*Backseat To Baghdad* Ross W. Simpson, 2022-11-03 It was Shake and Bake Time when I rode into battle in Iraq with the First Marine Division's lead assault battalion I saw Operation Iraqi Freedom in March 2003 from the backseat of a Humvee in Counter Mech Platoon 1st Battalion 5th Marines The first night was frightening as we crossed through No Man's Land between two sand berms that separate Kuwait from Iraq its warring neighbor to the north Three weeks later we arrived in the Iraqi capitol of Baghdad bloodied but not broken No better Friend no worse Enemy is the motto of the First Marine Division And the author had no better friend in the military than Mattis who signed the American flag Simpson carried in his helmet liner before he left 1MarDiv's headquarters in

Baghdad and headed home to Northern Virginia Their enduring friendship over three decades is why Mattis the best selling author of Call Sign Chaos a book about learning to lead graciously agreed to write a few words about Backseat To Baghdad Today s unsung heroes are those young men and women who look past today s political rhetoric and volunteer their lives to defend America In Backseat To Baghdad Ross shows those troops in combat with all their humanity and humor and the tragedies and triumphs of young men coming of age when they were soldiers once and young Keenly portrayed thanks to his man deployments alongside them In this book Ross reveals the extraordinary character of our citizens serving as soldiers sailors airmen and Marines Jim Mattis      Wake Up America Steve Strickland,2008 As a country there has been a steady decline from the original Judeo Christian ethics and moral values on which it was founded This moral decline is not isolated to those outside the church but has crept inside the walls of the church and the hearts of Christians across America In Wake Up America A Vision of Spiritual Apathy author Steve Strickland provides America with a wake up call In 1999 Steve had a vision a vision from God that he wants shared with others This book is extremely powerful in the way Strickland eloquently illustrates these riveting details which undeniably will leave you on the edge of your seat Read to find out how the vision unfolded it is guaranteed to change your life forever      *Separated in America* A. Do-Bee,2020-04-15 As a child I was never afraid to die but I was afraid to live In America there are thousands and thousands of foster children Most have a happy place to call home There are a percent who live in a home of abuse of all forms I am writing my autobiography to bring attention to those who are abused and have no way out I lived in six different foster homes and two group homes and in three of the foster homes I was abused beaten raped and used as a sex toy and I was raped in one group home I promised myself no matter what that I would make it I would be someone making the right choices in life because after all it was God who gave me this life and I know He watched over me He sent people when I needed them most We foster children are separated from our parents through no fault of our own Our parents can be drug addicts criminals may just not have the means to provide or they abuse the child I watch the news and see the children taken from their parents as the police put Mom and Dad in the police car and CYFS Children Youth and Family services load the children in a car and off we go to God knows where Most people watching the same news station say Thank God the children are safe Are they Do you understand what happens next to the American foster child Once the news story is over you forget all about those children but their hell is just beginning We are plunged into a world where we have no control into strangers homes or into group homes with kids just like us or kids who take advantage of us It is one scary place to be and you have no clue what happened to your parents or if they are coming to get you or you are now just a name on paper and forgotten about This country needs to take care of their own children It is on the parents and their choices dictate their children s lives I grew up in foster care from age seven to nineteen I made my choices I graduated high school at nineteen and went to college and then to tech school to become an auto mechanic I worked two part time jobs and a full time job and paid back all of my school loans on my own and made it in

life I write my childhood down in hopes of just one foster child to read and I pray it has an effect on them to strive to become a productive person and make it In the end I got the payoff I have always wanted a person to love me for me and I married her and twenty five years later we are still soulmates and best friends She is my life and I am hers and now our child is our life Thank you and God bless
