Prophetic Pulpit Clergy Churches And Communities In American Politics:

The Prophetic Pulpit Paul A. Djupe, Christopher P. Gilbert, 2003 In this groundbreaking work Paul A Djupe and Christopher Gilbert analyze national data from a survey of over 2 400 Episcopal and Evangelical Lutheran Church of America clergy looking deeper into their motivations for political action Using these data the authors argue that clergy roles in politics and civic life result from the intersection of their personal beliefs and interests the specific needs of their congregation and community and ongoing influences from their denomination *African American Preachers and Politics* Dennis C. Dickerson, 2010-12-01 During most of the twentieth century Archibald J Carey Sr 1868 1931 and Archibald J Carey Jr 1908 1981 father and son exemplified a blend of ministry and politics that many African American religious leaders pursued Their sacred and secular concerns merged in efforts to improve the spiritual and material well being of their congregations But as political alliances became necessary both wrestled with moral consequences and varied outcomes Both were ministers to Chicago s largest African Methodist Episcopal Church congregations the senior Carey as a bishop and the junior Carey as a pastor and an attorney Bishop Carey associated himself mainly with Chicago mayor William Hale Thompson a Republican whom he presented to black voters as an ally When the mayor appointed Carey to the city s civil service commission Carey helped in the hiring and promotion of local blacks But alleged impropriety for selling jobs marred the bishop s tenure The junior Carey also a Republican and an alderman became head of the panel on anti discrimination in employment for the Eisenhower administration He aided innumerable black federal employees Although an influential benefactor of CORE and SCLC Carey associated with notorious FBI director J Edgar Hoover and compromised support for Martin Luther King Jr Both Careys believed politics offered clergy the best opportunities to empower the black population Their imperfect alliances and mixed results however proved the complexity of combining the realms of spirituality and politics Trump, White Evangelical Christians, and American Politics Anand Edward Sokhey, Paul A. Djupe, 2024-03-05 In Trump White Evangelical Christians and American Politics political scientists Anand Edward Sokhey and Paul A Djupe bring together a wide range of scholars and writers to examine the relationship between former President Donald Trump and white American evangelical Christians They argue that while this relationship which saw evangelicals supporting a famously unfaithful materialistic and irreligious candidate despite self defining in opposition to these characteristics prompted many to wonder if Trump himself transformed American evangelical religion in politics this alliance reflected both change and the outcome of dynamics that were in place or building for decades Contributors contextualize the Trump presidency within the story of religious demographic change the growth of politicized religion nationalistic religious expression and the ways religion and politics in the United States are enmeshed in the politics of race These investigations find that the idea of religious transformation is not accurate Instead the years 2015 to 2022 saw mainly minor changes to the ways religion appeared in public life but these changes ultimately complemented and advanced an existing white evangelical strategy to

increase political and social power as they became a demographic minority in the United States Taken together this collection reveals new insights for readers seeking to understand the religious dimensions of Trump s rise the reasons evangelicals become political activists and the multifaceted alliances between secular politicians and conservative religious subcultures Contributors Abraham Barranca Ruth Braunstein Ryan P Burge David E Campbell Jeremiah J Castle Paul A Djupe John C Green Sarah Heise Geoffrey C Layman Andrew R Lewis Gerardo Mart Eric L McDaniel Napp Nazworth Shayla F Olson Enrique Quezada Llanes Kaylynn Sims Anand Edward Sokhey Hilde L vdal Stephens Kyla K Stepp Allan Tellis

Pastors and Public Life Corwin E. Smidt, 2016-02-16 America s clergy are not just religious leaders Their influence extends far beyond church doors Houses of worship stand at the center of American civic life one of the few spheres in which relatively diverse individuals gather together regularly And the moral authority granted to pastors means that they are uniquely positioned to play a role in public debates Based on data gathered through national surveys of clergy across four mainline Protestant the Disciples of Christ the Presbyterian Church USA the Reformed Church in America and the United Methodist Church and three evangelical Protestant denominations the Assemblies of God the Christian Reformed Church and the Southern Baptist Convention *Pastors and Public Life* examines the changing sociological theological and political characteristics of American Protestant clergy over the past twenty plus years Smidt focuses on the relationship between clergy and politics clergy positions on issues of American public policy norms on what is appropriate for clergy to do politically as well as the clergy s political cue giving their pronouncements on public policy and political activism and the impact these changes have on congregations and on American society as a whole *Pastors and Public Life* is the first book to systematically examine such changes and continuity over time It will be invaluable to scholars students pastors and churchgoers

