The Approaching End of the Age Viewed in the Light of History, Prophecy, and Science Henry Grattan Guinness, 1879 The End of the Age Bible Study Guide John Hagee, 2022-02-15 The Day of the Lord Is Coming Soon The common saying Everything comes to an end assumes that what has a beginning must logically have a conclusion Rumors of wars earthquakes pestilence and signs in the heavens have increased and many believe that the End of the Age is upon us and a new age is about to be born While some in power wish to promote that which is contrary to God s Word believers in Christ must continue to stand for righteousness and boldly speak the truth according to God s Word No man knows the day or the hour but make no mistake when the trumpet sounds Jesus will be coming for His children In The End of the Age Study Guide New York Times bestselling author John Hagee examines the prophecies of the Bible in the context of the events taking place in our world He reveals how through Bible prophecy the Lord lays out our future both in this life and in the life to come He also shows that we are more than conquerors called to abundance confidence and peace when we have the knowledge of the truth found in God s Word The End of the Age represents quintessential teaching from John Hagee on Bible prophecy and is a must read for all those concerned with God s divine plan Each lesson in this study guide corresponds to the book and includes the following sections Explore the Scripture key passages for you to explore with study questions Reflect on the Scripture questions to help you reflect on the truths of the passage Act in Faith questions to help you apply the message of the passage to your life **The Approaching End of the Age** Henry Grattan Guinness, 2022-10-26 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Are We Living in the Time of the End?** United Church of God, 2010-09-16 What does Bible prophecy tell us about the time of the end Are we living in the end time When will be the end of the world For thousands of years people have been fascinated with predictions of the end of the world If we look into the inspired writings of the biblical prophets and apostles we find many prophecies that refer to the time of the end Should we take them seriously Are world conditions such that these prophecies could be fulfilled in our day Jesus Christ Himself talked of a future time so horrendous that no human lives would be spared unless those days were shortened Matthew 24 22 Did He have our time in mind Many biblical warnings leave us in no doubt that increasingly cataclysmic events will occur before God s direct intervention in human affairs These terrifying prophecies will see their fulfillment at some future time The crucial question is when This eye opening Bible study aid booklet Are We Living in the Time of the End examines exactly what Jesus His apostles

and the biblical prophets really said about the intriguing days they referred to as the time of the end You need this vital information Chapters in this ebook Are We Living in the Time of the End What Is the Time of the End A World in Perpetual Crisis Noah and Our Time A Sobering Parallel The End of the Age The Time of the End The End of What Biblical Terms for the Coming End of Man s Age Jesus Christ s Olivet Prophecy Where Are We Now Did Jesus Christ Foretell Devastating Storms This Generation Will Not Pass The End Time in the Book of Revelation The Population Explosion and Prophecy God s Framework for End Time Prophecy Preparing for the End Time What Can You Do Inside this Bible Study Aid ebook But we should remember that Jesus made it clear that no one could know the exact time of His return Of that day and hour no one knows not even the angels of heaven but My Father only Matthew 24 36 Some think the subject of the end time in the Bible is mainly confined to the New Testament But beginning in Genesis the first book of the Bible the Scriptures look beyond our present evil age to the time of the establishing of God s Kingdom Old Testament scriptures have much to say about events that take place during the end of this age and the following world to come When Scripture mentions the time of the end or the end of the age it is referring to the coming end of the present evil age This age in reality the age of Satan will draw to an end replaced by the age of God s rule over and guidance of all of humanity Revelation is a book written to reveal the future and Jesus Christ is the One who does the revealing Here is the theme of Revelation the time of the end of the age and the return of Jesus Christ to establish God s Kingdom on earth How should we view prophecy Can it provide spiritual benefits The apostle Peter mentioned that prophecy should serve to strengthen our hope and faith in the future 2 Peter 1 19

the beginning of a series of wakeup calls God is sending to mankind regarding the impending tribulations and judgments prophesied about in the Bible which will precede Jesus Christ's return to Jerusalem his mysteries of raptures and jubilee cycles the seventy sevens in Daniel 9 have been unsealed The final seven years of this age foretold in Daniel 9 will begin in 2025 when the Antichrist will sign a seven year covenant with Israel The fourth seal in Revelation 6 predicting massive death by war violence pestilence and famine involving a quarter of the earth is beginning to open This book will open your eyes to biblical prophecies to see what has been sealed up until now Following sound hermeneutic principles Dr Poon has decoded all the symbols and metaphors used in the books of Revelation and Daniel so that the events which will happen between now and 2032 have been written in plain language for all to understand Through a Jewish perspective he explains how Old Testament prophecies are fulfilled in Revelation even digging into the original text on certain key words This is a must read for our generation

