Secrets Of The Shopping Mall:

Secrets of the Shopping Mall Richard Peck, 1989 Two eighth grade loners decide to take up residence in a department store Little do they know that theirs is not an original idea *Secrets of the Shopping Mall*, **Behind the Racks** Tammy Enz, 2010 Describes the behind the scenes places of a shopping mall Provided by publisher **One Nation Under Goods** James J. Farrell, 2014-07-15 Loved and hated visited and avoided seemingly everywhere yet endlessly the same malls occupy a special place in American life What then is this invention that evokes such strong and contradictory emotions in Americans In many ways malls represent the apotheosis of American consumerism and this synthetic and wide ranging investigation is an eye popping tour of American culture s values and beliefs Like your favorite mall One Nation under Goods is a browser s paradise and in order to understand America s culture of consumption you need to make a trip to the mall with Farrell This lively fast paced history of the hidden secrets of the shopping mall explains how retail designers make shopping and goods irresistible Architects chain stores and mall owners relax and beguile us into shopping through water fountains ficus trees mirrors and covert security cameras From food courts and fountains to Santa and security Farrell explains how malls control their patrons and convince us that shopping is always an enjoyable activity And most importantly One Nation Under Goods shows why the mall s ultimate promise of happiness through consumption is largely an illusion It s all here for one low price of course **Reading Programs for Young Adults** Martha Seif Simpson, 2015-11-16 School and public libraries often provide programs and activities for children in preschool through the sixth grade but there is little available to young adults For them libraries become a place for work the place to research an assignment or find a book for a report but the thought of the library as a place for enjoyment is lost So how do librarians recapture the interest of teenagers This just might be the answer Here you will find theme based units such as Cartoon Cavalcade Log On at the Library Go in Style Cruising the Mall Space Shots Teens on TV and 44 others that are designed for young adults Each includes a display idea suggestions for local sponsorship of prizes a program game to encourage participation 10 theme related activities curriculum tie in activities sample questions for use in trivia games or scavenger hunts ideas for activity sheets a bibliography of related works and a list of theme related films The units are highly flexible allowing any public or school library to adapt them to their particular needs Young Adult Literature Michael Cart, 2010-09-01 This insightful and often humorous work presents the evolution of YA lit in an appealing way making it equally useful for students of literary studies *Richard Peck* Donald R.