Muslims, Identity, and American Politics Brian Calfano, 2018-04-27 Calfano provides an examination of the pressures faced by Muslims often considered political and social outsiders in western nations especially in the United States Identity is a complex concept especially when considering the role that group attachments play in affecting how one sees her his role in the political environment of their country of residence Perhaps the greatest tension in this regard is felt by those who are often considered outsiders in their home country despite significant ties to their nation Though citizens and second generation residents in many cases American Muslims face a combination of suspicion government scrutiny and social segregation in the United States despite significant education and economic assimilation in America The crux of the investigation advanced here centres on how group influence emotions and religious interpretation contribute to the political orientation and behaviour of a national sample of Muslims living in the American context A compelling explanation as to how members of an ostracized political group marshal the motivation to push through suspicion to become fully engaged political actors this book has wide relevance and will be of interest to scholars researching Muslims and political participation across the fields of political science history sociology and religion

Religious Rhetoric and American Politics Christopher B.

Chapp,2012-11-15 From Reagan's regular invocation of America as a city on a hill to Obama's use of spiritual language in describing social policy religious rhetoric is a regular part of how candidates communicate with voters. Although the Constitution explicitly forbids a religious test as a qualification to public office many citizens base their decisions about candidates on their expressed religious beliefs and values. In *Religious Rhetoric and American Politics* Christopher B. Chapp shows that Americans often make political choices because they identify with a civil religion not because they think of themselves as cultural warriors. Chapp examines the role of religious political rhetoric in American elections by analyzing both how political elites use religious language and how voters respond to different expressions of religion in the public sphere. Chapp analyzes the content and context of political speeches and draws on survey data, historical evidence, and controlled experiments to evaluate how citizens respond to religious stumping. Effective religious rhetoric, he finds, is characterized by two factors: emotive cues and invocations of collective identity, and these factors regularly shape the outcomes of American presidential elections and the dynamics of political representation. While we tend to think that certain issues, e.g., abortion, are invoked to appeal to specific religious constituencies who vote solely on such issues, Chapp shows that religious rhetoric is often more encompassing and less issue specific. He concludes that voter identification with an American civic religion remains a driving force in American elections despite its potentially divisive undercurrents. *Religion and Politics in the United States* Kenneth D. Wald, Allison Calhoun-Brown, 2014-03-04 From marriage equality to gun control to immigration reform and the threat of war, religion plays a fascinating and crucial part in our nation's political process and in our culture at large. Now in its seventh edition, *Religion and Politics in the United States* includes analyses of the nation's most pressing political matters regarding religious freedom and the ways in which that essential constitutional freedom situates itself within modern America. The book also explores the ways that religion has affected the orientation of partisan politics in the United States. Through a detailed review of the political attitudes and behaviors of major religious and minority faith traditions, the book establishes that religion continues to be a major part of the American cultural and political milieu while explaining that it must interact with many other factors to influence political outcomes in the United States.

Religion and Politics in America Robert Booth Fowler, 2018-05-04 This book focuses on religion and politics and the dynamic interactions between them. It helps to understand the politics of religion in the United States and to appreciate the strategic choices that politicians and religious participants make when they participate in politics. Faith-based Radicalism Christiane Timmerman, 2007 Terror attacks against Western symbols of power, suicide terrorism in Chechnya, or bombing of abortion clinics in the United States: these are a few of the violent religious outbursts that the media never seem to stop broadcasting. While these outbursts are mostly linked to Islamic extremism, it should however be acknowledged that every religion has its own violent side. Despite all the events, the media are too prompt to show us it would be dishonest and insensible not to accept that every religion has also a potential for religious peace building and communal renewal. How can