Studies in Bible Prophecy Thomas Lewis, 2016-07-04 This book is a study of bible prophecy The purpose of the book is to awaken the reader to the times in which we live and to the fact that the earth is poised and ready to enter the cataclysmic time in which God will unleash His judgment upon the world For the Christian it is an exhortation to use his or her gifts in the service of the Lord and to share the message of salvation with as many people as possible while there is yet time For the non Christian this book is an appeal to trust Jesus Christ as his or her personal Savior while they still have the opportunity

The End of the Age James Henry McConkey, 1918

The Bible's Prophecy About the Free World Daniel Martinovich, 2022-09-14 There are over a hundred chapters of Bible prophecy about a growing free world before the book of Daniel ever uttered a word of end time prophecy A world in which kings and emperors dictators and warlords are being brought to nothing A world in which there is no more legal slavery and the earthly promises of God made to a hundred generations of saints unfulfilled in their time could finally begin to come to pass This simply could not occur in the ancient despotic world where the poor masses had little to no control of their temporal or even their eternal destinies The prophecies you will read about in this book promised an era of conditional freedom and prosperity for many nations They promise God's people who live in these nations will be free from the fear of oppression and that they will be able to raise their children as they see fit They promise the nations and peoples most influenced by the Bible and its principles will be the dominant nations in the world just as they have been for the last 500 years None of this occurred when the Messiah came or with the end of the first covenant age and the horrible destruction of Jerusalem in 70 AD In fact it got even worse for true believers after that It certainly did not occur when European empires and kingdoms began to claim Christianity This all began to occur in a specific year prophesied in Daniel and Revelation and for a specific reason The journey you take through The Bible's Prophecies about the Free World is going to change your life and rock the world around you Nothing will ever be the same No eye has seen no ear has heard no heart has imagined what God has prepared for those who love Him 1 Corinthians 2:9

Unsealing Daniel's Prophecy The 2300-Year Dominion of Philosophy over the World Paul

Csavdari,2025-05-30 Unsealing Daniel s Prophecy The 2300 Year Dominion of Philosophy over the World is a groundbreaking journey that bridges ancient biblical prophecy with the philosophical forces that have shaped the world for centuries Drawing from meticulously researched manuscripts and personal insights Paul Csavdari reveals how the visions of Daniel once sealed and mysterious carry profound relevance for our modern age This book is not merely a historical study It is a call to look beyond dogmas and the comfort of inherited interpretations It exposes the quiet drama behind how the ancient horns of power have found new shapes in every generation driven by human philosophies that claim absolute truth With a voice that is both personal and prophetic Paul invites readers to witness the collision of timeless truths and the illusions that continue to shape human destiny

America, the Prophecy, and the End of the Age Eiora Ysrael,2014-03-19 For years Bible Prophecy teachers have consistently interpreted bible prophecy using a methodology that results in a maze of false predictions speculations and errors What has been accepted as the traditional way of interpreting bible prophecy has created an atmosphere of confusion for most students and laymen Moreover the majority of preachers teachers televangelists and book authors today have consistently redefined the term nations as in governments state or country However the true biblical definition of the word nations peoples clans tribes or ethnic groups has been ignored and disregarded And it is by this definition that God deals with mankind Unfortunately the vast majority of Bible Prophecy teachers use the substituted definition to interpret bible prophecy Blurring the ability to know the who and the why of the prophecies by diverting attention to the states governments or countries instead As a result when the state not nation of Israel was reestablished in 1948 the Christian community proclaimed it to be a miraculous prophetic fulfillment However the problem with this supposition is that the true biblical definition of nations was completely ignored The shocking reality is this the current occupants residing in Israel today are not the true nation people tribe clan ethnic group of Ysrael and are not the sons of Abraham Isaac and Jacob as identified in the scriptures The 1980 Jewish Almanac and the Encyclopedia Judaica state that better than 95% of the Jews residing in the nation of Israel today are of Ashkenazi or Khazar descent and are not the Israelites of the Bible So by substituting the biblical definition of nations with the new definition prophecy teachers completely ignore the fact that the true nation people tribe ethnic group of Ysrael is not in the land Shockingly 98% of all prophecy books on the market today consistently insert the incorrect nation people

The Kingdom of the Beast and the End of the World J. C. Alexander,2005-04 Authoritative bold and different The final word on prophecy Written in everyday language It s not often that a book comes along that causes you to reexamine everything that you have ever learned on a particular subject In a manner reminiscent of The Prayer of Jabez and The Purpose Driven Live The Kingdom of the Beast takes you on a journey of enlightenment that will leave you satisfied that you finally understood what the end time prophecies are all about There are no magic formulas for interpreting the prophecies other than accepting what is written This book convincingly and scripturally moves the reader beyond some of the traditional man made ideas that have confused the

