Prophecy For Today:

Prophecy Today Hermen Kroesbergen, 2016-08-01 In Prophecy today reflections from a Southern African context a group of theologians and scholars of religion from Zambia and South Africa reflects upon these questions Anthropologists Biblical scholars practical theologians and others shine their light on what prophecy can mean today in this context This book aims at stimulating a continuing Southern African discourse on this very interesting and relevant aspect of Christianity in our region The book consists of 15 different articles by well known scholars and has been ably compiled and edited by Dr Hermen Kroesbergen lecturer in Systematic Theology and Philosophy of Religion at Justo Mwale University Lusaka Zambia

Bible Prophecy and Today Ted Bates, 2019-08-08 Do you remember your elementary school days when your teacher held Show and Tell In my book Bible Prophecy and Today An Urgent Wake Up Call I take you back to those days I show you how Bible prophecies written thousands of years ago are being fulfilled today They are happening right before our eyes I show you how God s word and today s world tell the same story We are witnessing many end times Bible prophecies as they come into full fruition The Bible is alive It breathes and is relevant to your life While dark times and dangerous events are already occurring on our planet there is still a silver lining in the clouds for those who place their hope in Jesus I want to inform and counsel you as you travel through stormy troubled waters in order to guide you into the safe haven of the Lord s secure and everlasting arms He is what our hearts truly desire and He said Call to Me and I will answer you and show you great and mighty things which you do not know Jeremiah 33 3 Come and see how Bible prophecies are being fulfilled today and what that means for you Ted Bates Author *IS THE GIFT OF PROPHECY FOR TODAY?* F. David Farnell, 2019-01-07 In the first century A D miraculous gifts occurred with the baptism with the Holy Spirit These served as signs that God was no longer using the Israelite nation but that his approval now rested on the Christian church which had been established by his Son Heb 2 2 4 On the day of Pentecost miraculous gifts followed the outpouring of the Holy Spirit and in each case mentioned in the New Testament where the miraculous gifts of the Spirit were given at least one of the 12 apostles or Paul was present Ac 2 1 4 14 8 9 20 10 44 46 19 6 With the death of the apostles the transmittal of the gifts of the Spirit ended Did the miraculous gifts of the Spirit cease Is the gift of prophecy for today It is imperative that we know the correct answer to that question

Prophecy: Yesterday, Today, and Tomorrow Pastor D. Scott O'Neal, 2022-11-08 When a gift is greater than the gift giver there is a problem which is why we must promote the health and sanctity of the body of Christ while using the gifts bestowed on us by the Father Son and Holy Spirit When a gift is greater than the gift giver there is a problem which is why we must promote the health and sanctity of the body of Christ while using the gifts bestowed on us by the Father Son and Holy Spirit In this book Pastor D Scott O Neal explains how prophecy works in today s church Get answers to questions such as What hints do we have that Jesus will return soon How can we discover the validity and seriousness of the gift of prophecy What is the function purpose and importance of prophecy in today s church The reality is that signs and wonders are

happening around the world as well as the working of miracles The reality is that signs and wonders are happening around the world as well as the working of miracles People are getting healed We might argue or let our disbelief hold us hostage but we need to acknowledge that we are in the timeframe of which Jesus says Most assuredly I say to you he who believes in Me the works that I do he will do also and greater works than these he will do because I go to My Father John 14 12

Prophets and Personal Prophecy (Volume 1) Dr. Bill Hamon,1987-07-01 There Are More Examples of Personal Prophecy in Scripture Than Any Other Biblical Subject Prophets and Personal Prophecy is not an abstract theological doctrinal statement but a practical how to guide on what personal prophecy is and what you are supposed to do with it This book is an absolute must for anyone who has *The Prophet and His Message* Michael James Williams,2003 Studying the prophets writes Michael J Williams opens a window through which if we look carefully enough we may glimpse the entirety of God s redemptive plan In *The Prophet and His Message* Williams helps both students and lay persons expand their vision of the Old Testament from a prophetic perspective Rather than introduce each prophetic book Williams examines what a prophet is and does Israel s prophetic role Jesus as the ultimate prophet and the church s prophetic ministry today Book jacket

