Alexandra Heller-Nicholas,2021-04-12 Often considered the lowest depth to which cinema can plummet the rape revenge film is broadly dismissed as fundamentally exploitative and sensational catering only to a demented regressive demographic This second edition ten years after the first continues the assessment of these films and the discourse they provoke Included is a new chapter about women directed rape revenge films a phenomenon that revitalized since MeToo exploded in late 2017 is a filmmaking tradition with a history that transcends a contemporary context Featuring both famous and unknown movies controversial and widely celebrated filmmakers as well as rape revenge cinema from around the world this revised edition demonstrates that diverse and often contradictory treatments of sexual violence exist simultaneously **Revenge, Agency, and Identity from European Drama to Asian Film** Eric Dodson-Robinson,2019-07-29 Eric Dodson Robinson s Revenge Agency and Identity from European Drama to Asian Film challenges critical readings of drama film and literature that downplay agency From Attic tragedy through Seneca and Shakespeare and into Japanese and Korean film the book pursues the agent of vengeance in her fury to reconstruct an identity shattered by trauma Tragic revenge is an imaginary theater only partly encompassed by disciplines institutions and discourses In this theater violence becomes contagious and potentially transformative as performance gives birth to the agent of vengeance a complex emergent agent who is more than the sum of the actors auteur tradition and audience all of whom infiltrate and strive to control her will The agent of vengeance
