The Seduction of Pessimism in the Novel Tom Ribitzky, 2024-10-31 The Seduction of Pessimism in the Novel Eros Futility and the Quarrel with Philosophy explores the novel as a response to the Platonic myth that narrates the rift at the core of our being Eros is supposedly the consolation for this rift but the history of the novel documents its expression as one of frustrated desires neuroses anxieties and cosmic doom As if repeating the trauma from that original split in Plato a split that also divides philosophy from literature the novel treats eros as a site of loss and grief from the medieval romances to Goethe Emily Bront Proust Mann Woolf D H Lawrence and Nabokov The pessimism that emerges from this eros tells us something fundamental about who we are something that only the novel can say At a time when both education and leisure are increasingly ignoring the novel s imperative to sit with ambiguity complexity and contingency and as we are hurtling toward a bleak future of climate

catastrophe and political instability the novel is one of the last bastions of humanity even as it is quickly being eroded

Waves of Seduction Rachel Kenley, 2017-08-24 How many times can you be hurt before you stop being willing to love In this third title in the Mesuline's Daughters mermaid trilogy Nerine has lived most of her life on her own terms even though it meant being isolated and not being with the man she loved As a mermaid lamia mix and wearer of the Stone of Love her life is complicated in so many ways that she finds it best to handle everything herself Especially when it comes to caring for the people who live on Azov the island she helped create for others of mixed blood who were rejected by their communities And then mortally injured Fiero comes back into her life The man who's always had her heart Fiero known to most as a Sea Dragon because of his mermaid kelpie heritage believed everyone he cared for had either abandoned or left him After a misguided attempt to control the Stones of Power the one person he thought he could trust committed the ultimate betrayal Now Fiero is determined to heal so he can have his vengeance First however he has to figure out who the mysterious and beautiful woman caring for him is Although Nerine and Fiero share a connection that cannot be broken they also have reasons to guard their feelings and not let others help them But if a threat to the safety of the Oceans is to be conquered they will each have to risk everything and work with those who fear them or the future they want for themselves and others will be destroyed
