Goudriaan, 2023-07-03 Accelerating Human Evolution by Theosophical Initiation Yves Mühlmatter, 2022-12-19 The main subjects of analysis in the present book are the stages of initiation in the grand scheme of Theosophical evolution These initiatory steps are connected to an idea of evolutionary self development by means of a set of virtues that are relative to the individual's position on the path of evolution The central thesis is that these stages were translated from the Hindu tradition to the Theosophical tradition through multifaceted hybridization processes in which several Indian members of the Theosophical Society partook Starting with Annie Besant's early Theosophy the stages of initiation are traced through Blavatsky's work to Manilal Dvivedi and T Subba Row both Indian members of the Theosophical Society and then on to the San tana Dharma Text Books In 1898 the English Theosophist Annie Besant and the Indian Theosophist Bhagavan Das together founded the Central Hindu College Benares which became the nucleus around which the

Benares Hindu University was instituted in 1915 In this context the San tana Dharma Text Books were published M hlematter shows that the stages of initiation were the blueprint for Annie Besant s pedagogy which she implemented in the Central Hindu College in Benares In doing so he succeeds in making intelligible how esoteric knowledge was transferred to public institutions and how a broader public could be reached as a result The dissertation has been awarded the ESSWE PhD Thesis prize 2022 by the European Society for the Study of Western Esotericism *The Madhigattan Encounter* Ganesh Venkataraman,2017-02-20 On a trip to the Kodai Hills in Tamil Nadu the author and his guide fall prey to the charm of the legendary Madhigattan Forest and wander through it in a state of joint hallucination As they journey through the woods they meet three great souls and there is a revelation on the state of their own countrymen Who are these three great souls What do they reveal to the author and his guide Does the duo manage to exit the forest or do they remain enmeshed in its illusory charms for posterity Find out in this cosmic thriller *The Advaitika and Tāntrika Philosophy of Śaṅkara* Rajesh Kumar Jha ,2023-08-03 a kara is well known for his Advaitika philosophy expounded through his commentaries on the Brahma s tra Upani ads and the Bhagavadg t However his independent works on T ntrika philosophy are not commonly acknowledged and appreciated This book seeks to analyze and understand the metaphysical and conceptual framework and nuances of his T ntrika philosophy especially with reference to his Saundarya lahar Apart from this it also examines the compatibility of this T ntrika framework with the Advaitika framework as elaborated by a kara and Gau ap da The course of this enunciation and examination also presents a lucid discussion of the r vidy tradition of Tantra as well as the significance of devotion bhakti in a kara s philosophy It is a must read for understanding a kara s philosophy holistically
