linen in public while many others came in warm support for her This was not the first time the Queen handled a mess that her extended family often created The Queen has scrupulously strived to maintain the royal family's pristine image The abdication crisis of 1936 had rocked the very foundations of the UK royal family when Edward VIII relinquished his throne and all royal status to marry the love of his life Wallis Simpson Their story of a king renouncing his kingship to wed the love of his life is all lovey dovey but it had long standing repercussions and it derailed an entire line of succession So much is at stake that the rigidity of royal life is not completely unfounded or without a purpose      Self and Secrecy in Early Islam Ruqayya Yasmine Khan, 2008 An original inquiry into the meanings of concealment and revelation in early Arabo Islamic texts In this comparative analysis of the significance of keeping and revealing secrets in early Islamic culture Ruqayya Yasmine Khan draws from a broad range of Arabo Islamic texts to map interconnections between concepts of secrecy and identity In early Islamic discourse Khan maintains individual identity is integrally linked to a psychology of secrecy and revelation a connection of even greater importance than what is being concealed or displayed Khan further maintains that secrecy and identity demarcate boundaries for interpersonal relations when governed by the cultural norms of discretion espoused in these texts As evidence for her study Khan explores religious and literary representations of secrecy in classical texts as diverse as the Qur'an the Book of Concealing the Secret and Holding the Tongue by al Jahiz and courtly love poems including the story of Majnun and Layla These works represent divergent approaches to spiritual ethical and romantic life in early Islam yet Khan extrapolates from each a shared construction of secrecy and revelation In advancing our understanding of the dynamic tensions between secrecy and revelation as depicted in these early Arabo Islamic discourses Khan illustrates that the creation of individual identity and subjectivity was inherently tied to these same tensions The resulting analysis opens new vistas for understanding the meanings of secrecy in Islamic studies Qur'anic studies Islamic philosophy and mysticism Arabic literary studies as well as European intellectual history      Shadows Over Windsor: Unveiling the Scandals, Secrets and Dark Facts of the House of Windsor Marc Jr Caron, 2023-10-13 In the annals of British history the House of Windsor has always been synonymous with elegance tradition and prestige From the reign of George V the monarch responsible for creating the House of Windsor to the present day this royal dynasty has dazzled the world with its opulence and regal grandeur However behind the glittering facade of palaces and tiaras the House of Windsor harbors a tapestry of scandals secrets and dark facts that have remained hidden from public view for decades This book seeks to unravel the hidden history of the British monarchy exposing the intrigue betrayal and controversy that have often shaped the lives of its members