Prophecy For Today Edward Connor,1985 **Choctaw Prophecy** Tom Mould,2003-01-22 Explores the power and artistry of prophecy among the Mississippi Band of Choctaw Indians who use predictions about the future to interpret the world around them This book challenges the common assumption that American Indian prophecy was an anomaly of the 18th and 19th centuries that resulted from tribes across the continent reacting to the European invasion Tom Mould s study of the contemporary prophetic traditions of the Mississippi Band of Choctaw Indians reveals a much larger system of prophecy that continues today as a vibrant part of the oral tradition Mould shows that Choctaw prophecy is more than a prediction of the future it is a way to unite the past present and future in a moral dialogue about how one should live Choctaw prophecy he argues is stable and continuous it is shared in verbal discourse inviting negotiation on the individual level and because it is a tradition of all the people it manifests itself through myriad visions with many themes In homes casinos restaurants laundromats day care centers and grocery stores as well as in ceremonial and political situations people discuss current events and put them into context with traditional stories that govern the culture In short recitation is widely used in everyday life as a way to interpret validate challenge and create the world of the Choctaw speaker Choctaw Prophecy stands as a sound model for further study into the prophetic traditions of not only other American Indian tribes but also communities throughout the world Weaving folklore and oral tradition with ethnography this book will be useful to academic and public libraries as well as to scholars and students of southern Indians and the modern South **Prophecy for Today** Edward Connor,Brother Hermenegild,2013-10 The sequence of events as foretold is by no means certain Public prophecy ceased with the death of St John the Apostle Private prophecy even if received from God is not reliable because the prophet is fallible He can forget misunderstand or misinterpret Even when he does not err those who hear him and who transmit the message can

err So when we state here that this seems to be the general sequence of things foretold it is largely merely a private opinion

- 1 Before the Gospel is preached and accepted in all the world shall come world wars and insidious doctrines accompanied by widespread persecution
- 2 This era shall be terminated by the direct interference of God destroying the evil system or persons responsible for the persecution and through the leadership of a great civil ruler and a great spiritual leader a period of peace will come during which the nations will hear and accept the true Faith
- 3 A great apostasy will follow
- 4 Antichrist will come and reign three and one half years He will be destroyed by the direct intervention of Christ
- 5 The Second Coming of Christ will follow but by how long a time is unknown
- 6 The trumpet will sound the dead will arise and be judged
- 7 The world will be destroyed by fire
- 8 There will be new heavens and a new earth

Prophecy is a word of many meanings but it is commonly understood to mean knowledge of the free future i.e. how God will act in the future how man will use his free will in the future and the events resulting from both It is in this sense that the word is used in this volume The free future is known only to God and those to whom He chooses to reveal it Neither the angels faithful or fallen the Saints nor Our Lady herself know future events contingent upon God or man's use of free will unless it is made known to them Because of its unique quality prophecy has always been linked with miracles as a sign from God that a certain revelation is true Thus our Blessed Lord has made use of prophecy in two ways to prove His Messianic and Divine claims He showed that He fulfilled all the prophecies of the Old Testament that had foretold His life in detail while Himself making prophecies that were fulfilled both in His lifetime and generations later In the centuries since the canon of Sacred Scripture was determined many saints and mystics have claimed the gift of prophecy Since all such comes under the heading of private revelation it is never binding upon the faithful to believe No matter how great the saint we have no guarantee that every word found in his or her writings is infallible and especially when it comes to prophecy When the cause of a proposed saint is introduced in Rome and the steps leading to canonization begun the writings of the person are carefully examined to judge their content of holiness and to see if there is anything in them contrary to church doctrine If such writings are approved it simply means that the prophecy has nothing in it contrary to faith or morals The extreme caution one should use in approaching all private revelation is graphically exemplified by the classic instances in which a Saint has been proven wrong in his predictions Thus St Vincent Ferrer 1350-1419 went about preaching the coming of the Antichrist and the end of the world in his own generation Then there too is the ticklish problem of one saint contradicting another in a revelation Benedict XIV said The recipients of prophecy may be angels devils men women children heathens or gentiles nor is it necessary that a man should be gifted with any particular disposition in order to receive the light of prophecy provided his intellect and senses be adapted for making manifest the things which God reveals to him Though moral goodness is most profitable to a prophet yet it is not necessary in order to obtain the gift of prophecy
