

# Saviour

A classical painting of Christ, likely a detail from a larger work. He has a serene expression, looking slightly to the right. He has long, wavy brown hair and a full, light brown beard. A thin, golden halo surrounds his head. He is wearing a red robe with a green cloak draped over his shoulders. Ropes are visible around his chest, suggesting he is bound. The background is dark and indistinct.

**Saviour** ,2000 Jesus life and teachings have inspired some of the most sublime compelling art the world has known This classical collection presents more than 40 glorious paintings by world famous artists including Bellini Caravaggio Fra Angelico Raphael Rembrandt Titian and Valquez Each masterpiece is paired with an extract from a Gospel narrative and a meditation drawn from great writers such as Tennyson Blake Merton Nouwen or Teresa of Avila     **The American Catalogue** ,1901 American national trade bibliography     Responsive Readings from the Psalms and Other Scriptures, in the Revised Version Joseph Tuthill Duryea,1898     **Selections from the Psalter for Use in the Services of the Churches** Elijah Richardson Craven,Louis FitzGerald Benson,1898     **The Chapel Hymnal** Presbyterian Church in the U.S.A.,1898 This book is the second in a series of three hymnals intended to cover the needs of the Church through the whole range of its public worship The first The Hymnal was prepared as a complete manual of praise covering especially the Sunday services but including also every side of church worship and work the second The Chapel Hymnal is prepared for those who prefer a smaller book for use in prayer meetings young people s societies and other social services and the last of the series is to cover the services of the Sabbath school The Chapel Hymnal consists principally of those hymns in The Hymnal which are best adapted for use in devotional meetings and of such tunes as can be used to good advantage on such occasions and ordinarily the association of hymn and tune has been retained In addition there have been included in this book some standard hymns and tunes reserved for this use when The Hymnal was prepared together with some fresh selections of a popular character and a number of the more desirable Gospel Hymns The pages of the book are so arranged as to provide a choice of tunes in the case of a large number of the hymns It is the usage of many of our churches to sing the Amen at the close of each hymn and the proper chords are provided for any who may wish to use them Preface     *The Chapel Hymnal* Presbyterian Church in the U.S.A. historical geographical or antiquarian does not give attention to the things of Christ sufficient for the needs of the preacher to whom Christ is everything This is first of all a preacher s dictionary The authors of the articles have been carefully chosen from among those scholars who are or have been themselves preachers And even when the articles have the same titles as articles in the Dictionary of the Bible they are written by new men and from a new standpoint It is thus a work which is quite distinct from and altogether independent of the Dictionary of the Bible It is called a Dictionary of Christ and the Gospels because it includes everything that the Gospels contain whether directly related to Christ or not Its range however is far greater than that of the Gospels It seeks to cover all that relates to Christ throughout the Bible and in the life and literature of the world There will be articles on the Patristic estimate of Jesus the Medieval estimate the Reformation and Modern estimates There will be articles on Christ in the Jewish writings and in the Muslim literature Much attention has been given to modern thought whether Christian or anti Christian Every aspect of modern life in so far as it touches or is touched by Christ is described under its proper title James Hastings 1852 1922 was a distinguished scholar and pastor He was founder and editor of the Expository Times and is also well known for editing the five volume Dictionary of the Bible as well as the Encyclopaedia of Religion and Ethics the Dictionary of Christ and the Gospels and the Dictionary of the Apostolic Church
