Miller,Russell K. Skowronek,Roseann Bacha-Garza,2019-01-23 Runner up 2019 Texas Old Missions and Forts Restoration Book Award sponsored by the Texas Old Missions and Forts Restoration Association TOMFRA Most general histories of the Civil War pay scant attention to the many important military events that took place in the Lower Rio Grande Valley along the Texas Mexico border It was here for example that many of the South s cotton exports all important to its funding for the war effort were shuttled across the Rio Grande into Mexico for shipment to markets across the Atlantic It was here that the Union blockade was felt perhaps most keenly And it was here where longstanding cross border rivalries and shifting political fortunes on both sides of the river made for a constant undercurrent of intrigue And yet most accounts of this long and bloody conflict

give short shrift to the complexities of the ethnic tensions political maneuvering and international diplomacy that vividly colored the Civil War in this region Now Christopher L Miller Russell K Skowronek and Roseann Bacha Garza have woven together the history and archaeology of the Lower Rio Grande Valley into a densely illustrated travel guide featuring important historical and military sites of the Civil War period *Blue and Gray on the Border* integrates the sites colorful personalities cross border conflicts and intriguing historical vignettes that outline the story of the Civil War along the Texas Mexico border This resource packed book will aid heritage travelers students and history buffs in their discovery of the rich history of the Civil War in the Rio Grande Valley
