Reason For Madness A Raven:

Worldviews of the Greenlanders Birgitte Sonne, 2018-01-15 Ninety years ago Knud Rasmussen's popular account of his scientific expeditions through Greenland and North America introduced readers to the culture and history of arctic Natives. In the intervening century a robust field of ethnographic research has grown around the Inuit and Yupiit of North America but until now English language readers have had little access to the broad corpus of work on Greenlandic natives. *Worldviews of the Greenlanders* draws upon extensive Danish and Greenlandic research on Inuit arctic peoples as well as Birgitte Sonne's own decades of scholarship and fieldwork to present in rich detail the key symbols and traditional beliefs of Greenlandic Natives as well as the changes brought about by contact with colonial traders and Christian missionaries. It includes critical updates to our knowledge of the Greenlanders pre colonial world and their ideas on space time and other worldly beings. This expansive work will be a touchstone of Arctic Native studies for academics who wish to expand their knowledge past the boundaries of North America.

The Raven's Shadow Elspeth Cooper, 2014-03-11 The Raven's Shadow the third book of Elspeth Cooper's *The Wild Hunt* series finds war brewing on both sides of the Veil between the worlds. The desert of Gimrael is aflame with violence and in the far north an ancient hatred is about to spill over into the renewal of a war that a thousand years ago forged an empire. This time it may shatter one. Wrestling with his failing grip on the power of the Song and still trying to come to terms with the horrifying events he witnessed in El Maqqam Gair returns to the mainland with only one thing on his mind: vengeance. It may cost him his life but when everything that he had to live for is being stripped away from him that may be a fair price to pay. Old friends and old foes converge in a battle of wills to stem the tide of the Nimrothi clans as they charge south to reclaim the lands lost in the Founding Wars. If they succeed the rest of the empire may be their next target. And with the Wild Hunt at their head the overstretched Imperial Army may not be enough to stop them. At the Publisher's request this title is being sold without Digital Rights Management Software (DRM) applied.
