Prophet of Doom Craig Winn, 2004 The depiction of the prophet by the most revered Muslim sources reveals behavior that is immoral criminal and violent The five oldest and most trusted Islamic sources don't portray Muhammad as a great and godly man They confirm that he was a thief liar assassin mass murderer terrorist warmonger and an unrestrained sexual pervert engaged in pedophilia incest and rape He authorized deception assassinations torture slavery and genocide He was a pirate not a prophet According to the Hadith and the Qur'an Muhammad and his henchmen plundered their way to power and prosperity And by putting the Qur'an in chronological order and correlating it with the context of Muhammad's life we find that Allah mirrored his prophet's character Muhammad's god condoned immoral and criminal behavior Allah boasts about being a terrorist He claims to have deceived men to have stolen their property to have enslaved women and children to having committed acts of murder genocide and sadistic tortures **"The Real, Prophet, of Doom"! ...
