Sarv e'naz Robert Surieu,1967 **The Dangerous Lives of Public Performers** A. Shay,2014-07-10 Examining performers from the ancient Mediterranean world to the modern Islamic Middle East including India and Pakistan Shay explores the careers artistic performances and legacies of these individuals who were forced to produce entertainment and art for and have sex with any and all patrons *Sani' ol-Molk's The Thousand and One Nights* Elham Etemadi,2024-10-14 This book examines *The Thousand and One Nights* by Abol Hassan Khan Sani ol Molk Ghaffari 1813 1814 1867 of the content of the illustrations of the main story the story of Shahrzad and Shahrbaz as well as a codicological study of the manuscript It intends to explain how Sani ol Molk complicates the visual frame by adaptive strategies that build on the relationship between presented objects inside an illustration and the meanings that could be conventionally attributed to them from outside of the image Examining the illustrations of the manuscript shows how Sani ol Molk s visualization of the main story of *The Thousand and One Nights* adds to the narrative and adapts it to convey meaning s that transcend the story the illustrations refer to *Sexual Politics in Modern Iran* Janet Afary,2009-04-09 Janet Afary is a native of Iran and a leading historian Her work focuses on gender and sexuality and draws on her experience of growing up in Iran and her involvement with Iranian women of different ages and social strata These observations and a wealth of historical documents form the kernel of this book which charts the history of the nation s sexual revolution from the nineteenth century to today What comes across is the extraordinary resilience of the Iranian people who have drawn on a rich social and cultural heritage to defy the repression and hardship of the Islamist state and its predecessors It is this resilience the author concludes which forms the basis of a sexual revolution taking place in Iran today one that is promoting reforms in marriage and family laws and demanding more egalitarian gender and sexual relations **Encyclopedia of Lesbian and Gay Histories and Cultures** George Haggerty,Bonnie Zimmerman,2003-09-02 Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology this Encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavours While gays and lesbians have shared many aspects of life their histories and cultures developed in profoundly different ways To reflect this crucial fact the Encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention and that a broad range of human experience is covered Written by some of the most famous names in the field as well as new researchers this is intended as a reference for students and scholars in all areas of study as well as the general public *Rūmī and the Hermeneutics of Eroticism* Mahdi Tourage,2007-11-30 This is the first systematic examination of the esoteric significance of the bawdy tales and explicit sexual passages present in *R m s d 1273* Mathnaw a masterpiece of medieval Perso Islamic mystical literature and theosophic teachings Using the relevant features of postmodern theories as strategic conceptual tools and drawing on the recent interpretations of medieval kabbalistic texts it is a fascinating

examination of the link between the dynamics of eroticism and esotericism operative in R m s Mathnaw In some of these bawdy tales the phallus is used as an esoteric symbol The book concludes that these tales are used primarily to communicate esoteric secrets particularly when this communication is contemplated along gender lines mediated through erotic imagery or expressed in sexual terms Routledge Revivals: Homosexuality: A Research Guide (1987) Wayne R. Dynes,2017-02-17 First published in 1987 this book encompasses a broad range interdisciplinary research into homosexuality displaying a full spectrum of points of view and given that the major traditions of modern homosexual research began in Europe is not restricted to works in English In general topics that are densely covered in the literature are presented in this guide selectively with some less studied topics such as Economics and Music fleshed out with signposts to more comprehensive research It seeks to not only mirror existing publications but also to stimulate new work by pinpointing neglected themes and methods This book will be of interest to students of sociology *Sarv-é Naz* Robert Surieu,1967 Cultures of Darkness Bryan D. Palmer,2019-02-15 Peasants religious heretics witches pirates runaway slaves prostitutes and pornographers frequenters of taverns and fraternal society lodge rooms revolutionaries blues and jazz musicians beats and contemporary youth gangs those who defied authority choosing to live outside the defining cultural dominions of early insurgent and later dominant capitalism are what Bryan D Palmer calls people of the night These lives of opposition or otherness were seen by the powerful as deviant rejecting authority and consequently threatening to the established order Constructing a rich historical tapestry of example and experience spanning eight centuries Palmer details lives of exclusion and challenge as the night travels of the transgressors clash repeatedly with the powerful conventions of their times Nights of liberation and exhilarating desire sexual and social are at the heart of this study But so too are the dangers of darkness as marginality is coerced into corners of pressured confinement or the night is used as a cover for brutalizing terror as was the case in Nazi Germany or the lynching of African Americans Making extensive use of the interdisciplinary literature of marginality found in scholarly work in history sociology cultural studies literature anthropology and politics Palmer takes an unflinching look at the rise and transformation of capitalism as it was lived by the dispossessed and those stamped with the mark of otherness

Obeyd-e Zakani Nizām al-Dīn ‘Ubayd Zākānī, Dick Davis, 2008 Obeyd e Zakani who died in 1372 is among the great poets of Iran but little known in the West This selection of his work is the first to be translated into English Obeyd was a remarkable satirist and social critic who looked upon his world of extravagant indulgence and corruption with the censorious eyes of a Juvenal and portrayed it with the cynicism and wit of a Voltaire and the hilarious grotesqueness of a Rabelais He used scathing stories and sardonic maxims to paint a world full of deceit greed lust sycophancy and perversion where old values and virtues were scorned and extremes of wealth and poverty violence and bloodshed were the order of the day
