Parallel Thinking Edward de Bono,2016-07-07 Western thinking is failing because it was not designed to deal with change In this provocative masterpiece of creative thinking Edward de Bono argues for a game changing new way to think For thousands of years we have followed the thinking system designed by the Greek philosophers Socrates Plato and Aristotle based on analysis and argument But if we are to flourish in today s rapidly changing world we need to free our minds of these boxes and embrace a more flexible and nimble model Parallel Thinking is an invaluable insight into the world of creativity de Bono unveils unique methods of brainstorming and explains preconceived ideas of what creativity involves and is This book is not about philosophy it is about the practical and parallel thinking required to get things done in an ever changing world

The Moses Code James F. Twyman,2008-03-01 Is it possible that nearly 3 500 years ago Moses was given the secret for attracting everything you ve ever desired The Moses Code was first used to create some of the greatest miracles in the history of the world but then it was hidden away and only the highest initiates were allowed to practice it In this book James F Twyman reveals the Code for the first time showing how it can be used to create miracles in your life and in the world By practicing the principles presented within these pages you ll discover how you can integrate the most powerful manifestation tool in the history of the world into your own life At the very heart of the Moses Code is the true function and practice of the Law of Attraction You may have been told that this Law is all about getting the things you want things that you think will make your life more satisfying But what if that s just the first step and cracking the Moses Code depends more on what you re willing to give rather than get That would mean that you have the power to create miracles in your life right now It would also mean that you have the ability even the responsibility to use that power for more than just attracting money a better car or the perfect relationship You re here to use the power of Divinity itself to create a world based on the laws of compassion and peace That s the task that lies before us

**Fire Vision** Steven Harrison,2018-07-17

Within the pages of the Holy Bible the Lord God Almighty used fire in powerful ways to deliver His message His authority became apparent when He brought or sent fire down A few excellent illustrations include Elijah and the prophets of Baal the three young men in the fiery furnace Sodom and Gomorrah and Moses at the burning bush and the tongues of fire on the day of Pentecost Consider also our largest visual source of fire and heat The solar sun eclipses and blood moons are often considered as key events or signs in God s Word Flames entered my apartment in 1992 and left behind four distinct burned images with sealed messages from the eternal consuming fire The amazing images in my bedroom later told the story of my heart attack The Holy Spirit unlocked these images by His Word through time The Cokeville miracle story also has a detailed fire image that was burned into the wall Its message had been well hidden until now Learn the interpretations for these miraculous images and understand that the same Creator who made these images will be returning someday with His fire vision to judge all things The single most important and unanswered question for many people today remains a mystery Ask yourself How will the King of kings see me
