Jesus: His Earthly Life in Chronological Order Peter Davies, 2012-02-21 This book places the earthly life of Jesus Christ in chronological order and is based on the Gospels of Matthew Mark Luke and John All verses in the four gospels are accounted for either in the text or in the comparative passages in the appendix **The Seed, the Covenants, and the Prophecies** Hans Willer Laale, 2017-10-03 The Seed the Covenants and the Prophecies is designed for students and laymen It is held together by a thin thread the promised Seed of the Woman a promise that makes its way throughout the Old Testament on the wings of prophecy to find its fulfillment in the New Testament The Seed of the Woman is initially perceived indistinctly but as revelations are made by God's inspired holy prophets over time a detailed portrait emerges of Jesus Christ the incarnate Word of God in His all embracing fullness Arranged chronologically the book provides from a literal biblical

perspective an abridged historical timeline of God's covenants with the Jewish people of Israel and Judah and of the Old Testament Messianic prophecies that have found fulfilment in the New Testament Events are liberally documented with excerpts and explanatory footnotes Interwoven with the unfolding fabric of ancient medieval and modern political and religious conflicts it is hoped that the book will stimulate interest in God's Word elicit dialogue and provide readers with a fair measure of enjoyment as well as spiritual direction **Dissertations on the Prophecies** Thomas Newton,1832

Armageddon Grant R. Jeffrey,2009-02-04 As the world rushed toward the new millennium many were asking Is the Year 2000 significant in the plan of God Are we the generation that will see the return of Christ Will Israel actually rebuild the Temple Why are the Arabs willing to go to war over Jerusalem Why are the nations arming for Armageddon Grant R Jeffrey has thoroughly revised and expanded his prophetic best selling book Armageddon with more than eighty pages of incredible research that will give you the real story behind the fast breaking news from Washington Europe and the Middle East Over half a million readers enjoyed the first edition Now for the rest of the story This book will challenge you with its unique discovery that virtually every major event in the history of Israel has occurred on the anniversary of Feast of the Passover Pentecost Feast of Tabernacles etc Discover the mysterious role of the ark of the covenant in Israel's past and its role in the rebuilding of the temple in our day Explore powerful prophecies that prove that Jesus is the Messiah Twenty prophetic signs warn our generation to prepare for the glorious return of Jesus Christ Helping Jesus Fulfill Prophecy Robert J Miller,2017-01-26 It's obvious that Jesus fulfilled prophecies about the promised Messiah or so the gospels make it seem But the real story is more complex and more compelling In hindsight we can see that Jesus had help fulfilling prophecy The gospel writers skillfully manipulated prophecies carefully lifting them out of context creatively reinterpreting them even rewriting them to match what Jesus would do in fulfilling them The evangelists also used the prophecies themselves to shape the very stories that show their fulfillment This book describes in detail how Christian authors helped Jesus fulfill prophecy Studies of Greek oracles the Dead Sea Scrolls translations of the Hebrew Scriptures into Greek and Aramaic and the writings of Josephus explore the interpretive techniques that paved the way for the New Testament's manipulation of prophecy This book analyzes how the belief that Jesus fulfilled prophecy became an argument to justify a new notion the view that Christians had replaced Jews as God's chosen people An aggressive anti Judaism is analyzed in chapters on patristic theologians such as Justin Martyr and Augustine who embedded it into the argument from prophecy The book concludes with an ethical argument for why Christians should retire the argument from prophecy THE FUNDAMENTALS OF THE CHRISTIAN FAITH Edward D. Andrews,Reuben Archer Torrey,2022-01-23 Biblical criticism originally known as Higher criticism of the Bible got started throughout the 18th and 19th centuries At that time Protestant scholars attacked the Bible an intellectual academic attack They devised a method of studying the Bible that became known as higher criticism and now biblical criticism These Bible critics taught that most of the Bible contained legend and myth Some even claimed that Jesus

never existed For the liberal moderate Bible scholar then and now the Word of God the Bible has become the word of man and a very chaotic distorted word at that The modern day liberal moderate Bible scholar says that much of the Bible is just wrong This thinking is the result of biblical criticism Biblical higher criticism is conjectural and uncertain doubtful in the extreme Today these Bible scholars who make up most of our seminaries explain the Bible accounts of miracles as myths legends or folk tales They do not even entertain the idea that there is the possibility that they actually occurred This viewpoint is subjective and gives no reliable reason to reject the Bible as inspired fully inerrant authentic and trustworthy Biblical criticism is highly defective and its centuries long assault on the Bible has not proven that the Bible is not the Word of God Many conservative Christians have been doing their best to defend God s Word Herein THE FUNDAMENTALS OF THE CHRISTIAN FAITH puts Biblical Criticism on trial judging their claims as subjective based on or influenced by personal feelings or opinions not objective factual actual real empirical verifiable in biblical studies *Jesus is Coming* William E. Blackstone,1908 **The Time of Jacob's Trouble** Donna VanLiere,2020-03-17 A moving fast paced account of the end times Publisher s Weekly A typical day at work turns into a nightmare for Emma Grady when her favorite patient and several colleagues vanish in front of her Fear turns to chaos as Emma begins the frantic race from Brooklyn to Queens anxious to discover if her boyfriend is safe Subways are closed graves are open and countless people have inexplicably disappeared Mayhem erupts as terror grips the residents of New York City What could make so many vanish in a moment And not just in New York but all over the globe Emma wonders if this is the predicted end of the world and begins a desperate search for answers This page turning story will take you on a riveting journey from New York City to Israel and in the final chapters Donna turns to the pages of the Bible where you ll learn that God has made known to us the end from the beginning and that things aren t spiraling downward but are actually looking up The bestselling author of *The Christmas Shoes* now explores a future world facing its final days in *The Time of Jacob s Trouble* weaving end times prophecies into the lives of Emma and her friends as they struggle to survive and come face to face with the chilling truth about the disappearances *The Future of the Kingdom in Prophecy and Fulfillment* Martin J. Wyngaarden,2008-07-04 **Unbeliever, No More!** Dr. Mike Salahshurian, PH. D,2022-05-03 There are over ten thousand religious beliefs in the world today No doubt your belief will be among the myriad of beliefs How sure are you that what you believe is actually true If you cannot offer reliable proof to substantiate your belief you need to read this book Today we have been bombarded by false information from media our environment our peers not to mention the influence of our upbringing So we have been taught to adopt a relativistic belief and not to think critically about subjects but rather accept the popular mindset At times you have probably wondered and asked many questions pertaining to the very essence of your being and the truth about your belief In this book you will find your answers based on the absolute infallible and inerrant Word of God *Readings in the History of Christian Theology, Volume 2, Revised Edition* William C. Placher,Derek R. Nelson,2017-02-01 William Placher and Derek Nelson compile

Illustrating the major theologians' controversies and schools of thought, *Readings in the History of Christian Theology* is an essential companion to the study of church history and historical theology. This revised edition expands the work's scope, drawing throughout on more female voices and expanding to include the most important twenty-first-century theological contributions. This valuable resource brings together the writings of major theologians from the church's history for a new generation of students.

There is a linked table of contents to each of them. *The Fundamentals: A Testimony To The Truth* is a set of 90 essays published from 1910 to 1915 by the Bible Institute of Los Angeles.
