Reality Of The Devil Evil In Man:

The Reality of the Devil Ruth Nanda Anshen, 1974 The Devil has stalked the imagination of Western man as the personification of Evil and The Reality of the Devil is an acutely perceptive study of the satanic condition Dr Anshen's book rids us of devilish misconceptions leading us to perceive Satan as a great power in his own realm a realm in which he is deadly serious in his effort to save and preserve the individual personality at any cost To opt for God however precludes the utter loneliness guaranteed by alliance with the Devil There is greatness on both sides says the author the choice is ours Back cover

Reality of Truth Carl Macmillan, 2006-09 The DEVIL'S ADVOCATE: A Spiritual Man's Case Against the LORD God Dr. Alonzo Richard Fleming Jr., 2008-01-31 The Serpent Told the Truth But he is called the Devil And though LORD God admitted to the truth he still cursed all mankind plus GOD's creation Though he is the evil one he is worshipped as a loving God And his children act out of his evil nature universally Dr Alonzo Fleming Jr presents a compelling case against LORD God He is willing to say what everyone is thinking For centuries man has resisted and quieted the voice inside his own head that asks the obvious questions How could God curse his own children and creation then call it love How could he tell everyone else to love their enemies yet he gladly kills his own How could he instruct us to bless and not curse yet he curses Why would God set his children up to die in the first place We challenge the reader to consider what we say in the light of the world's present condition Who is controlling the present world He that blessed or he that cursed Be instructed

REVIVAL OF ADVAITA, YOGA AND PANTHEISM IN AMERICA Dr. George Joseph K PhD,2015-12-10 There are reasonable symptoms of the weakening of the church and Christian faith in the USA and thereby the silent death American democracy and American Empire The vacuum created in the American mind by the secular humanism anti supernatural liberal theology and godless philosophies have prepared the fertile ground for the silent take over of USA by Islam Hinduism Advaita and yoga New Age religion legitimizes almost anything in the name of religion There is an explosion of sorcery The absolutely unwise philosophies like all is one man is God etc become widely accepted among the people New age psychology rejects the supernatural and God of the Bible but accepts the paranormal miracles of devil When the people begin to love the lie and hate the truth the future is bleak A strong democratic America would guarantee a better world But what if the whole nation is hypnotized into paranormal and abnormal by secular spiritualities HOW AMERICA BECAME ANTI-CHRISTIAN AND SELF-DESTRUCTIVE Dr. George Joseph K PhD,2015-12-10 The American dream of a free world will be defeated if Christianity will be defeated in USA USA cannot survive unless the current perceptions of freedom and secularism undergo a drastic change There is freedom to promote almost everything except the Christian truth Ten Commandments are banned But yoga is promoted at all levels This kind of selective discrimination against the truth will destroy the very foundations of any society Strange motivations of the anti supernatural secularist lobby in the governmental institutions and their complicity in side lining Christian faith cannot be ruled out Thus ironically the undefeatable America tends to defeat itself In its rejection of Christian truth and values USA made truth a lie and the lie a truth If the current trends of self hatred of Christian faith by higher criticism and liberal theology and destruction of churches continue in 20 years USA will be overrun by the values and culture of Hinduism and Islam And USA will go down in history as the most powerful empire which had the best values in its custody since the days of its foundation but subjected itself to a silent death executed by its experts and enjoyed by its people who went after thrillers fantasies romances and other vain imaginations neglecting the truth Remember it was the hatred to Christian values that instigated the anti supernatural liberal theology from within and without the church which ultimately resulted in the Nazi Holocaust Beware when the Christian faith and values are suppressed the very survival of the societies at large is endangered This is the lesson of the entire world history **Things that Matter, Or, The Divine Purpose in Man** Ernest Augustus Eardley-Wilmot,1911 **Truth, Theology, and Perspective** Vern S. The Homilies On John St. Augustine of Hippo, St Augustine was an indefatigable preacher He considered regular preaching an indispensable part of the duty of a bishop To his homilies we owe most of his exegetical labors The homilies were delivered extempore taken down by scribes and slightly revised by Augustin They retain their colloquial form devotional tone frequent repetitions and want of literary finish He would rather be deficient in rhetoric than not be understood by the people He was cheered by the eager attention and acclamations of his hearers but never fully satisfied with his performance My preaching he says almost always displeases me I eagerly long for something better of which I often have an inward enjoyment in my thoughts before I can put them into audible words Then when I find that my power of expression is not equal to my inner apprehension I am grieved at the inability of my tongue to answer to my heart De Catech Rudibus ch II 3 in this Series Vol III 284 His chief merit as an interpreter is his profound theological insight which makes his exegetical works permanently useful This volume contains The Homilies or Tractates on the GOSPEL OF JOHN In Joannis Evangelium Tractatus CXXIV Augustin delivered them to his flock at Hippo about A D 416 or later