it be explained then that religions sometimes react violently against the society surrounding them by trying to overthrow it while at some other times they willingly help and try to build a better world for everyone The University Centre Saint Ignatius Antwerp organised an interdisciplinary summer seminar in September 2005 and gathered senior scholars all experts in their own fields and junior scholars who will be the experts of tomorrow from all over the world to discuss these burning issues The seminar focused on miscellaneous topics all pointing towards the question of religion and society like literalism and the Holy texts the ambivalence of faith based radicalism the psychology of religion and terrorism nationalism and religion and religious social movements Publisher **Conservative Christians and Political Participation** Glenn H. Utter, James L. True, 2004-11-23 A timely exploration of the political history growth and impact of one of the most powerful religious groups in the United States *Conservative Christians and Political Participation* examines the involvement and influence of the growing number of Conservative Christians in America A historical overview of the interaction of religion and politics from colonial times to today sets the stage for a deeper exploration into the demographics of this group the concerns they share and the creative methods they employ to achieve their goals through protests political activity leadership and group organization Case studies tackle highly emotional issues like same sex marriage decency in the mass media school prayer euthanasia and American foreign policy toward Israel The book also covers leaders such as Pat Buchanan and Ralph Reed and discusses how they have been effective in their lobbying efforts through organizations like the Christian Action Network and the American Family Association *Religion, Race, and the American Presidency* Gastón Espinosa, 2008 The role that race and religion play in American presidential elections is attracting national attention like never before Many of the 2008 presidential candidates proactively courted racial and religious voting constituencies including African Americans Latinos Asian Americans Jews Muslims Catholics Evangelicals mainline Protestants women and seculars and the non religious *Religion Race and the American Presidency* examines some of the reasons why by focusing on the roles of these racial gender and religious groups in presidential politics over the last forty years and in elections from 1996 to 2004 in particular **BOOK JACKET The SAGE Handbook of the Sociology of Religion** James A Beckford, Jay Demerath, 2007-10-29 In their introduction to this Handbook the editors affirm Many sociologists have come to realise that it makes no sense now to omit religion from the repertoire of social scientific explanations of social life I wholeheartedly agree I also suggest that this wide ranging set of essays should become a starting point for such enquiries Each chapter is clear comprehensive and well structured making the Handbook a real asset for all those engaged in the field Grace Davie University of Exeter Serious social scientists who care about making sense of the world can no longer ignore the fact that religious beliefs and practices are an important part of this world This Handbook is a valuable resource for specialists and amateurs alike The editors have done an exceptionally fine job of incorporating topics that illuminate the range and diversity of religion and its continuing significance throughout the world Robert Wuthnow Princeton University At a time when religions are increasingly affecting

and affected by life beyond the narrowly sacred sphere religion everywhere seems to be caught up in change and conflict In the midst of this contention and confusion the sociology of religion provides a rich source of understanding and explanation This Handbook presents an unprecedentedly comprehensive assessment of the field both where it has been and where it is headed Like its many distinguished contributors its topics and their coverage are truly global in their reach The Handbook's 35 chapters are organized into eight sections basic theories and debates methods of studying religion social forms and experiences of religion issues of power and control in religious organizations religion and politics individual religious behaviour in social context religion self identity and the life course and case studies of China Eastern Europe Israel Japan and Mexico Each chapter establishes benchmarks for the state of sociological thinking about religion in the 21st century and provides a rich bibliography for pursuing its subject further Overall the Handbook stretches the field conceptually methodologically comparatively and historically An indispensable source of guidance and insight for both students and scholars Choice Outstanding Academic Title 2009

Commodity Activism Roopali Mukherjee, Sarah Banet-Weiser, 2012-02-01 Buying RED products from Gap T shirts to Apple to fight AIDS Drinking a Caring Cup of coffee at the Coffee Bean Tea Leaf to support fair trade Driving a Toyota Prius to fight global warming All these commonplace activities point to a central feature of contemporary culture the most common way we participate in social activism is by buying something Roopali Mukherjee and Sarah Banet Weiser have gathered an exemplary group of scholars to explore this new landscape through a series of case studies of commodity activism Drawing from television film consumer activist campaigns and cultures of celebrity and corporate patronage the essays take up examples such as the Dove Real Beauty campaign sex positive retail activism ABC's Extreme Home Makeover and Angelina Jolie as multinational celebrity missionary Exploring the complexities embedded in contemporary political activism *Commodity Activism* reveals the workings of power and resistance as well as citizenship and subjectivity in the neoliberal era Refusing to simply position politics in opposition to consumerism this collection teases out the relationships between material cultures and political subjectivities arguing that activism may itself be transforming into a branded commodity

Divine Callings Richard N. Pitt, 2012-02 One of the unique aspects of the religious profession is the high percentage of those who claim to be called by God to do their work This call is particularly important within African American Christian traditions *Divine Callings* offers a rare sociological examination of this markedly understudied phenomenon within black ministry Richard N Pitt draws on over 100 in depth interviews with Black Pentecostal ministers in the Church of God in Christ both those ordained and licensed and those aspiring to examine how these men and women experience and pursue the call Viewing divine calling as much as a social process as it is a spiritual one Pitt delves into the personal stories of these individuals to explore their work as active agents in the process of fulfilling their calling In some cases those called cannot find pastoral work due to gender discrimination lack of clergy positions and educational deficiencies Pitt looks specifically at how those who have not obtained clergy positions understand

their call exploring the influences of psychological experience the congregational acceptance of their call and their response to the training process He emphasizes how those called reconceptualize clericalism in terms of who can be called how that call has to be certified and what those called are meant to do offering insight into how social actors adjust to structural constraints