Church and kept it from coming to a unified understanding of the prophecies and then opens things up with a down to earth simplicity

The Complete Idiot's Guide to the Last Days Richard H. Perry, 2006 For many the idea of the Last Days brings to mind concerns and fears about the End of the World The Antichrist The Mark of the Beast World War and Armageddon For centuries man has been occupied with the idea that someday the world will come to an end These fears and concerns have been fuelled by natural disasters famines world wars and the writings of people such as Nostradamus Jeane Dixon and Tim LaHaye When we think about the Last Days we have more questions than answers Is the world really going to end Should we be concerned about the future Where are we today in relation to the Last Days Author Richard H Perry urges readers to consider the source when caught up in these questions that don't seem to have answers In *The Complete Idiot's Guide to the Last Days* Perry takes readers to the source of all discussion on the subject the Bible itself

End of the World Erika Grey, 2013-10-11 For Bible Prophecy watchers the book of Revelation is the main Biblical book for gauging the end time No book in the Bible is more frightening than the Revelation The entire book is devoted to the end of the world detailing God's judgments unleashed onto the earth plague by plague Revelation is the last book of the Bible and is a prophetic book It forecasts the apocalypse which means the final destruction of the world with events of catastrophic scale Part of the Earth's judgments happen through a world dictator Bible Scholars refer to as the Antichrist

End of the World The Revelation Prophecy provides an overview of the book of Revelation while also correlating Bible Prophecy to current events to help the reader understand how close we now are to the fulfillment of the Revelation prophecy Written by author and prophecy expert Erika Grey Erika focuses on current affairs the EU and its relation to Bible Prophecy and issues that affect individuals living in these end times

End-Time Prophecy Børge Beck, 2023-03-09 Along with a correct understanding of the Bible as the God-breathed Word a correct interpretation is crucial Basically there are only two methods of interpretation 1 the non literal allegorical or spiritualizing method or 2 the literal so called grammatical historical method The latter if employed consistently gives the only correct understanding of what God originally intended to reveal about the salvation of mankind The first part of this book demonstrates the advantage of the literal interpretation over the allegorical or spiritualizing method which must be avoided at all costs unless the text demands a shift from a literal to a figurative interpretation of a word or phrase bearing in mind that figurative language still reveals literal truths The second part of the book applies the teaching of the first part to Biblical prophecy which must be interpreted in the exact same way as any other text in the Word of God If employed consistently the literal reading leads to Premillennialism Christ returns to earth before and in order to establish the Millennial Kingdom Pretribulationism the Church is raptured to heaven before the Tribulation and Dispensationalism God's dealings with man in seven consecutive dispensations or stewardships Besides 2 Thessalonians 2:3 is explained on the basis of the Greek text so as to be a conclusive defense of the pretribulation Rapture of the Church

Tribulation R. H. Vargo, 2009-12-15 Tribulation God's Plan for the End of the Age reveals the information God wants

every Christian to know during the last days before Christ returns In his follow up book to 2028 R H Vargo gives you his insights on the coming events of the Tribulation the timing for those events and what the Lord expects of you during the last days of this age He provides details of when Jesus will return the antichrist s plans the rapture the mark of the beast and all the end time prophecies from Revelation are explored in verse by verse detail You do not want to be caught off guard during the cataclysmic times ahead not knowing what to expect God always tells his people ahead of time of His plans but only to those servants willing to listen End Times, the Middle East, and the New World Order Edward E. Hindson,1991 Is global peace and prosperity really just around the corner or should people take a more critical look at world events and lofty political promises Ed Hindson analyzes the current world scene in light of Bible prophecy from the Gulf War to questions about the identity of the Antichrist and the probability of lasting peace *Understanding End Times Prophecy* Paul Benware,2006-05-01 Many Christians think of end times prophecy as a gigantic intimidating puzzle difficult to piece together and impossible to figure out But every puzzle can be solved if you approach it the right way Paul Benware compares prophecy to a picture puzzle Putting the edge pieces together first builds the framework that makes it easier to fit the other pieces in their place According to Benware the framework for eschatology is the biblical covenants He begins his comprehensive survey by explaining the major covenants Then he discusses several different interpretations of end times prophecy Benware digs into the details of the Rapture the Great Tribulation the judgements and resurrections and the millennial kingdom But he also adds a unique personal element to the study answering questions as Why study bible prophecy What difference does it make if I m premillennial or amillennial If what the Bible says about the future puzzles you Understanding End Times Prophecy will help you put together the pieces and see the big picture
