in the United States and Israel Issues of Constitutional Design Civil Rights and Liberties Issues of Constitutional Design Interjurisdictional Relations The State of Constitutionalism in the United States and Israel Where Do We Go from Here R Co publised with the Jerusalem Center for Public Affairs Checkbook Zionism Eric Fleisch,2024-01-12 American Jews donate approximately 2.5 billion to Israel each year Behind all that money and influence lies a power sharing dynamic that has left an indelible mark on the relationship between Israeli and American Jews and on the direction of Israeli society to this day Checkbook Zionism investigates how both parties have managed their interests emotions and attitudes about the important yet at times tense collaboration between them By delving into the history of American Jews philanthropic giving to Israelis Fleisch assesses the core nature of power sharing between both sides of the Jewish diaspora to the United States through in depth contemporary case studies of the relationship between sixteen non governmental organizations and their American Jewish donors Field observation document analysis and interviews with leaders activists and select donors alike serve a critical role here as Fleisch assesses whether these contemporary philanthropic associations repeat classic dynamics of power sharing or whether they represent a marked departure from the Checkbook Zionism of old The result is a new paradigm for evaluating power sharing that can be applied to future considerations of development in the Israel Diaspora relationship Wildfire Sam Lehman-Wilzig,2012-02-01 Wildfire is a wide ranging inter disciplinary study of the other side of Israeli public life Because the governmental service systems work poorly and political protest has proved to be largely ineffective the Israeli public has begun to take matters into their own hands in effect creating numerous alternative service systems in almost all spheres of life Lehman Wilzig describes this phenomenon and analyzes the impact of the most important alternative systems illegal settlement activity a huge underground economy pirate cable TV stations gray education Black medicine anti religious as well as anti secular activity and a growing demand for electoral reform and constitutionalization of the Israeli polity

Project Renewal In Israel Urban Revitalization Through Partnership: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels enthralling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Project Renewal In Israel Urban Revitalization Through Partnership : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