The Electronic Church in the Digital Age Mark Ward Sr.,2015-11-10 This two volume set investigates the evangelical presence in America as experienced through digital media examining current evangelical ideologies regarding education politics family and government Evangelical broadcasting has greatly expanded its footprint in the digital age This informative text acquaints readers with how the electronic church of today spreads its message through Internet podcasts social networking religious radio programs and televised sermons how mass media forms the institution s modern identity and what the future of the industry holds as mobile church apps Christian based video games and online worship become the norm The work split into two volumes reveals the ways that the Christian broadcast community affects evangelical traditions and influences American society in general Volume 1 explores how electronic media shapes today s Christian subculture while the second volume describes how the electronic church impacts the wider American culture analyzing what key figures in evangelical mass media are saying about today s religious political economic and social issues The set concludes by addressing criticism about religious media and the prospects of American public discourse to accomodate both secular and religious voices

Religion and Political Tolerance in America Paul Djupe,2015-06-30 Religious institutions are often engaged in influencing the beliefs and values that individuals hold But religious groups can also challenge how people think about democracy including the extension of equal rights and liberties regardless of viewpoint or what is commonly called political tolerance The essays in *Religion and Political Tolerance in America* seek to understand how these elements interrelate The editor and contributors to this important volume present new and innovative research that wrestles with the fundamental question of the place of religion in democratic society They address topics ranging from religious contributions to social identity to the political tolerance that religious elites clergy hold and advocate to others and how religion shapes responses to intolerance The conclusion by Ted Jelen emphasizes that religion s take on political tolerance is nuanced and that they are not incompatible religion can sometimes enhance the tolerance of ordinary citizens

Religion, Race, and Barack Obama's New Democratic Pluralism Gastón Espinosa,2013 Annotation This edited volume demonstrates how Obama charted a new course for Democrats by staking out claims among moderate conservative faith communities and emerged victorious in the presidential contest in part by promoting a new Democratic racial ethnic and religious pluralism

God Talk Paul Djupe,2014 Religion s influence on public opinion politics and candidates has been widely discussed in political science for a generation *God Talk* is the first volume that uses experimental methodology to establish whether and how that influence works Paul Djupe and Brian Calfano provide an unprecedented look at how religious cues values and identity driven appeals impact candidate selection trust interest group support and U S public opinion about tolerance the

environment foreign policy and related issues By situating their disparate randomly assigned interventions within the broader framework of elite based influence the authors apply their new methodology to three questions How do clergy affect congregation members How are religious elites and groups and their public arguments evaluated With what effect do political elites use religion The results of their research provide a compelling framework for understanding the links between religion and politics In the series *The Social Logic of Politics* edited by Scott McClurg *Interfaith Advocacy* Katherine E. Knutson, 2014-02-05 Using the historic Minnesota state government shutdown of 2011 as a backdrop *Interfaith Advocacy* describes the work of the Joint Religious Legislative Coalition an interfaith advocacy group that brings together leaders from Catholic Protestant Jewish and Muslim traditions to advocate on behalf of a range of policies As the nation's first statewide interfaith lobbying group the story of the JRLC facilitates an examination of the role of political advocacy groups in state level American politics what they are how and why they form how they mobilize citizens to participate in the political process how they work to influence government and what their impact is on American democracy With research based on two years of in depth interviews participant observation and analysis of archival records this volume offers proof that it is possible to build successful long term political coalitions among improbable allies The book investigates both the strengths and weaknesses of this model of advocacy and concludes that the presence of religious advocacy groups in the political process offers substantial benefits of representation concern for underrepresented issues and groups and the development of networks of social capital *Interfaith Advocacy* is grounded in the theoretical literature of political science but also accessible to all readers who have an interest in political advocacy state politics or religion and politics *Religion and the Bush Presidency* M. Rozell, G. Whitney, 2007-08-20 George W Bush's religiosity has invited much analysis and controversy about the impact of religion on government This collection of leading scholars essays first examines the impact of various religions voting groups on the 2004 presidential campaign and then reviews and assesses the impact of religion on the policies of the Bush presidency

Prophetic Pulpit Clergy Churches And Communities In American Politics Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Prophetic Pulpit Clergy Churches And Communities In American Politics PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books

and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Prophetic Pulpit Clergy Churches And Communities In American Politics PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Prophetic Pulpit Clergy Churches And Communities In American Politics free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Prophetic Pulpit Clergy Churches And Communities In American Politics Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Prophetic Pulpit Clergy Churches And Communities In American Politics is one of the best book in our library for free trial. We provide copy of Prophetic Pulpit Clergy Churches And Communities In American Politics in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Prophetic Pulpit Clergy Churches And Communities In American Politics. Where to download Prophetic Pulpit Clergy Churches And Communities In American Politics online for free? Are you looking for

Prophetic Pulpit Clergy Churches And Communities In American Politics PDF? This is definitely going to save you time and cash in something you should think about.
